8 REASONS WHY PEOPLE BUY A "CONVERTIBLE" POOL...

1. Convertible Pools must have a main drain and a hydrostatic relief valve. Main drain for better circulation, better heating and easier draining of pool. Hydrostatic relief valve to eliminate excessive pressure under deep end of pool.
2. Convertible builds only one stage pour shell (All the concrete is poured in one stage the same day) eliminates leaky seams and hard to clean right-angled corners.
3. Convertible uses 30% more concrete and steel to assure you of a stronger pool shell with 10 years unconditional warranty against any frost cracking.
4. Convertible use only first line Jacuzzi Equipment wheter you order a vinyl liner pool or re-inforced concrete pool.
5. Convertible uses only lifetime marbilized finish eliminates painting or refinishing forever.
6. Convertible uses only experienced Craftsmen...each specializing in their own phase of pool construction.
7. Vinyl and Above Ground Pools also available.
8. Complete pool service offered.

GENERAL MEETING

GLEN OGILVIE SCHOOL
NOVEMBER 27, 1973 - 7:30 p.m.

AGENDA

1. Minutes of last meeting
2. Committee Reports
3. Other Business
4. Special Guests - members of Pollution Probe who will discuss recycling and other pollution problems.

Paper and bottle collections provide a way by which we all can do something in controlling the pollution of our environment, and in conserving our resources. But do you know much about re-cycling? Members of Pollution Probe will be present to discuss this and other problems and will have some visual aids for illustrative purposes. We would like to see the members of the community come out and participate. We are being forced to be concerned about our environment, although it often seems to be beyond us, but there are things which we all can do, and this is what our meeting is all about.

Ed Campbell,
President.

paper recycling

As you know, the Township of Gloucester has instructed Grand Sanitation to collect both the regular garbage and also paper which is bundled and tied and put out with the garbage starting October 15. These will continue to be picked up on a regularly established garbage collection day for your street. The paper will go to Florence Paper Company for eventual recycling.

HOW TO PREPARE FOR RECYCLING

Save all clean paper including, newsprint, old telephone books, magazines, store catalogues, unwanted mail, fliers and heavy corrugated cardboard.

Unfortunately, thin cardboard - egg cartons, cereal boxes, foil, plastic; and carbon paper or Xmas wrapping paper cannot be included in your bundle.

For the time being, Grand Sanitation wishes the bundles to be TIED with HEAVY STRING and placed along side regular trash.

It is hoped that you will find this service as easy to use as "putting out the garbage". Rothwell Heights and Cardinal Heights are fortunate in having well established reliable Scout paper drives. I hope that residents in these areas will continue to patronize their Scouts and also use this weekly service if they wish.

This Community Service is a result of co-operation between Gloucester Pollution Probe and Gloucester Township Council.

MR. TURNER'S VISIT

At our October general meeting, we had the pleasure of having Mr. John Turner, our member of Parliament, as our guest. While we would like to have had more of the community attend, those who were present found it very stimulating, with a good exchange of views taking place. Mr. Turner fielded questions for close to two hours and our thanks go to him for his efforts.

GENERAL MEETINGS

I would like to remind you that our general meetings are your forum for expression. We are endeavoring to bring in guests who have a role to play in our community, either directly or indirectly. This requires the participation of the community. The association is very active in the community with more and more people being involved, and the activities are increasing. However people do not always come out to our meetings in the number we would like. The meetings give you an opportunity to express your views and make known your problems, in addition to learning what is happening.

GLASS RECYCLING

Residents of Blackburn Hamlet turned out with great support for the first glass recycling day. Close to 2 tons of glass were collected. I was very grateful for the excellent volunteer help at the depot, particularly when we learned how rushed some of the other depots were. Apparently the word from Kanata is that our glass shipment was of excellent quality, that is, very few metal or plastic collars, glass was separated into categories of clear, brown and green and cleared of foil labels and lids.

Many thanks to volunteers, Bob Rapley, Una Norenius, the Rosenfeld family, Harold and Helen Stebbe, Kendle Rust, Melanie Cunningham, Tracey Allen, Mary Bond, Steve Davis and Mr. Brandreth.

There will definitely be a continuation of glass recycling, although it has not been decided yet whether regular curbside pick-up will be possible. In any case, start saving your glass now, and watch for news of the next glass recycling.

