ANNUAL GENERAL MEETING Moved by L. Lebonte, Feb 9, 1970, Executive meeting.

An amendment to the constitution dated May 1969, stipulates that the election of officers and annual general meeting of the Blackburn Community Association be held on the 1st Monday of May of every year. As our general meetings are now held on the 4th Monday of every month, April 27, 1970, being the closest to May 4, should be declared election and annual general meeting night. If this date of April 27 is unacceptable, then the April 27th general meeting should be cancelled and held on May 4, 1970. If elections and an annual general meeting were held later than May 4, the attendance would be close to nil due to the nice weather.

Therefore, may it be resolved that the election of officers and annual general meeting of the Blackburn Community Association be held April 27, 1970 and may it be further resolved that the nominating committee be appointed at the next general meeting of the Association, February 23, 1970.

CARNIVAL

In reply to several queries the Carnival held on the week end of February 9, was in no way connected to the Blackburn Community Association.

To the Association's knowledge the Carnival was organized by St. Claude Parish within the Hamlet.

TOWNSHIP APPOINTMENTS

Gloucester Township Council have given Blackburn representation on the Township's two most important boards.

Mrs. Sara Ziegler, Mr. Harold Diceman have been appointed on the Planning Board Mr. Diceman has been re-elected chairman of the board and Mrs. Ziegler has been named liaison member for Blackburn.

Mrs. Lois Kemp has been appointed to the Recreation and Community Centre Board.

To these three persons go our congratulations and we wish them well in their new positions and assure them of our co-operation.

CIVIC AFFAIRS COMMITTEE - L. Labonte - Chairman

In May of 1969 the Civic Affairs Committee was asked by the Executive to undertake a study of lands available for recreation and take a look at all aspects of community development in the Blackburn Hamlet area.

The Civic Affairs Committee held many meetings with various agencies and governments. Meetings, discussions and negotiations were held with the Gloucester Township Council, Costain Estates Ltd., School Boards, the National Capital Commission, Township Departments and many other persons and interested citizens.

In September, Costain Estates offered to hire a firm of consultants to look into the whole question of recreation and park land and community development the firm of Procton, Redfern, Bowsfield and Bacon of Toronto were retained for the job. In the meantime talks and surveys continued between Costain Estates, Township and the Association.

In October, Costain decided to give an advance dedication of land, on future development, of 5 acres on the north side of Cyrville Rd. at Bearbrooke Rd. The Township agreed to purchase a second 5 acre site on the South side of Cyrville Rd. behind the proposed shopping centre at a cost of \$12,500 from Costain Estates.

In January, the consultants reported their findings and recommendations to Costain Estates Ltd., Township Council, the Association, Township Planning Board and Township Community Centres Board.

Subsequently the Civic Affairs committee and the Recreation committee met with Costain and Township Council representatives and studied the proposals of the consultants and proposals from our numerous meetings and surveys. The two committees have now recommended to the Executive that the Association accept our proposals regarding parkland. Costain Estates will present to you the membership on Monday, Feb. 23, 1970, at the Glen Ogilvie School the consultant's plans and report. We hope you will be there and that you will take an active part in the meeting. We hope you will be there to voice your opinion and vote for the two committee's recommendations. We think these recommendations are for the good of Blackburn Hamlet and will make Blackburn Hamlet a well integrated community with a good system of parkland and active recreation land. All of us, property owners, should be interested in the development of the community. Come out to the

GARBAGE COLLECTION - J. Swann

In October 1969 a questionnaire on garbage collection in Blackburn Hamlet was circulated to the homes in the Oct. BANAR. The final results were tabulated after close to 200 questionnaires were returned. The residents of Blackburn (56%) have requested that Saturday remain as the day of regular garbage collection. On the question of two garbage collection a week (66%) have expressed a desire for twice a week garbage collection during the summer months and Tuesday was the most popular day of the week for the second collection. Council has now been informed of the results of this survey.

PUBLIC TRANSPORTATION J. Hollins

Through BANAR of Oct. 1969 a questionnaire on bus service to Blackburn Hamlet was distributed and 250 were returned to the Civic Affairs Committee. The demand demonstrated by this survey justifies the introduction of an experimental bus service to Blackburn Hamlet. 1. To take business people to work from Monday to Friday. 2. To provide several buses a day to St. Laurent shopping centre on two days a week, say Wednesday and Saturday.

3. For the adults and those who will be assisting on Saturdays, one (maybe two) evening/s a week from 8:00 P.M. to 10:30 P.M. will be allotted, particularly, to give the latter an opportunity to play.
4. Leagues will be formed only for those groups which indicate they want them.
5. Our main object is to:
  - (a) provide some wholesome, happy, hours playing basketball;
  - (b) improve the ability of all to enjoy a healthful game of basketball by stressing the fundamentals of the game;
  - (c) ensure equal time to every player regardless of his or her athletic abilities.
6. Registration Fees - Boys and Girls - 50¢ Adults - \$1.00  
Parents signature required on registration form of Boys and Girls.

THE CATCH

The above plans will not be possible without your participation. We are not worried about the response from the players, but we must have an organization to operate this venture. We must have you volunteer between now and February 28th if you are willing to help us and/or will help on February 28, Registration and Basketball Clinic Day. This session will run 3 months only to May 30/70.

Specifically, we are envisioning the requirement for:

1. Director of Boys
  - He will oversee activities of the boys 9 to 17 years, dealing with coaches and referees and will work with the Chairman, the League Organizer, Chief Referee, and other Committee Members. In particular he will allot the players to the various groups or teams
2. Director of Girls )
3. Director of Adults ) will carry out the duties similar to the above.

