Letters to the Editor

DEADLINE FOR JUNE EDITION IS 15 JUNE 1971. SEND TO EDITOR, 35 SILVER ASPEN, OTT. 15

Madam:

Congratulations to Griping Gertie and to Mrs. Dowsett; however, a new by-law against defecating dogs would probably be enforced about as well as the present by-law on wandering dogs.

Anyone at all concerned about the filthy state of our streets and front yards, and the masses of stinking ordure now appearing with the thaw in our strips of park-land should telephone the township council and urge that the licence fee be increased enormously, say to \$50, and the money raised be used to purchase a large barrow, a shovel and the services of a street-cleaner-upper.

May I sign myself

Disgruntled Boot-scrubber?

Editor, THE BANAR

Subject: Care of Green Creek Park

The beautiful area of fields, hills, trees and water, called Green Creek, situated to the west of Blackburn Hamlet is receiving more visitors every year. In order to prevent the area from becoming a sort of rural slum, I implore the Association to remind users of the area, adults and children alike, to treat it with the same respect accorded their own front yards.

There is increasing evidence of litter, cut trees (aside from those cut for a survey sight line in 1970) and spent shotgun and rifle shells (no hunting is allowed at any time).

Users can help, not only by bringing their own garbage home, but picking up litter on the homeward trip. Oh yes, there was a serious fire there in 1968. With the coming of dry weather, watch those matches.

Thank-you

R. R. Real

Dear Madam

In reply to the letters of Marion Dowsett and "Griping Gertie" I am compelled to voice my opinion which will undoubtedly rouse the ire of many in this community. As an animal lover one can't help but become somewhat dismayed over such attitudes. That pet owners must inculcate their responsibilities is unquestionable. Having said that however it might be suggested these people take a little time out and look into

HELLO FELLOW CITIZENS,

Judging from the smiling faces of the many people who attended our Spring Dance, I would say that a good time was had by all!

Again I would like to thank the people whose efforts made it all possible. Here is a list of their names:

| | | |
|----------------|-------------------|------------------|
| Vera Langlois | Isabel Swann | Joe's Groceteria |
| Sarah Zeigler | Carol Dow | Rod Dow |
| Isabel Walcott | Denise Landriault | Ken Marshall |
| Carolyn Parkin | Vivian Dawson | Marcel Sarrazin |

Many people have asked me about the cost of our dances and the following is a breakdown of the financial aspect.

Spring Dance

| | |
|----------------------------------|----------|
| Ticket receipts..... | \$ 228. |
| Expenses: Band..... | 175. |
| Flowers..... | 60. |
| Plates of nibbles..... | 18.50 |
| Stamps..... | 2.10 |
| Decorating material..... | 5.18 |
| Expenses over receipts were..... | \$ 32.78 |

Fourty-two letters were sent out requesting donations of prizes. Twenty-six prizes were received.

As you can see we're not making any profit on our dances and we're really not trying to. The main object is for the people of the community to have an enjoyable evening at a reasonable price.

ENTERTAINMENT CONTINUED.....

I shall be looking forward to seeing you all at the Corn Roast and Hayride in September and may you all have a very pleasant summer.

GIRL GUIDES OF CANADA - BLACKBURN DISTRICT

May 1st week-end was a happy one for ten Guides from Blackburn as they spent the week-end at Camp Wolsey on the Ottawa River working for their Camp Leaders Badge. It is with great pride that the District learned that the ten girls all passed their test. It certainly was a 100% effort and this achievement proves again the dedication and hard work of the leaders as well as the Guides of the 23rd and 170th Companies. Congratulations to you all.

May 8th was Cookie Day and many Brownies and Guides sold many boxes of cookies to the residents of Blackburn Hamlet. Our thanks go to you all and a special thank you to young Richard Brault of Silver Aspen Crescent who turned in a dollar he had found knowing that one of the Brownies had probably dropped it.

On behalf of the Fun Fair Committee I wish to extend thanks to the many helpers, staff of both schools, Marcel Henri the auctioneer, Roy Cottee the magician, the many people that donated articles and a special thanks to the people that came and enjoyed the evening.

The Fair was a financial success (\$1100 profit) but the part that was the biggest success was the attitude of the adults and children. Parents with coats over one arm, baking on the other and their children wanting to play games about 110° in the shade, etc., and yet they were still smiling. People that came to help for an hour and four hours later, feet sore, tired and a little!! warm saying "we enjoyed it". Convenors and committees after planning and doing for two months are still figuring out ways they would improve it. next time, the patience of the children waiting to play games, the number of workers (approximately 200) and last but not least, the number of adults and children that came.

If anyone has any ideas for another time please send them in. We know all the problems but it is the solutions we are looking for. \$1,450 was brought in and after expenses, prizes, refreshments, magician and miscellaneous, there was a profit of \$1,100.

NORRIS McDONALD

God was grumpy. And with good reason.

Earth was in a mess, again. The last time He had reached a similar conclusion the result had been a mighty flood. Mankind, judging by the state of affairs in 1971, had not learned its lesson.

He called in Saint Peter, His executive assistant, with the intention of proposing a few solutions and taking note of Saint Peter's reactions.

"I shall save the Earth," God said, "and I shall attend to the small problems before tackling big ones such as Vietnam, poverty and pollution."

"Where do you plan to begin?" asked Saint Peter.

"I have noticed," answered God, "that people living in the country called Canada don't get along all that well with each other because of something they have defined as bilingualism and biculturalism."

"What do you think is the answer?" asked Saint Peter.

"I shall perform a miracle resulting in the creation of a definitive Canadian language. It will be neither French nor English. Brand new."

"What about literature, highway signs, and so-on?"

"All included," answered God.

"Let's put it this way: everything will be spoken, sung and read in the new language. As a bonus, the Canadian people will be able to understand the other languages of the world and people living in other countries will be able to understand theirs."

"Marvellous," said Saint Peter.

That very night, while the people living in Canada were asleep, God went about performing his miracle. Everything happened as He had planned.

But the next morning, God was very, very disturbed.

You see, nobody had noticed the difference.
