DOES ANYBODY REALLY CARE?

Last year at this time the Blackburn Youth Committee (BYC) was an active group providing and managing a social outlet for the youth of this community. Disco's were a regular weekly event and the Youth Activities Chairperson, an executive member of the BCA, was happy to report their success.

This year the BYC is folding. Disco's stopped happening earlier this year and the BYC executive are resigning. Why? The reasons are manifold - yet straightforward. Trust, guidance, information, support - these aspects can make or break a group such as the BYC.

The youth of this community need a social outlet. They need the assistance and support of the adult community to make it happen. Presently there is no Youth Activities Chairperson. This person in the past helped the BYC to get the Disco's started and helped to keep them going. They stopped - but they can be started once again.

Is there any concerned individual or group in Blackburn Hamlet willing to take on this type of responsibility? What about the religious community? Is there someone willing to come forward - or, does anybody really care?

Felix S.E. Commeau,
President.

THE FAITHFUL FEW

When the meetin's called to order,
And you look around the room
You're sure to see some faces
That from out the shadows loom.
They are always at the meeting
And they'll stay until it's through.
The ones that I would mention
Are the always faithful few.

They fill the many offices
And are always on the spot,
No matter what the weather,
Though it may be awfully hot.
It may be dark and rainy
But they are tried and true,
The ones that you rely on
Are the always faithful few.

There are lots of worthy members
Who will come when in the mood;
When everything's convenient
They can do a little good.
They're a factor in the meeting
And are necessary too,
But the ones who never fail us
Are the always faithful few.

If it were not for these faithful
Whose shoulders at the wheel
Keep the institution moving
Without a halt or reel,
What would be the fate of meetings
Where we claim so much to do?
They surely would be failures
If we lacked the faithful few.

4. BCA EXECUTIVE MEETING

Minutes of an executive meeting held June 14, 1977 at the Recreation Center in Orient Park.

All members of the executive were in attendance, with the exception of Terry Goldberger, John Fargey, Mike Roche and Joan Trusdale.

Minutes of the May 10, 1977 Executive meeting were read. It was moved by Jack Smith and seconded by Mel Stewart that the minutes of the meeting be approved. Carried.

Business Arising from the Minutes

Felix Comeau pointed out the various items in the minutes which the old Executive recommended to which the new should address themselves and suggested a summer meeting to begin dealing with these items.

Election of Officers

It was moved by Chuck Mindach and seconded by Heather Umelas that JoAnne Cottingham be named Recording Secretary for the year. Carried.

President Comeau introduced the new Executive.

It was moved by Heather Umelas, seconded by Jack Smith that Lois Kemp be named the next Fun Fair chairperson. Carried unanimously.

REPORTS

Auditor's Report

Larry Zinnman introduced Rick Shield, the auditor from Clarkson, Gordon. The auditor feels our internal control of the finances as it is set up now is much better. He made mention that they can only do a test comparison of recorded receipts against bank deposits for membership fees, committee revenues and Fun Fair revenues.

It was moved by Jack Smith, seconded by Eldon Kemp that the Auditor's Report be accepted as presented. Carried.

Larry Zinnman suggested that the general membership should approve these statements, and requested also the statements will be printed in the September Banar.

It was moved by Jack Smith, seconded by Al Haggerty that Larry Zinnman be thanked for all his work. Carried.

Treasurer's Report

Mel Stewart presented the Financial Statement as of May 25, 1977. There will be a new entry in the Bookkeeper's book "Unknown" Deposits.

It was moved by George Bushell, seconded by Rollie Lapointe that the Treasurer's Statement be adopted as amended, changing \$100.00 from 2nd Vice President to 1st Vice President. Carried.

1st Vice-President's Report

Peter Sheehan advised everything ready for incorporating if the lawyer has the changes of names of the Executive by the night following this meeting, and the papers will be ready within a week.

Concerning the insurance premium, Peter had been in contact with Les Mandigo and was informed the premium is higher because our inventory of \$55,000 is located in several places so Peter suggested storage in only one or two locations. This premium is based on a \$5,000 replacement value on each of our buildings. Peter also informed the meeting that executive members are covered by insurance if their own cars are used for community business.

The liability insurance is to be looked into by the 1st Vice President, Al Haggerty.

Civic Affairs Report

George Bushell reported on a Gloucester Township meeting he attended regarding the present council membership expansion from 5 to 7, deferring ward system until the Fall.

Regarding the GCRCC position vacated by Art Szabo, he reported that township council received our recommendation and will be making an appointment very soon.

Civic Affairs Chairman requested township council to ensure that chip wagons operate within the laws and that the township consider the whole issue of these transient seller of goods.

It was reported that the Reeve has promised that the Bearbrook Road extension to the Arena would be completed this year.