A final note - Gloucester Pollution Probe is forming a telephone registry of people who want to help with projects related to improving the environment. You may have only a few hours to spare once a month, or may wish to work on only one small project per year, but, by adding your name to the registry, you will have a chance to be informed of meetings of interest to you, and of projects where you would be likely to enjoy working. The field is very wide, so why not tell us what concerns you, and we'll keep you informed about your specific areas. Examples of interest areas include bike paths, more hiking trails, better transportation, car-pool formation, reducing litter around shopping centres, better water quality so we can swim at the beaches in Ottawa instead of 50 miles away, reduction of air pollution from quarries, less packaging on products, Information Gloucester will be pleased to add you to the list at 745-0770 or call me at 824-5234 (evenings). Do it!!

FROM THE CENTRE BOARD

Your Centre Board's activity for October and November has focussed on preparing for our annual ratepayer's meeting on November 21, 1973. By the time you read this article our meeting will be over and I hope successfully. The meeting was to cover the Board's report for 1973/74 and the Board's proposals for 1974/75.

The report for 1973/74 indicated that the facilities approved in 1973 (the tennis courts, swimming and wading pools and bathhouse) were at the provincial approval stage. Construction is expected to start next spring or early summer. The architect's concept plan for Bearbrook Park was also on display at the meeting.

The proposals for 1974/75 included:

1. A storage area and a canteen for the Park.
2. A natural ice and lacrosse box.
3. A creative playground.

In reference to the creative playground, I will have asked for volunteers to work with me in establishing a creative or adventure playground in Bearbrook Park and to help define other playground requirements in the Hamlet. I again call for volunteers. If you have an expertise in playgrounds, or if you think you know something about playgrounds, or if you recognize that there is a desperate need for playgrounds in this community and want to do something about it - then please give me a call at the above number.

While I'm calling for volunteers, the jolly green warming shack for skaters in Bearbrook Park is in need of repair again. Carpenters of all skills are required. If you can help us out, give me a call and I'll put you in contact with the game group that is fixing the shack.

| Mgr. Gr Atom | Jack Nyhuns | 17 Southpark | 824-2823 |
| Mgr. Atom A | Pat Daly | Blackburn Corner | 824-2180 |
| Coach for Atom B | Mike Morris | 4 Woodburn | 824-3760 |
| Mgr. for Atom B | Jack Summer | 8 Red Maple Cres. | 824-1894 |

Please note in the foregoing that Mosquito Division is now being referred to as Atom. What has been called Squirt Division is now called Novice.

HOCKEY PROGRAM - Our program consisting of teaching skating and hockey skills together with providing an opportunity to utilize them is now underway. We have been fortunate in securing the services of four instructors from Algonquin College and the University of Ottawa and many local helpers including John Wieke, Cec Stymiest, Ron Coyles, Bob Bentham

OUTDOOR HOCKEY - Coaches, Managers etc. are still required and willing volunteers should call the convenor.

MEN'S HOCKEY - There is still room for those veterans who would like to prove they are still "in shape" at 10 pm each Sunday evening at Leitrim -call Dave McIsaac at 824-4185.

TRANSFER OF PLAYERS - One area's problem can sometimes be another area's help. This is being demonstrated by our having arranged for a number of our Atoms to play with South Gloucester, Bantams to play with North Gloucester and possibly some midgets to play with Carlsbad. In each case the other area had a shortage of players in the particular age group and we had more players than we could assign to teams - a practical demonstration that it is possible for two areas to cooperate while competing.

PRESENTATION TO KEVIN KEMP

On Sunday, November 4th we had some 1100 Blackburn hockey supporters at the Ottawa 67's/Sudbury Wolves game at the Civic Stadium. At that time we offered our congratulations to Kevin Kemp of Blackburn as the first boy to come through the local hockey organization and on to OHA Junior Hockey Club. Kevin was presented with a silver tray on our behalf by his younger brother Randy, a member of our Greenbelt P-Wee team. Again, our Congratulations and Best Wishes to Kevin.

