The BANAR is published nine times each year: October, November, December/January, February, March, April, May, June, and a Summer issue which is distributed at the end of June. Residents or affiliated non-residents are invited to submit their views or information pertaining to activities within this community. Articles must be brief, legible (typed preferably) and free of copyrights (unless permission is granted). Illustrations must be of good quality. The EDITOR reserves the right to make changes when necessary. Original material will not be returned unless accompanied by a stamped, self-addressed envelope. Subscriptions available \$10.

COVER CONTEST

The BANAR is looking for art submissions for the front cover for the 1986/87 season. The themes are as follows:

- November Grey Cup, Remembrance Day
 - December Christmas
 - February Valentine's Day
 - March Winter Break, St. Patrick's Day, Easter
 - April Spring
 - Summer B.C.A. Day Camp
- (May and June covers are reserved)

The winners will receive \$20 plus publication of their submissions on the front cover. Names of all winners will appear in the same BANAR as their artwork.

CONTEST RULES

- All submissions must be:
- 8½" wide by 7½" long
 - black and white pen drawings only
 - received by the Editor by the first day of each month. (i.e. October submissions due on Sept.1, Nov.'s due on Oct.1 etc.)

The final selection is at the discretion of the editor.
 All entries become the property of the BANAR and will not be returned unless accompanied by a stamped, self-addressed envelope.
 This contest is open to residents of Blackburn Hamlet only.

In order to meet our production deadlines, the BANAR deadline is always the first of the month. Submissions will gladly be accepted early.

The cover of the May issue is usually reserved for the Garden Allotments Association but I thought a cover depicting our return would be nice. The cover contest adds a unique touch to the BANAR and is one of my favourite parts. I hope all the artists of Blackburn Hamlet are still hard at work and will continue to send me their efforts for our cover.

A SUMMARY OF THE MINUTES OF THE BOARD OF DIRECTORS MEETING
BLACKBURN COMMUNITY ASSOCIATION
HELD ON MARCH 11, 1987
EMILY CARR MIDDLE SCHOOL

PRESENT: Hedy Burton, Marg Maddock, Pat Vasudev, Robert Madill, Bob Jamieson, Ken Greenlaw, Mike Irvin, Gloria-Dawn Warkentin-Coulter.

The meeting was called to order by President Robert Madill at 7:30 p.m., in the library of Emily Carr Middle School.

ADOPTION OF THE MINUTES

It was moved by Mike Irvin that the minutes of February 18, 1987 be adopted as presented. Pat Vasudev seconded the motion and the motion carried.

CORRESPONDENCE

Was distributed to individual directors.

Copies were circulated of an agreement between the City of Gloucester and the NCC referring to the close by-pass.

DIRECTORS REPORTS

Bob Jamieson: Bob has received phone calls from Hamlet residents, in reference to the WINKS/Caisse-Populaire Mall. The calls have been running 3:1 against changing the zoning.

Ken Greenlaw:

MOTION: Ken moved that as the community had not been provided with sufficient notice of the increase in membership fees approved at the BCA meeting of September 23, 1986, it is considered appropriate to retain the 1986 rate. Seconded by Robert Madill, the motion carried. Please consider suggestion for nominations for any vacant executive position.

Pat Vasudev: We should review the positions and infrastructure of the BCA before establishing a nominating committee for the 1987 - 1988 executive.

Mike Irvin: Tennis would like someone to sell memberships at their registrations.

Gloria-Dawn Warkentin-Coulter:

A public meeting was held at Blackburn Public School and the school will not be closed next year as forecast. There is a continuing interest in Junior (four year old) kindergarten, and this was communicated to the Carleton Board.

Hedy Burton: The Federal Grant would be too complex for the new Youth Activities Director, with the amount of paperwork to continue, so it was not applied for, but the Provincial Grant will be looked into.

Bill Horne:

Robert read Bill's report. Al Ripley has volunteered to co-ordinate this years Fun Fair.

PUBLIC MEETING RE: CAISSE-POPULAIRE/WINKS REZONING

Bob Jamieson introduced and summarized the request for support for a rezoning of the North-West corner of Bearbrook/Innes.

Doug Bundy made a presentation on behalf of the Caisse Populaire/WINKS.

MOTION: Bob Jamieson made the motion that the BCA, on behalf of the expressed opinions of the residents of Blackburn Hamlet, make representation to the Planning Department and to City Council opposing any change to the existing zoning of the property on the North-West corner of Bearbrook/Innes. Seconded by Ken Greenlaw, the motion carried.