It was moved by George Bushell, seconded by Jack Smith, that a working committee of three be formed to prepare recommendations regarding the distribution of the Wintario grant of \$87,000, membership on the committee to be George Bushell, Jack Smith and Heather Umelas. Carried. This committee will be recommending and presenting our position to the BHRCC.

Maintenance

Eldon Kemp advised that he will have to reshingle the shacks with asphalt shingles at a cost of approximately \$1,000 which will come out of his budget.

Sports

Barry Mehr informed that once again there is a real problem with ice allocation time. It was moved by Barry Mehr, seconded by Al Haggerty, that the President of the BCA write Reeve MacQuarrie stating the BCA demands Council action to alleviate the critical situation of ice time in Gloucester and that George Bushell, Civic Affairs, bring it up at the next Council meeting, following the sending of the letter. Discussion. Carried unanimously.

Barry Mehr presented his resignation as he will be leaving the community on July 15. It was moved by Barry Mehr and seconded by Chuck Mindach that John Fargey be presented to BCA as a replacement for Sports Co-ordinator. Carried.

Lorrie Saville thanked Barry on behalf of the Executive for a job very well done.

Education

Heather Umelas reported that all is going well and schools will be closing soon.

Special Projects

It was moved by Jack Smith, seconded by Eldon Kemp, that Joan Trusdale be approached by Felix Comeau and asked to take over the Tuck Shop, and conditional upon her acceptance, that she be given authority to sign for all items pertaining to Tuck Shop operation pending the appointment of a Special Projects Co-ordinator. Carried.

Lorrie Saville advised that the monies from the fertilizer sales will be transferred to the General Account.

Transportation

George Bushel stated that he had given the files pertaining to Transportation to Mike Roche.

Fun Fair

The preliminary Fun Fair financial report was presented by Felix Comeau. Moved by Lois Kemp, seconded by Rollie Lapointe, that the following recommendation regarding the allocation of proceeds from Fun Fair '77 be considered:

1. To pay that portion necessary to qualify for a Wintario grant to purchase a marquee tent. This tent would be put at the disposal of Group Committee on the condition that all future Fun Fairs have free use of it.
2. To use the remainder of the funds to develop new neighbourhood parks in Blackburn. Carried.

Lois Kemp is considering doing Fun Fair '78 providing the emphasis is not on money. She would set a goal of \$5,000 and contact various groups in the community to participate. It was agreed that the budget for next year be adjusted accordingly.

New Business

Lorrie Saville advised that the profits from Bestline are no longer going to BCA. However, Rosemary Shanks is still selling the product and Lorrie suggested this be reported in the September Banar.

Chuck Mindach moved, seconded by Heather Umelas, that the meeting be adjourned.

7.

Minutes of Executive Meeting Held on September 6, 1977.

The first meeting of the new executive was held with everyone in attendance with the exception of the Past President, Publicity and Adult Activities co-ordinators.

Minutes of the June meeting were circulated. It was moved by Eldon Kemp, seconded by Al Haggerty that the minutes be adopted. Carried.

Correspondence

1. Letter from Pierre Barbeau, Recreation Co-ordinator of Community Programmes, Township of Gloucester, outlining seminars for volunteers to be held this Fall. (Heather Umelas will give this publicity.)
2. Letter from Kenneth G. Davies concerning canteen duties and management. (John Fargey checking this).
3. Letter from Township of Gloucester acknowledging the appointments of Felix Comeau and John Fargey to the G.H.C.R.C.C.
4. Letter from Merrill Cutts, Deputy Clerk, Township of Gloucester, advising the new GCRCC appointments.
5. Statement from Township of Gloucester concerning printing services.
6. Letter from Greenbelt Riding School requesting a donation. (Al Haggerty investigating).
7. Letter from Mr. Lloyd Stanford, Chairman, Community Police Committee of Gloucester requesting a member of our committee attend their regular monthly meetings. (Al Haggerty will attend first meeting).
8. Letter from Pierre Barbeau, Parks & Recreation Department, giving notice of a meeting on budgeting for community associations. (Felix Comeau and Mel Stewart attended).
9. Letter from Gloucester Parks & Recreation Department concerning our response to Ontario Sportplan Report of July, 1976. (John Fargey replying).
10. Letters from two Blackburn residents concerning lights and noise from the tennis courts. (John Fargey, Duncan Gray and Parks & Recreation will take action).
11. Letters of thanks received from Joan Trusdale and Heather Umelas.
12. Letter from Gloucester Township concerning insurance coverage under the township policy. (Al Haggerty to make sure our own policy is sufficient and does not overlap that of township).

It was moved by Colin Sangster, seconded by Mike Roche that John Fargey, Sports Co-ordinator, Lois Kemp, Fun Fair Co-ordinator, and JoAnne Cottingham, Recording Secretary, be ratified at the next General BCA meeting.