PRACTICE ICE - For those who are wondering why they have been asked to make so many trips out of town for hockey practice the answer is that we have only 43 hours of practice ice time during reasonable hours in the Armstrong and Leitrim arenas, for the period November 1 to March 31. This is roughly two hours per week and we have 11 teams. Fortunately we have from 10 pm til midnight on Fridays at Armstrong which we are using for some of our older boys and six hours per week out of town. Are there still people who feel another arena (or 2 or 3) is not needed???

THANK YOU - We wish at this time to say thank you to all those firms or individuals who have sponsored teams or made a contribution to our hockey program. A list will appear in the next issue of the Banar. Meantime our thanks are offered to J.M. Hill and Son Ltd., 935 Somerset St. W. for providing hockey with very quick (like immediate) duplicating service at a very reasonable cost.

GLOUCESTER SWIM CLUB

Mrs. Aline Pottie
745-2403

The Gloucester Swim Club hosted a dual meet with Ottawa Y Olympians on October 14th at the Gloucester Centennial Pool. It proved to be the first team victory of the year with Gloucester gaining 272 points versus 229 for the visitors. Swimmers from the Hamlet figured prominently in this meet with senior swimmer Brian Parkin winning the 200 individual medley. In the 11-12 age group, Jill Lever won the 100 breaststroke and Lisa Zbitnew the 100 freestyle. The ten and under boys were in fine form with Greg Barber taking a first in 100 individual medley, David Swann in 50 butterfly and Darrell Peterson in 50 backstroke.

The above meet was a lead-up to the first Development meet of the year sponsored by the Eastern Ontario Swimming Association in which 500 swimmers from the 12 member clubs participated. In the "A" Division of this meet, Jill Lever placed 2nd in the 100 breaststroke, 4th in the 200 breaststroke and 5th in the 200 individual medley. Lisa Zbitnew took several ribbons including 3rd in 200 freestyle, 4th in 100 freestyle, 4th in 100 butterfly and 5th in 100 backstroke. Ann Zbitnew in the 13-14 age group took two "A" Division ribbons with a 4th in 200 breaststroke, 6th in 200 individual medley and two "B" Division ribbons placing 4th in 100 breaststroke and 4th in 100 butterfly. Again in the "B" Division, Darrell Peterson took his good share of ribbons with a 2nd in 100 freestyle, 3rd in 50 freestyle and 5th in 50 butterfly. David Swann placed 4th in 100 backstroke.

In the "C" Division, Janet Costar snatched 3 ribbons with a first in 50 backstroke, 4th in 100 freestyle and 6th in 50 freestyle. Donna Acheson came in third in 100 backstroke and Geral Wiezenbach 5th in 50 backstroke.

The meet schedule is a busy one for the next month, so look for more results from this fine group of swimmer.

BLACKBURN HAMLET BADMINTON CLUB

The 1973-74 season promises to be both busy and interesting for members of the Blackburn Hamlet Badminton Club.

Two friendly tournaments are planned, one at the end of November and another in February. We encourage all our members to participate. The competition will be a pot luck partner choice between members of our own club, and there will be prizes. Hopefully, these will prove to be really fun evenings.

Two of our members, Charlie and Barb Barber, took part in the Ottawa Badminton Association's Jamboree, on Saturday the 3rd of November. Charlie won four out of five games, and Barb won four out of six games. They played mixed doubles against very good competition, so congratulations to you both.

Badminton is a great way to keep fit over the winter months, and as we use two local schools you don't have to worry about winter driving.

The turnout of members continues to warrant the use of the two schools, Glen Ogilvie and Emily Carr, but there is still room for more, especially at Emily Carr. The fee is \$3.00 per person, so if you wish to join, contact either:

Ed Hunt - President - 824-4227
or Kevin Mannion - Secretary-Treasurer - 824-3931

or come out and visit the club one evening.

Judging from the happy faces of the children at the Nursery School, all is running smoothly! We have just a few items to mention this month.

1. If you are interested in supply teaching for the Nursery School, please call SHIRLEY LEVITT at 824-7474.
2. We still have some great cook books on hand. If you would like to try some new gourmet treats, call ELSEBEE ORTOLANI at 824-4649.
3. With winter approaching, the Nursery School is preparing to sell hot chocolate again this year at the NCC toboggan hill - Sunday afternoons. Hope to see you there towards the end of December.
4. The school could use some more dress-up clothes. If you have some old clothes that would help a 3 or 4 year old pretend to be someone else, please deliver them to JEAN COPELAND at 22 Northpark.