Bob will present the resolution (motion) to Gloucester Planning Department, and may possibly attend City Council and the Planning Department hearing to present it.

BANAR

Robert summarized the issue chronologically to the present situation, including the standing committee with their recommendations and the alternative of a volunteer editor.

Each Director's opinion was solicited. Bill Horne's opinion was conveyed by Robert Madill. There were some comments from the floor.

MOTION: Pat Vasudev moved that the BCA continue to adhere to the policy of volunteerism in serving the best interests of our community and that the Association place first priority on those who offer their voluntary services to help maintain a growing sense of community spirit. Mrs. Beverly Brett has offered her voluntary services to undertake the publication of the community newspaper, Banar. In recognition of this voluntary offer, and her expertise and experience in publishing the BANAR, he further moved that the BCA Board of Directors appoint Mrs. Brett to the position of Editor of the BANAR forthwith on a voluntary basis. Seconded by Mike Irvin, the motion carried.

MOTION: Hedy Burton moved that the BCA make guidelines with the help of the new Editor, as to the work involved in the BANAR, so that the job is within the reasonable capabilities of a volunteer. The motion was seconded by Marg Maddock. The motion carried.

There being no other business there was a motion by Hedy Burton that the meeting be adjourned. Seconded by Pat Vasudev. The motion carried.

NEXT MEETING: Glen Ogilvie Public School, Library, 8:00 p.m. April 15.

FROM YOUR PRESIDENT

The Banar is back in publication! Beverly Brett, previously an assistant editor, has volunteered to be Editor of the Banar. Beverly will be assisted by Kathy Bramwell, who was also an assistant editor. Welcome Beverly and Kathy.

In order to provide some perspective of past events involving the Banar, I would like to offer a few observations. The BCA is a volunteer organization whose primary purpose is to assist community participation in various activities.

BCA Directors and group organizers for baseball, hockey, scouts, guides, etc., are volunteers. This is our way of contributing to the community. As stated to the Leisure Services Committee, the BCA places a high value on the spirit of volunteerism, and we wish to ensure its continuance. As volunteers, we are able to fund greater participation in activities, since we do not have to pay significant salary or administration costs.

The previous Editor, Kathleen Loughlin, through her dedication and perseverance, was responsible for producing a lengthy, high quality Banar. We owe Kathleen and her predecessors our gratitude. However, over the years, the Banar had grown beyond the capacity of a volunteer Editor. This was reflected in the failure, despite a lengthy search, to find anyone willing to take on the position following Kathleen's resignation in the fall. As a last, and least preferred course of action, it was decided to offer a salary of \$400 per issue. A committee was formed to interview candidates, and to make a recommendation to the BCA Board.

The decision to pay an editor received considerable attention at the January 28 General Meeting. It was pointed out that a precedent was being established that would cause considerable difficulties. After all, why shouldn't other hard working volunteers receive a salary?

After careful and responsible reflection, Beverly, supported by Kathy, stepped forward as a volunteer for the position of Banar Editor. The BCA considered the committee's recommendation for a paid editor, but in keeping with the purposes and spirit of the BCA, the Directors voted to appoint a volunteer.

We now have an opportunity to ensure the continuance of the Banar within the community's network of volunteers. First, we propose to separate the roles of Editor and Publicity Director. The Publicity Director will be a member of the BCA Board accountable for funds budgeted for the production of the Banar. The Editor will be responsible for publishing the Banar and would no longer sit on the BCA Board.

Second, with the participation of past and present Editors, common-sense guidelines will be prepared for publishing the Banar. These guidelines will reduce the Editor's workload by constraining the format and length of items submitted for publication, as well as expenditures on funds and labour.

The Banar will evolve in order that it may be produced by volunteers on a continuing and predictable basis. Nevertheless, the Banar's primary purpose will remain - to provide a forum for community discussion, and a vehicle for the dissemination of community information. Suggestions and constructive criticism intended to foster this process are most welcome.

Bob Madill

BCA DIRECTORSHIPS AVAILABLE

If you are interested in participating in Blackburn Hamlet community activities, why not consider becoming a Director for the Blackburn Hamlet Community Association. By joining the BCA Board of Directors, you will have an opportunity to make a very useful contribution to the Hamlet. We have several openings:

- | | |
|----------------------|--|
| First Vice-President | - acts for the President during the President's absence. |
| Treasurer | - prepares the budget and supervises our bookkeeper. |
| Membership | - organizes the annual membership drive
(we have over 1500 members) |
| Youth Activities | - organizes a Day Camp during the summer. |
| Publicity | - oversees the Banar's budget and guidelines |

For further information please contact Bob Madill (824-7655)
Pat Vasudev (824-7522)
or Marg Maddock (824-2568)

How about it - can you lend a hand?