JoAnne Cottingham is to set up a filing system for all BCA items.

Incorporation - Al Haggerty to give a list of names of the Executive to the lawyer.

Disco Equipment & Candy Floss Machine - Heather Umelas will ask Mr. Stan Clark to check the disco equipment, after which Heather will arrange storage for both the disco equipment and the candy floss machine.

Mel Stewart to check cash advance and sale of records by the Youth Activities.

Mike Roche and Chuck Mindach agreed to review the BCA constitution and report to this Executive in two months' time.

President Comeau informed the meeting that the Gloucester Police have recovered a number of automobile insignias and would like to return them to the owners. Anyone missing a model identification insignia should be at Glen Ogilvie School at 7:30 p.m. on September 27, 1977 where they will be displayed.

8. President Comeau asked that each co-ordinator present a brief written report at each executive meeting, covering their previous month's activities. These reports will be published in the Banar to keep the community informed.

Treasurer's Report

Mel Stewart presented the financial statement as of August 25, 1977. He asked that payment requests be dropped off at the bookkeeper's on Mondays and Tuesdays so that cheques will be issued before the weekend. It was moved by John Fargey, seconded by Al Haggerty that the financial statement be accepted. Carried.

Transportation

Mike Roche advised that Bus No. 25 is now going to Hull. Also, the express bus will be stopping on the ramp at Alta Vista enabling connections with the 83 to go north to Vanier or south to Confederation Heights.

Mike reported that the surveys taken on May 16 revealed sufficient activity for crosswalks on Innes Road (near Soupark) and Bearbrook Road (near Centrepark).

Civic Affairs

George Bushel reported Township's motion to appoint Evelyn Grover, Raymond Renaud and Andre Sarault to the Gloucester Community Recreation Committee.

Reporting on a working committee formed to prepare recommendations regarding the distribution of the Wintario grant of \$87,000. George stated that the committee met with the BHCRC, presented BCA's recommendations, and they will be discussed at the Ratepayers' meeting on September 15.

Ist Vice President

Al Haggerty reported the renewal of the insurance policy.

Sports Co-ordinator

John Fargey has been attempting to talk with all his sports convenors and asking them to give an inventory of equipment.

Education

Heather Umelas expressed an interest in working with the Transportation Co-ordinator on pedestrian crosswalks.

Maintenance

Eldon Kemp told of plans for a second ice rink in Bearbrook Park, but has no definite dollar figures as yet.

2nd Vice President

Colin Sangster reported school bookings have been going smoothly.

Membership

Chuck Mindach inquired about the BCA membership fee and it was unanimously agreed that the \$5.00 fee would remain the same for the third year running.

Fun Fair

Lois Kemp reported that the response and new ideas for Fun Fair have so far been tremendous.

It was moved by Heather Umelas, seconded by Colin Sangster that the meeting adjourn.

Next executive meeting will be Tuesday, October 4, 7:30 p.m. at Glen Ogilvie School.

Township appears to have finally reached an agreement with the landowners south of Innes Road that will allow Glen Park Drive to be extended to meet Bearbrook Road at Innes Road. Road construction is now scheduled to begin in late September. Perhaps work will be underway by the time you receive this Banar!! The arena parking lot will be partially paved at the same time.

Shopping Centre construction is still planned to begin this fall after Township starts the road. Fire regulations require two entrances; in this case, one on Innes Road and one on the Glen Park Drive extension. However, completion of the shopping centre will most likely be delayed beyond the year-end.

A recent meeting of Township Council appointed three new members to the Gloucester Recreation Centres Committee (GRCC). One of these was Ev Grover from Blackburn Hamlet and the past 2nd Vice President of the Blackburn Community Association.

If you have any items or questions that you want brought to the attention of our Township council, Planning Board, Regional Government, N.C.C., or other civic body, don't hesitate to give me a call.

George Bushell
Civic Affairs Chairman

824-6524

Bytown Players

Starting in September a workshop on masks and make-up will be held, one or two nights a week for 10 weeks. During this time participants will learn techniques and build masks. This will be followed by a workshop production using the completed masks. In January rehearsals start for a production of Jean Anouilh's haunting play, "The Waltz of the Toreadors" to be presented in April. Following the major production several workshop productions of one-act plays are planned with a view to presenting a one-act festival at the end of the season. New members are very welcome; no experience necessary. Our membership is city-wide and only costs \$10.00.

Blackburn Hamlet PRE-SCHOOL

LOCATION: East end of Blackburn Arena.

CO-DIRECTORS: Morning - Lynn Coyles

Afternoon - Ieneke Jansen

TEACHERS: Morning - Phyllis Frost

- Helena Olorenshaw

Afternoon - Peggy Dean

- Rosemary Newman

This is a Co-operative Nursery School run and supported by the parent body. Each member family shares the responsibility of duty days (approximately once every 6 to 8 weeks). In addition, every family will help in the maintenance of the school and serve on one other committee.