SATURDAY MOVIES IN DECEMBER

Please note new regulations regarding the film showings:

1. Food and drink will not be allowed into the school.

Bill Bain is on his own.

Since the beginning of Blackburn Hamlet I have served the community as a real estate agent in various capacities. These years have helped me understand you, who have chosen to make your home here.

As a resident, and a professional realtor, I can best devote myself to the needs of the community by being on my own. I thank many friends for their kind encouragement in this new venture.

LE BABILLARD DE L'A.P.I. STE-MARIE

Par Pierrette Bergeron

1 - ASSEMBLEE GENERALE

Plus de 100 personnes ont participé à la première assemblée générale de l'A.P.I. Ste-Marie pour 1973-74 qui eut lieu le 17 octobre.

On procéda à l'élection du nouveau Comité-Exécutif soit:-

- M. Fernand Morissette - Président
- M. Bernard Fournier - Premier Vice-Président
- M. Marcel Campeau - Vice-Président - Loisirs
- Mme Jacqueline McGuinty - Vice-Présidente - Education
- M. Gilles Courtemanche - Vice-Président - Publicité
- Mme Raymonde Wolfe - Trésorière
- M. Gérard Veilleux - Secrétaire
- Mme Pierrette Bergeron - Conseillère responsable du "Babillard"

Les membres ex-officio sont:-

- M. L'Abbé François Carrière - Curé de St-Claude.
- M. Rosaire Maurice - Directeur de l'Ecole Ste-Marie

Les représentants du personnel enseignant sont:-

- Mme Lucie Gauthier
- Mme Hélène Polomark.

M. Fernand Morissette présenta, au nom du nouveau Comité-Exécutif, une lettre de remerciements au Président sortant, M. Pierre Bergeron. Une lettre semblable fut aussi envoyée à tous les autres membres sortants.

Après nous avoir présenté son personnel enseignant, Monsieur Maurice répondit à bon nombre de questions qui avaient été soumises à l'avance par les parents. Des explications furent données au sujet du mode de classement des élèves, des classes combinées, des manuels scolaires, des costumes de gymnastique et finalement du transport scolaire.

Monsieur Maurice nous annonça que pour répondre à la demande du Conseil Exécutif de l'A.P.I., chaque titulaire présentera, au début de novembre, son programme de mathématiques aux parents.

Il a été suggéré d'organiser au cours de l'année quelques réunions pour discussion, sous forme de panel, de sujets tels que le bien-fondé des compétitions extra-murales, le danger d'accentuation des stéréotypes pour chaque sexe dans notre système scolaire, etc.

La soirée se termina par un court métrage intitulé "Le Comportement de l'Enfant, c'est Vous" suivi d'une rencontre avec les professeurs.

2 - Profil du mois

Issue d'une famille de 5 enfants, Mme Monique Raymond-Marion, née le 22 février 1952, est titulaire de la première année.

Elle fit ses études primaires et secondaires à Embrun. Elle suivit le cours de Formation des Enseignants de 1968 à 1970. Après avoir terminé son Ecole Normale Madame Marion a poursuivi plusieurs cours, à savoir:-

- Été 1970 - Méthodes primaires I - Faculté Education.
- Hiver 71-72 - Education physique I - Faculté Education.
- Été 1972 - Education spéciale ; Enfance exceptionnelle.

LE BABILLARD (suite)

Hiver 1972-73 - Histoire lère - Faculté Arts.

Été 1973 - Education physique II - Faculté Education.

Madame Marion débuta dans l'enseignement à l'école Ste-Marie en septembre 1970.

Elle fit un stage de 2 ans à l'école Ste-Thérèse d'Avila, Marionville, Ontario, et elle est maintenant de retour à l'école Ste-Marie comme titulaire de lère année.

Elle est mariée à M. Claude Marion de Niagara-on-the-Lake, Ontario. Ils demeurent à Embrun avec leurs 2 enfants, Christine 2 ans et Sylvain 5 mois. Madame Marion a plusieurs passe-temps: elle est secrétaire au garage de son mari; elle aime jardiner, lire et coudre. Elle est de plus très intéressée dans les sports; elle fait partie d'une équipe de quilles et aime patiner le samedi après-midi.

3 - Tournoi de ballon-captif.