EDITORIAL

WE'RE BACK!

Yes everyone, the BANAR has resumed publication. The job of editor remains a volunteer one and I must tell you that I have thought a good deal lately about community spirit and volunteerism. I missed working on the BANAR and receiving it. The reason I decided to volunteer to be the editor is, very simply, that I wanted to do the job.

Kathy Bramwell, who is presently working as assistant editor and typist, has been my enthusiastic supporter in this venture, along with my husband. In fact, they talked me into it. Kathy and I are both happy to be working on the BANAR again.

A Special Thank-You to Kathleen Loughlin for the terrific job she did as editor. I hope that the BANAR that we produce will be as well received by the community.

I see the BANAR as a forum for announcing events, registrations and news of vital interest to the members of our community. One of my objectives is to work with the B.C.A. directors to ensure that the BANAR can be published by volunteers. In doing so, there will inevitably be some changes made in the format and policies. Nevertheless, the main objective of providing the community with local information remains the same.

I tried to call as many people as possible to announce the BANAR's return. Everyone seemed very pleased with the news. If I missed anyone, my apologies.

If you have any questions, comments or anything to submit for the next issue, feel free to call or drop a note in my mailbox.

My address is 52 Glen Park Drive and the phone number is 830-2576.

YOUR ALDERMAN'S REPORT

Cultural Policy

What is culture? That is a difficult question to answer because we all have our views and it is very subjective. However, a group of Gloucester residents, under the chairmanship of John Hollins, attempted to answer the question and give definition to the direction in which the City should be going. The Cultural Policy Committee brought forth an imaginative and thoughtful report directed towards the development of cultural expression and activity in Gloucester.

While recreation and sports have fared well over the years, we have not paid heed to the growing demands of other needs and desires in Gloucester. We must plan and develop a city which fosters expression and creativity. It is the quality of life which must concern us.

We are making strides and the formation of the Gloucester Arts Board will provide a vehicle for growth in interest and activity. That Board will advise the City, much as the GRCB does in recreation, and will manage a budget to give more tangible assistance to those functioning in the Arts. There will also be the opportunity for community involvement as 7 of the 9 members will come from the community. We have an opportunity to help make Gloucester a better place in which to live.

Blackburn notes:

Seniors - The new condominium is proceeding on Innes. The builder had intended to complete the work in two phases, but there was sufficient demand to warrant going ahead with the whole project - a sign of the changing times.

Traffic lights - The Region will be doing another check at Bearbrook on a possible advanced green and also on the need for more traffic lights on Innes.

Paving - Resurfacing is scheduled this summer for the eastern part of Westpark, and for Centrepark and Woodburn.

We wish you all a happy and energetic season of tennis, sunshine, and good fellowship.

ENVIRONMENT BLACKBURN

A group of Gloucester residents concerned with issues of the environment and transportation in the region have formed an Association, ENVIRONMENT BLACKBURN. The first concern of Environment Blackburn is a proposed bypass road which could run southeast of Innes Road from Cleroux Road at the east of the Hamlet, across Navan and Kemp Roads and westerly parallel to existing property lines on Orient Park Drive and Glen Park Drive to rejoin Innes Road near the Regional Detention Centre and approximately in the middle of the existing soccer and baseball fields.

The proposed bypass road represents a substantial outlay of taxpayers' money and does not solve any of the current traffic problems of Blackburn Hamlet, Orleans or Cumberland. If the bypass is completed it will stand as an embarrassing BLIP, negatively affecting the environment, resulting in the expropriation of residential property, and leading regional traffic on a meaningless diversion from a badly maintained regional road back onto the same road just before the same bottlenecks which currently are inflicted on commuters.

Environment Blackburn believes that the solution to regional traffic problems must be viewed in the context of the entire Capital Region. A deep southern ring road directed southerly through existing road allowances and connecting the region's eastern, southern and western communities to each other and to the centre of Ottawa can be a solution. Residents, businesses and community groups are urged to band together to ensure that our tax monies are not expended on the type of simplistic, band-aid solution to our traffic problems represented by the proposed bypass.

The elected Executive Committee of Environment Blackburn:

President - James Pfeifer 837-6772

Vice Presidents - Claire Coakeley 824-7343, Arlene Cornfield 824 2882 and
Pat Martin 837-2402

All citizens concerned with the environment of the region and the development of logical regional transportation plans which meet our needs are invited to call any member of the Executive for information.