At the present time, the school is fully enrolled, with a waiting list for each session. Parents interested in having their child's name added to this list should contact the Registrar, Mrs. Lorna Stoddart - 824-4728.

Children must be 3 years old as of December 31, 1977 in order to be enrolled in the 2 or 3 half-day program. Children must be 4 years of age as of December 31, 1977 in order to be enrolled in the 5 half-day program.

The fee schedule for 1977-78 is as follows:

2 half days - \$21.00 a month

3 half days - \$31.50 a month

5 half days - \$52.50 a month

On Saturday, October 15th, a sale of pre-school and primary winter outdoor clothing and play equipment (including skates) will be held at the nursery school between 10:00 a.m. and 2:00 p.m. Member families are asked to indicate size, price and their name on all articles, with 20% of sale price to be retained by the school. Articles may be left at the school after its opening in early October. This sale is open to the public. For further information, please contact Beverly Parsons at 824-5012.

UNICEF ONTARIO

You probably know all about UNICEF Christmas cards - those multilingual greetings featuring works of art by internationally known painters and photographers or drawn from the artistic heritage of mankind. But do you know that we also have a variety of stationery for year-round use?

As with our Christmas cards, the proceeds from the sale of this stationery are used to support the world-wide work of UNICEF in providing food, health care and education to children in over 100 countries.

This stationery is on sale in the UNICEF-Ottawa-Carleton office, Room 144 in the Hunter Building, at the corner of Queen and O'Connor Streets, where we also have a sampling of UNICEF games, puzzles and song-books. The office is open every Thursday from 10:00 a.m. to 2:00 p.m.

II. Les Chansonniers de Blackburn Hamlet

Le 11 juin dernier LES CHANSONNIERS DE BLACKBURN HAMLET ont donné leur troisième concert annuel. Les choristes sous le direction de Gilles Julien ont reçu une réception enthousiaste des spectateurs. Le spectacle avait pour thème "La noce chez Jos Pichette". Ce thème étant inspiré d'une chanson de Félix Leclerc intitulée "La Valse à Joseph".

Plus de 500 personnes se sont rendues à l'école secondaire Garneau à Orléans pour assister à cet événement. Les Chansonniers, en constante évolution, avaient cette année en plus d'un costume et de décors originaux, mis au point des jeux de lumières synchronisés, des mouvements de scène et une chorégraphie.

La foule s'est laissée entraîner volontiers dans l'atmosphère de fête que l'on avait créée et la chaleur communicative des Chansonniers s'est manifestée dans l'ardeur des applaudissements et par la participation des spectateurs à plusieurs chansons.

Le tout s'est terminé par une danse et un buffet froid ou spectateurs et interprètes

se sont fondus en un seul groupe animé et joyeux. Le spectacle fût un franc succès grâce au travail de tous les choristes et d'une équipe d'amis qui ont participé gracieusement à l'élaboration du spectacle. Les Chansonniers s'appête à entreprendre une nouvelle saison qui promet d'être très active et remplie d'imprévus. Une chose est certaine cependant, juin 1978 nous réserve un autre concert enlevé.

AUDITORS' REPORT

To the Members of the
Blackburn Community Association:

We have examined the combined balance sheet of the Blackburn Community Association as at December 31, 1976 and the statement of general fund revenue, expenditure and accumulated net revenue and Bearbrook Park revenue, expenditure and accumulated net revenue for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances except as explained in the following paragraph.

In common with many non-profit organizations, the Association reports amounts for membership fees, committee revenues and fun fair revenues which are not susceptible of complete verification by audit procedures. Accordingly, our verification of revenue from these sources was limited to a test comparison of recorded receipts against bank deposits.

In our opinion, except for any adjustments to revenues that might have been required had revenues been susceptible of complete audit verification, the accompanying financial statements present fairly the financial position of the Association as at December 31, 1976, and the results of its operations for the year then ended in accordance with accounting principles generally accepted for Ontario municipal organizations applied on a basis consistent with that of the preceding year.

Clarkson, Gordon & Co.

Ottawa, Canada,
April 4, 1977.

BLACKBURN HAMLET

THE PLACE WHERE YOU LIVE

During each summer Blackburn Hamlet, like many other communities lose some families who move away and gain others who come from various parts of Canada and beyond. We hope this article will be of some value to those families who have just joined us and perhaps even to some others who have been here a while.

Almost anyone who has lived in our community for more than a very short period of time will tell you it has a lot going for it. It is distinctly residential but yet within easy commuting distance of downtown Ottawa. There is plenty of opportunity for indoor and outdoor physical activity, organized or otherwise and community efforts are as well organized here as anywhere one can think of.