Un tournoi inter-scolaire de ballon-captif avait lieu récemment à l'école intermédiaire Léo D. Côté, d'Orléans. Ont participé à cette compétition, les sportifs juniors des différentes écoles françaises du Conseil des Ecoles Catholiques Romaines de Carleton.

L'école Sainte-Marie était représentée par deux équipes, une de filles et une de garçons. Les candidats étaient:-

Julie Arsenault
Carole Brazeau
Caroline Coderre
Lisa Corbie
Lisa DeSchryver
Denise Fauteux
Teresa Godin
Carole Goulet
Anne Lavallée
Linda Lavigne
Valérie Legault
Martha Nelson
Carole Robichaud
Josée-Anne Roy
Lisa Stewart

Daniel Albert
Bernard Brault
Eric Coderre
Marc Cyr
Marc Desroches
Jean-Eric Dupuis
Paul Fontaine
André Gravelle
Michel Lafontaine
Daniel Mondor
Denis Morin
André Philippe
Paul Robinson
Guy Tessier

La journée s'avéra un vrai succès pour nos filles qui remportaient le premier prix, soit un joli trophée. En plus, les responsables de l'école amenaient nos jeunes au restaurant pour la traite habituelle, courtoisie de notre A.P.I.

Nous leur offrons nos plus sincères félicitations ainsi que des remerciements très mérités à nos trois entraîneurs Mme Diane Mausser et Messieurs Gérard Bériault et Richard Desjardins.

En ce qui a trait aux compétitions, nous aimerions souligner que nos jeunes portaient un costume tout à fait enviable. L'achat de ces costumes: courtoisie de notre A.P.I.

4 - Foire du Livre Français

Endroit - gymnase Ecole Ste-Marie.

Quand - le 5 décembre à l'occasion de la rencontre parents-professeurs pour le retour des bulletins.

LE BABILLARD (suite)

Contenu de la Foire

A) Livres Français pour enfants: âge pré-scolaire à la 6e année.

Sujets: Histoire, Encyclopédie, Biographie et Contes.

B) Disques Français

Distribution: Rondes et contes.

Chansonnettes: Classiques et Populaires.

Nous vous encourageons à participer à cette foire où vous aurez l'occasion de compléter vos achats de Noël et de trouver des livres et des disques qui ne se vendent que dans certains magasins spécialisés ici à Ottawa.

5 - Premier Bulletin - année scolaire 73-74

Le premier bulletin pour l'année scolaire sera remis aux élèves le 3 décembre prochain. Les parents seront invités à le rapporter à l'école le 5 décembre au cours de l'après-midi et de la soirée.

6 - Cartes de membres

Nous voulons rappeler à ceux qui ne l'ont pas encore fait qu'il n'est pas trop tard pour nous faire parvenir votre cotisation de \$1.00 pour l'année 1973-74. Cette cotisation constitue une des sources de revenu pour financer les activités de votre A.P.I. qui, comme vous le savez sans doute, sont axées vers l'éducation intellectuelle, morale et physique de vos enfants.

Brownies & Guides

CLAIRE GRAHAM
824-3179

On October 27th the 170th Company invited the 186th and the 23rd companies to take part in a half day hike and cook out at Munro's farm. Thanks to Mr. G.D. Munro it was possible to build their campfires on his land. Everyone had a great time and enjoyed cooking outdoors.

The 23rd Company entertained the 186th and the 170th Company at a Halloween party, Monday October 29th. Many thanks to Karen Henry (and her patrol), Carol Brandreth, Shauna Diepoed and Diana Alerden for organizing the evening. It was fun for all.

As Nov 12th is a school holiday, all the Guides and Brownies are invited to a skating party at the Earl Armstrong Arena from 2-3 pm.

BULLETIN

For over one year I have been asking for volunteers to be a District Commissioner

for Guides & Brownies in Blackburn. At the present time we are operating without a commissioner. Unless someone is found very soon, the Girl Guides of Canada can officially close the district and have threatened to do so until a commissioner is found. This will mean Brownies, Guides and Rangers will not meet until someone fills this position. I sincerely hope that someone will volunteer.

Our Guides are trying very hard under the present circumstances but it means that each is carrying extra burdens. This could eventually evolve in a breakdown of co-ordination and administration which will be to the detriment of each Guide, Brownie and Ranger in our area. Please, please help us to continue the high standard of Guiding in your district. Please be a volunteer.