4. Coaches and Assistant Coaches ( Male and Female)

- We have no idea of how many we will require, but each will be responsible for organizing his group or team, seeing that they are notified of times managing the group or team (together with his or her assistant or co-coach) and ensuring that equal playing time given each player regardless of playing ability.

5. Referees (Male and female)

- These volunteers will work under the overall direction of the Chief Referee, the latter being responsible for any general training and instructions required and the assignment of referees to groups as requested.

6. Timekeepers

7. Scorers.

## BLACKBURN HOME AND SCHOOL ASSOCIATION NEWS

### February Meeting

The program series on innovations in education concluded with a candid presentation by Mr. Bernard Webber of the Ontario Department of Education on "COMPUTERS IN EDUCATION - BOON OR BUST?" Some of the current data processing "myths" were exposed and a realistic description was given on where these new techniques will first be used and in what time frame we can expect them. Only the lateness of the hour curtailed the lively discussion.

### Next Meeting

8:00 p.m. Monday, March 2, at BLACKBURN PUBLIC SCHOOL. Our special guest is DR. AGATHA E. SIDLAUSKAS, Child Psychologist, speaking on the topic:

"HOW CAN PARENTS PREPARE CHILDREN FOR SCHOOL AND ASSIST THEM ONCE THEY ARE IN SCHOOL?"

DR. SIDLAUSKAS is a widely recognized authority and consultant psychologist. She is also prepared to answer questions on a wide range of subjects relating to children in school and in the family, so jot down those questions that you have been saving for an opportunity like this and come out to hear and participate in a great discussion. This program promises to be one of the best of the year. The speaker is deserving of a special effort on your part to attend.

You don't have to be a member of Home and School or a parent to attend. Your interest is the only qualification. See you Monday, March 2, at BLACKBURN PUBLIC SCHOOL. To the Membership - come out and support your Association.

### Fund Raising Night

The Blackburn Home and School Association is planning a "Fund Raising Night" on Friday, May 1, 1970. (Movies, Soft Drinks, Bake & Book sale, etc.) Tickets will be on sale in March 1970. Your cooperation and assistance to make it a success is anticipated. "Come one, Come all!" CONTACT OUR CHAIRMAN - MOIN ANSARI - 824-3500 - for information or if you wish to assist.

E. A. Leftly, President 824-4368

### GLOUCESTER HYDRO R. Bisailon

The building - HYDRØ in Leitrim - is not ours. We rent - \$10,000 per year. (Purchase price \$78,000, we have 6 months to decide.)

Presently two agreements are on the table to purchase 5.4 acres around our building at \$8,000 an acre. It is an exceptionally high price when it might be possible to buy land at \$850 to \$1,000 an acre in Orleans from War Assets. The School Board in Orleans purchased 25 acres at \$850 an acre, a year ago.

If your street light is out - you phone HYDRO - 822-6866 - and if no result, do not hesitate, phone me. If you have any ideas to communicate, please phone 746-8064. -----

The Chairman of the Hydro will be inserting topical messages in the BANAR. They hope to maintain closer dialogue with the developing communities in the municipality. M. S. McEwen, General Manager

COMPETITIVE SWIMMING Brian Parkin

Gloucester Swim Club hosted an invitational swim meet at the Centennial Pool, Feb. 1st, with participating clubs from Brockville, Rockcliffe AFB and Pointe Claire. In a very exciting and closely contested affair, Pointe Claire Windmills, under the guidance of Canadian Olympic coach George Gate, took the meet honours scoring 256 points to Gloucester's 242, followed by Rockcliffe (125 points) and Brockville 115.

Three new Ottawa City records were established by Julian Feldman, of Gloucester, Norma Bryant and Louise Nadorozny, both from Rockcliffe. Eight other City records were tied, of local interest, Steven Parkin of Blackburn Hamlet won the 10 and under 50 meters breaststroke event with a time of 49.2 secs. Other Blackburn swimmers who placed in the scoring were Nancy Laatunen, Brian Parkin, Diane Skoberg, Dana Skoberg and Peter Smith. The Gloucester boys 10 and under relay team tied the record in the 200 meters medley relay event. Members of the team were Geoff Hall and Steven Parkin of Blackburn and Andrew Marshall and A. Mierins of Rothwell Hgts.

The Gloucester Club travels to Pointe Claire Feb. 21st and 22nd to take part in an invitational meet which will include teams from Gardner, Massachusetts, Toronto EMAC, North York and the Montreal and Ottawa areas.

The Gloucester Swim Club would like to thank everyone who sponsored children in the SWIM-A-THON held on Sunday, Feb. 15th. Your generous support will not only benefit our club but will help train and send Canadian Swimmers to the Commonwealth Games, to be held in Scotland this summer, and the 1972 Olympic Games in Munich. Remember--swimming is one of the few sports in which Canada is consistently winning medals in Olympic and World competition!

FOUR YEAR OLD KINDERGARTEN - Bob Searle

Both the Carleton Roman Catholic Separate S. B. and the Carleton County Board of Education have rejected our request for the immediate establishment of a 4 yr old Kindergarten. The C.C.B.E. cites lack of space and the C.R.C.S.S.B. **feels that it is not prepared at this time to establish a policy that would have implications for all their schools.** I feel that both groups have been fair in their consideration of our proposal and that the ultimate result may prove our efforts worthwhile but see no real possibility for this Spring. I have re-submitted a modified proposal to the C.R.C.S.S.B. **but don't hold your breath.** Thank you all for your wonderful support. Sorry about the dismal prospects.