Why does BLACKBURN HAMLET have many services and activities? The answer to this is, in many cases, thanks to the Blackburn Community Association. This organization is run by and for the community and has in the past been a great influence in the development of services and facilities. It was through effort by the association, for example, the community first obtained a bus service, the speed limit was lowered on Innes Road, a stop light was installed at the corner of Bearbrook & Innes. The Association is made up of residents who choose an executive, all of whom give their time on a volunteer basis. It is through the Blackburn Community Association that the BANAR is published each month from September through June. For the names of the association executive and

committee directors, please refer to Page 2 of the BANAR. The B.C.A. is also the core of our very active recreation program. It is thanks to the B.C.A. and the Blackburn Hamlet Community Recreation Centres Committee and their influence on other bodies that we have tennis courts, swimming pool, ball diamonds, soccer fields, playgrounds and the arena.

Sometimes the role of our B.C.A. and the Blackburn Hamlet Community Recreation Centres Committee are confused. Generally speaking, the B.C.A. is "program" oriented as compared to a "facility" orientation for Centres Committee.

While the B.C.A. is strictly a community organization, the latter is a committee which works as a "buffer" so to speak between our citizens and the Parks & Recreation Department of the Township. Its role is to identify needs, consider improvements and make recommendations to the township department. The Chairman of this committee is Randy Dudding.

Who belongs to Blackburn Community Association? The answer is - over 80% of the families living in our community. Each fall a membership committee is organized and a call is made at each home to provide, at a reasonable cost, a membership card for the following year and to explain the benefits and privileges that accrue from belonging. Membership cards for 1977 can be obtained from the Membership Chairman listed on Page 2.

17.

One does not live in the community very long before realizing just how many activities are available for participation. Elsewhere in the BANAR you will find some information concerning sports activities available on an organized basis but there are some other very important functions that are carried out under the auspices of our B.C.A. For example, the Fun Fair is held at the beginning of each summer. This is a community effort to raise money for the development and improvement of various facilities. During the summer a day camp is conducted from Glen Ogilvie School for children ages 5 - 12. In the early fall a skate and ski exchange is held where residents are encouraged to offer surplus sporting equipment and purchase replacements at a reasonable price. Several adult dances are held each year which are well attended and enjoyed. In the early spring a fertilizer sale is organized as another fund raising project. The B.C.A. also operates the canteen in Blackburn Arena and a separate article on this subject can be found elsewhere in the BANAR.

We would not want you to think that every service and facility is provided through the Community Association because such is not the case. There is a very active scouting program involving over 500 boys in programs from Beavers to Venturers. Registration was held on September 12th and the program for the year is underway. There is also a very active Girl

Guide Movement. Information can be obtained from Mrs. Sidney Swanson at 824-3714 or Jean Stymiest at 824-2462.

The Hamlet offers formal education from pre-school to Grade 8 with early and late French Immersion classes available. Both English and French highschoools are within easy busing distance. Schools come under the Carleton Public School Board, Carleton Roman Catholic School Board or Conseil des Ecoles Catholiques Romaines de Carleton. Some evening adult education classes are held locally but more are available at Gloucester High School. Conservatory Music classes are held at Blackburn Public School.

Roman Catholic masses are held at the Blackburn Catholic School in English and at Ecole Ste. Marie in French. Other churches are within easy driving distance with particulars being found on the inside back page of the BANAR.

There is a library on Innes Road above Kemper Realty, a post office in the Pinto store at the corner of Navan and Innes Roads

and a transport office at 2832 St. Joseph Boulevard in Orleans where your car license can be obtained. Garden plots behind the arena and on Anderson Road are rented from the National Capital Commission. With winter coming on, outdoor skating rinks will be found at Bearbrook Park, at Ecole Ste. Marie and at the Blackburn Public School. In addition to the local medical centre, others can be found in Orleans and on Shefford Rd. at Beacon Hill Medical Centre, off Montreal Road. The Children's Hospital of Eastern Ontario is only about five miles away at the corner of Smyth Road and Alta Vista Drive.

The Block Parent Program is active in Blackburn Hamlet. For information contact Elenor des Rosiers, 824-6832.

One of the really good things our community has going for it is a willingness on the part of adults to dig in and help with the various activities. Everyone knows, or at least they should, that things do not just happen; they are made to happen. So if the Blackburn Community Association and the various programs conducted in the community are to continue to flourish, they must be

supported by our residents. If you are a newcomer who has a particular interest and would like to become involved, please do not hesitate to identify yourself. There may be others in the community who for one reason or another have not previously been able to assist but now have the time and inclination. Remember the community is always in need of new volunteers to take up where others who have moved away left off.

A SPECIAL THANKS TO PHYLLIS
FROST FOR THE ARTICLE ABOVE.