FURTHER PROJECTS

Aside from ansering personal drop-in or telephone enquiries, the Centre is involved in assisting various groups to become organized and active in this community.

Plans for the future include:

- a local branch of a consumers group (as mentioned)
- completing a history of the Township
- completing a housing study (registry of accomodation)
- compiling information including candidates for the Private-Home day care program shortly to be introduced by the Gloucester Committee on Young Children
- producing our third (bi-lingual) revised edition of the Township Information booklet.

Many of these projects will be undertaken by groups or individuals from the home-base, rather than our office. If you wish to participate in any of these or others, please call the co-ordinator at 745-5626.

NEW SEASON

I hope you have all of your summer gear tucked away for another year. Yes, it was a beautiful summer and, as usual, a glorious eastern fall. Now - onto the fun and frenzy of the Christmas season.

When you think of it, we in Blackburn Hamlet have a lot going for us around this time of year. We have a chance to experience winter in its most enjoyable forms - snow-capped trees, glistening greenbelts and farmlands around us, and even a toboggan hill for all to enjoy at our back door. Soon we'll be treated to colorful displays of Christmas lights throughout the Hamlet.

All in all, it's a great place, and a great time to be living.

JOHN TURNER

A small but lively community association meeting, October 30th featured Hon. John Turner, Minister of Finance and Member of Parliament for Ottawa-Carleton. Mr. Turner defended the government's policy on cost of living, pointing out the world-wide food shortage as the primary cause of problems at home. He also congratulated the community association for its role in stimulating citizen

involvement in the political life of the community. Mr. Turner skillfully handled questions from the audience on a wide variety of local, national and international issues.

Mr. Turner - Thank you for coming.

Madame Editor-

This is just a letter to thank those delightful few who joined the many workers and organizer attempting to make the Monte Carlo Night the smashing success "it should have been".

Special thanks to our gorgeous floating barmaids, our handsome barmen, croupiers and dealers. And those who worked on the sidelines at the organizing duties so necessary to make such a venture successful.

After all this, it was less than successful. We did not have our essential element - YOU. "Where were you when we needed you".

We (the association) lost money on Monte Carlo Night, and we are presently doing the same at our Bingo games. These are ventures, you, the people of the Community have continually asked for - but again - "Where are y'all".

We might point out that the money lost on these occasions is your money - why not put it to a positive use - come out for a pleasant and rewarding evening with your neighbours.

Community activities need Community support! Without your support, all Ways and Means activities may have to be suspended. If these are not the activities you enjoy, perhaps some of you could suggest fund raising activities which would bring supporters out in large numbers - for dollars - for great fun!!

Yours in future fun & funds (we hope)
BESS & VIV

Dear Fellow Homeowner-

There are a number of ways you can cut fuel consumption in your home. If you have not already done so, do as many of the following as you can-

1. Add insulation to your attic, 2 1/2" fiberglass batts is perhaps the cheapest way, laid on top of the existing ones with paper back up. (Cost approx. \$60. for 1000 sq. ft.
2. Tighten your windows. If the existing hardware does not take the rattle out of your windows, small pieces of rubber wedged between the glass and the frame will.
3. Glue 1" polystyrene foam around the upper 3 ft. of your basement wall (if it is unfinished) and stuff fiberglass along the sill at the top of your basement wall. Your basement should remain warm enough with the heat ducts into the basement blocked.
4. Reduce your furnace nozzle to 0.85 or 0.75 U.S. gal/hour to minimize loss up the stack and to better utilize the rather poor heat exchangers in our furnaces more efficiently. Cut the air flow back to the point where the flame begins to smoke slightly, then adjust it for an extra increment of air.
5. Check and replace worn weatherstripping around your doors, and install storm doors.

These are just some of the things we can do to save fuel, and to put money in our pockets besides. The above improvements will pay for themselves in less than two seasons. It should be possible to comfortably heat an 1800 sq. ft., two storey house such as we have in Blackburn on 600 to 650 gallons of oil in an average 12 month period. Many houses of this size are burning considerably more than this. Check your consumption and compare. (The approximate mid-point of our heating season is January 20th).

Good Luck,
R.R. REAL