PLEASE NOTE: We do not advocate and continue to oppose any proposal to widen Innes Road. We propose that existing southerly road allowances can serve the community while conserving its integrity and the viability of Blackburn businesses.

This issue is currently before Regional Council planners and we will continue to oppose its implementation.

The Newcomers Square Dance and Bean Supper, preceded by a sleigh ride on a gorgeous starlit night in February was a tremendous success! A great 'down-home' time was had by all, and all the 'city slickers' can now boast a few new steps at least!

Our Bowling Night, held this year at Walkley Lanes in March, was a lot of fun as usual. Prizes were given for 5 randomly selected scores, and everyone seemed to enjoy themselves immensely, regardless of their level of expertise.

The May General Meeting will be held on Monday, May 25th; the location and format to be announced later. Set the date aside on your calendar now!! The proposed slate of Executive Officers and Convenors will be presented at this meeting, and ALL Newcomer members are encouraged to attend.

See you on May 25th!!!

Blackburn Hamlet PRE-SCHOOL

The Preschool is still accepting registrations for September 1987. We are a cooperative school offering 2 half- and 3 half-day morning and afternoon programs to children three years of age by March 31, 1988. Also this year we are offering a 5 half-day afternoon program to children 4 years of age by December 31, 1987. For more information about our program call the parent registrar, Bev Reynolds at 824-6013.

The children have had a busy winter. In February we went to the children's Playground at Winterlude. The snowslides were fun and everyone enjoyed the sleigh ride.

Father's Night, a special evening set aside for the dads to come and participate in our program, was very popular. The dads had a lot of fun and the kids enjoyed showing Dad all the great stuff they do.

Art work included box sculptures, pudding painting, making carebears with spices and gluing seeds and dried goods. Another activity which was a lot of fun was bodytracing.

Dinosaur Week was filled with Dinosaur egg painting, sponge painting and finger painting. The children were thrilled to eat the Dinosaur egg for snack. It tasted just like a melon!

We hope the muddy boot weather is behind us and we are all looking forward to sunny days ahead.

The costs of crime are simply unacceptable!

Larger police forces, however, cannot alone stop crime. But citizen action and Blackburn Hamlet's community involvement and commitment can (and have) reduce the risks of crime along with the fear of victimization.

To prove the point, in 1985 with no Neighbourhood Watch program, we had 80 break and enters as compared to 58 break and enters in 1986. That's a reduction of 27% year over year.

* * * MARCH CRIME STATS * * *

9 successful break + enters
2 attempted break + enters

None of the '11' burglaries were concentrated to specific streets or areas. However, there was a common thread in that the majority of gained entries were through sliding doors or rear windows (basement, kitchen, bathroom).

Remember, if you are not part of the PREVENTIVE CURE, you are a part of the problem!!

NOTE: The Gloucester Police would like to alert all Hamlet residents to the possibility of receiving anonymous telephone calls. If you should receive such calls, please call the Police immediately.

FIRST BLACKBURN SCOUT GROUP

KUB KAR RALLY

Excitement filled the gym at Glen Ogilvie Public School on Thursday evening, March 26, as nearly 100 Cubs from all five First Blackburn Packs raced their wooden model 'kub kars'. Heats down three specially built tracks would determine who had the fastest kar in the Hamlet.

Third place bronze medallion went to Paul Lagueux from Fox Pack. Second place silver medallion went to Jeffrey Campbell, also from Fox Pack. The winner's trophy went to Matthew Ferry from Bluejay Pack. Matthew also gets his name added to a plaque which is displayed in the Blackburn Public Library.

Special merit ribbons were presented to various kars entered in the design category. There were kars with fins, kars with custom mufflers, kars complete with pistons, racing stripes, and even some with drivers!

All the participants were given a badge designed for the event.

A special thanks to Scouts Geoff Kneen and Ian Mace: and Venturers Chris Webb, Andy Nelson and Paul Turnau, who judged the designs and assisted in running the tracks.

TREES FOR CANADA

Sometime during April or early May, a Cub in uniform may knock on your door. He will tell you that he has agreed to plant twenty small trees on Saturday, May 9th. He will ask you to either make a pledge for each tree he plants, or make a donation.

'Trees for Canada' is both a conservation and a fund raising project of Boy Scouts of Canada. Half of the funds raised stay in the community. Fifteen percent goes to the Canadian Scout Brotherhood Fund (matched by C.I.D.A.) for development projects in third world countries.

Since 'Trees for Canada' began in 1972, over 30 million seedlings have been planted coast to coast in Canada.

You too can get involved. When a Cub knocks on your door pledge a tree for Canada!