SPORTS

People, especially the new residents of the community, often wonder who to contact if they have inquiries or questions about a particular sports program. The following information indicates the programs which are already organized within our community along with the convenor's name and telephone number.

Girl's Ringette	Cy Kemp	5669
Women's Ringette	Lois Kemp	1526
Boy's Hockey	Grant Tayler	8928
Men's Hockey	John Phillips	2314
Football	John Rowe	6665
Men's Softball	Dave MacIsaac	4185
Little League	Ron MacDonnell	8323
Girl's Softball	Stan Wilcox	7359
Girl's Competitive Softball	Ken Davies	5024
Women's Softball	Murray Russell	4990
Badminton	Bill Flude	4218
Basketball (boys & girls)	John Friend (will change)	6313
Tennis	Duncan Gray	7633
Soccer	Jim Barr	6045
LaCrosse	Bert Lambert	3156
Figure Skating	Rena Kay	2566

Little League Baseball

The baseball program is now complete with a very successful year by most people's standards. The Connie Mack team (ages 17 - 18) under the management of Pete Abels finished this season with a .500 average while the Mickey Mantle team (ages 15 & 16) under the management of Al Bartakovich were a little less successful but managed to complete the schedule in this their first year in the league. Both these teams are competitive, playing against teams from other areas of the city and Brockville. These teams require a fair degree of baseball knowledge and experience and we would be delighted to learn from anyone who is interested in assisting. If you can help in this regard, please identify yourself to John Fargey at 8102.

The Senior division of Little League (ages 13, 14 & 15) was won by the Lions, managed by Merrill Gusdal. The representative team in the Little League Tournament with Merrill as manager and Gerry Desroches as coach lost to a team from North Gloucester. The "A's" managed by Barry Mehr were Major A division

champions but lost the playoffs to the Pirates managed by Rob Mitchell. The representative team in the Little League tournament handled by Rob and Dale Frost were knocked out by a team from Canterbury. The Major B division was dominated by a team from Queenswood Village managed by Ron Fournier. The Minor division championship was taken by the Reds managed by Pat Murphy.

During the summer months several exhibition games were played on a pick-up basis and we are grateful for the time and effort contributed by several Little League managers including John Ironsides, Bill Zeeben, Mike Murphy and Dale Frost.

An interesting event for some of the Minor division players was a game played on August 13th for filming by Skyline Cablevision. The game was televised the following day and there is little doubt most participants were on hand to watch that one.

One evening in August a volunteer work party of 30/40 dads and sons improved the Bearbrook diamond by spreading 20 yards of topsoil in the outfield. It is great to see what can be achieved in a short time with many willing hands.

OUT OF CONDITION, BORED?

GET SOME USE OUT OF YOUR RECREATIONAL TAX \$? MEET SOME FUN PEOPLE?

SOMETHING NEW IN BLACKBURN

Every Tuesday morning from 9:00 - 10:00 a.m. at the Blackburn Arena there will be ladies recreational Ringette.

The only requirement is that you can skate the length of the Arena. (*How fast doesn't matter*)

The morning session will include basic skating skills, ringette skills, and a scrimmage where you will learn how to use these skills in a game and also learn the rules of the game.

You will not only gain something yourself but if you have a daughter playing you will have something in common to talk about. You will enjoy watching her games more and also understand when she misses the ring its not as easy as it looks.

Some of you who might like to coach a girl's team will gain enough confidence to volunteer your service. Remember a coach doesn't have to be able to do everything well as long as she knows what should be done. You can always have other people show how.

Season starts Tuesday, October 18, 9:00 a.m.,

EVENING SESSION - League Ringette

Alternating weeks - Wednesday, Blackburn 10:00 - 11:00 p.m.

Monday, Leitrim Arena 10:00 - 11:00 p.m.

Requirements:

Average skater (below average by some people's standards) but with a desire to learn - in other words there will be skating drills.

You don't have to know the game but you do need the desire to learn it. Ringette skills, positional play and rules.

Season starts Wednesday, Oct. 19,

EVERYONE PLAYS EQUALLY

Please register as soon as possible

PLACE

22' BLACKBURN COMPETITIVE GIRLS' FASTBALL

Another most successful season has come to an end with players from both teams having done admirably in representing Blackburn Hamlet. The Senior "A" team ended the Season in first place only to lose out in the playoffs in the 11th inning of a scheduled 7-inning game. The Senior "B" team comprised of many new players from the house league, lost out in the quarter finals.

The season would not have been successful without some assistance, and our thanks are extended to the following:

Beacon Hill Dairy Queen -
Mr. Clarence Lehr, Sponsor
Blackburn Community Association -
Barry Mehr, former Sports Chairman
John Farbey, Sports Chairman
Charlie Cameron, Pres., Girls House
League
Murray Russell, Pres., Ladies' Softball
Mr. Bill Kingsbury - Volunteer Umpire
Mr. Rod (Jr.) Langlois, Volunteer Umpire

Mrs. Denise Miller, Coach, Senior "B" Team
Mr. Sam Miller, Manager, Senior "B" Team
Mrs. Gunny Johnson, Asst. Coach, Senior "A"
Team
Mr. Sandy Williamson, Asst. Coach, Senior
"A" Team
Mrs. Barbara Davies, Scorekeeper

For the first time Blackburn played host to 22 teams from the Gloucester-Osgoode Girls' Fastball league for their playoffs on August 7th, 1977.

On Sunday, August 14th, the Blackburn Senior "A" team with a few players from Gloucester South took part in a tournament in Osgoode. Blackburn took home the "B" Championship Trophy and Pitcher Julie

Menard was awarded a trophy for star of the game.

Late in the season three girls were brought up from the house league to bolster Blackburn's competitive team. Lori Cavers, Lynn Northcote and Laura Rowe are to be congratulated for their fine performance.

Ken Davies,
Coach, Senior "A"

GLOUCESTER SOCCER ASSOCIATION

The 1977 soccer season has been very successful. Forty-three house league teams were fielded, of which 14 (215 players) represented the Hamlet. Another 49 players were rostered on the ten Township-wide representative teams that represented Gloucester throughout the Ottawa-Hull area.

Facilities-wise, 1977 was a very tight year. The six new pitches on Bearbrook Rd. opposite the quarry were not used until August 15 so as to allow the newly seeded grass to root. Goalposts were installed in August and all semi-final and final playoff games were scheduled for the new pitches on September 10. We are pleased to see the start of construction on four much needed additional pitches to the south of the new Bearbrook pitches. It is anticipated that these additional fields will be usable by the latter part of the 1978 season. Again we appeal to motorists to park their vehicles in the parking areas rather than blindly driving over the playing surfaces as some have been seen to do.

It was our aim to provide Hamlet youngsters with a program that promoted physical fitness, health and friendship and provide the opportunity to master the game of soccer,

23. The 1977 season would not have been the success it was without the assistance of the many coaches, managers, statisticians, field markers, executive members. etc. who put in many hours to furthering the fast-growing game of soccer.

Registration for the 1978 season will be held on November 5. Details will be included in the October BANAR and the November Gloucester Guide.

CANTEEN

The canteen in the Blackburn Hamlet Arena is operated by the Blackburn Community Association. Ken Davies acts as the canteen manager purchasing the stock, authorizing payment of the accounts and opening it for use each day. Staffing of the canteen is carried out by the moms and dads in the community with the help of some of our older teenagers. Practically anyone who has spent time working in the canteen will tell you it is not only easy but also a source of enjoyment and an opportunity to observe and encounter our young people on a casual basis. People who are asked to assist usually have one or more children involved in some organized sports program but anyone is welcome to participate. Revenue from the canteen goes into the Community Association bank account and the profit is used to help underwrite the cost of various activities. For example, registration fees collected for sports activities are usually less than programs cost the association. This project is one of the most lucrative we have. Profit from the canteen this year to the end of July amounted to \$6,200. Before very long, Cliff Swann and his helpers will be contacting families seeking their assistance for the coming season. When he calls, please think positive in terms of providing a few hours of your time.

Congratulations: to the members of the teams and their coaches that represented Blackburn in the Major and Minor Divisions of the Royal Canadian Legion Zone G-5 Tournament held August 20 and 21 at Alta Vista Diamonds. They had a lot of fun and played extremely well. The Major Division team were runners-up to the champions, Glebe, being edged out 5-4 in the final game.

A special vote of thanks to Ken McClatchie, Al Dauenton and Gil Strachan for the time they gave as umpires.

BLACKBURN LADIES' SOFTBALL

The Blackburn Ladies Softball League concluded their 3½-month season on August 24. Over 50 women, aged 21 and over, played an enthusiastic brand of softball every Wednesday night from May until August. The softball experience of these women ranges from very good to never having played before.

This 5-year old league consisted of four teams known by their sweater colours - Blue, Green, Orange and Red. This year's format consisted of a 12-game regular schedule and a 4-team sudden death play-off at the conclusion of the season. The Orange Team, coached by Len Bourdeau, proved to be the toughest team to beat during the summer as they easily dominated the regular league standings. However, the Red team upset Orange in a high-scoring slugfest to win the league's play-off trophy.

In addition to playing each other once a week, the women also played many games against similar teams from Beaconhill and Bayshore. Several of the teams also had husband-wife games, and while these matchups proved to be very popular, it was evident that the husbands are in serious need of good coaching.

Judging from the response I have received from the women all summer, I can safely

conclude that this year's league has been a great success. I sincerely hope that our ball players spread the word and bring in new participants next year.

Our coaches this year were Dale Smith - Blue Team; Len Bourdeau - Orange Team; George Anderson - Green Team and Murray Russell (that's me) - the Great Red Team. Several husbands and neighbours assisted the coaches and came out regularly to cheer on the teams. Ken McClatchie, John Rouse and Harold Beamish did yeoman service as umpires all year.

To all of the above, and to all the women I extend a great big "thank you".

Murray Russell: 824-4990

P.S. Registration next year is mid-March and will be announced in the BANAR.

24.

ADULT BADMINTON

The Badminton Club is open to all residents of the Blackburn area, eighteen years and over. The club will operate at the Glen Ogilvie School Gymnasium and will be starting play October 5.

NEW PROGRAM FOR CHILDREN WITH LEARNING DISABILITIES

The Gloucester Committee on Young Children, in co-operation with the Gloucester Recreation and Parks Department, is pleased to announce the introduction of a Bilingual Recreation Program for learning disabled children, which will begin this Fall at Gloucester High School, 2060 Ogilvie Road.

The program, for children ages 5 to 12, will operate in three sessions from September until June, on Saturday afternoons from 1:30 to 4:30 p.m. A maximum of 35 children will participate in gym activities, arts and crafts, and aquatics. Competent supervision will be provided at all times with a ratio of one volunteer supervisor to every 2 or 3 children.

Anyone seeking more information or wishing to offer their volunteer services is asked to call Mrs. Jennifer Ball at 836-2307 or Mrs. Dianne Kingston at 746-5291.

SQUARE DANCING IN BLACKBURN

A class for new dancers began Thursday, September 22nd, 1977 at Blackburn Public

School, Navan Rd. at Innes Rd. Although this class is underway, there is plenty of room for new members. For more information contact Harry and Lil Peterson at 749-3678. This is a wonderful way to meet new people and at the same time get much needed exercise.

TRANSPORTATION COMMITTEE

Public Transportation Developments

Significant changes have occurred in regional transportation patterns over the past few years. Increased demand has developed for public transport and considerable growth has taken place in the population of outlying areas. During the short space of four years OC Transpo has had to increase its fleet of full-sized buses by 350 - more than doubling the size of the fleet. There is every sign that the trend towards increased use of public transport will continue.

Blackburn Hamlet is being well served by present bus routes, thanks to past efforts, and further improvements are in sight. Express buses on route 26 have been going as far as Tunney's Pasture since the beginning of the year and route 25 has now been extended to Hull. Those travelling to Confederation Heights and Vanier will be pleased to know that an express bus stop will shortly be introduced on the Alta Vista-Queensway ramp with transfers north and south on route 83.

Rapid Transit Development Program

Regional rapid transit studies are well advanced and routes have been selected for further study. Priority is not being given to the Eastern Corridor at this time.

Rapid transit would require the use of light rail transit or buses along transitways constructed at ground level or slightly lower. Controversy can obviously arise concerning the routing of transitways and the environmental and other factors. A regional public participation program and workshop took place in June and a community advisory committee has been formed on which Blackburn Hamlet is being represented through its Transportation Committee.

Pedestrian Cross-Overs

Concern has existed for some time about the need for cross-walks on Innes Road and Bearbrook. George Bushell brought this concern to the attention of regional authorities and action now seems to be underway.

It has now been established that recent counts of pedestrian volume support the installation of cross-walks on Innes (just west of Southpark) and on Bearbrook in the proximity of the recreation park. Further counts are being awaited which may prove the need for a cross-over at the Navan-Innes intersection.

The Region advises that cross-walks will be equipped with pedestrian activated flashing amber beacons and will possibly be installed by the end of the year.

Innes Road Feasibility Study

A feasibility study is still scheduled for this fall and some preliminary surveys of traffic volumes were conducted during the summer. There will be strong community interest in any plans to widen Innes Road or create a southern by-pass. The Region has been reminded of this and asked to ensure that community representatives are invited to participate in the study from the beginning.

Gloucester Transportation Committee

A new Transportation Committee is being formed for Gloucester Township and the BCA has nominated Mike Roche as its representative. More on this in the next issue.

Comments and Suggestions

Your comments and suggestions are always very welcome.

Mike Roche
23 Westpark Drive
824-3871

By the time this issue of the BANAR reaches your home the Blackburn and District Lions Club will be well into its third year of serving the community of Blackburn Hamlet and the surrounding area.

The club meets every second and fourth Monday night for a dinner meeting at 7:00 p.m. at the Innes Park Community Centre. The purpose of the club is to perform needed community service and to help those in need

by raising money from the community at large and distributing it among others. All money taken from the community must go back to the community. All money necessary to administer the club is supplied by its members through dues, fines, raffles etc.

We are often asked to cite examples of our monetary contributions and our community service activities. In response to these requests the following is a partial list covering our past year of operation:

- donation of 8 large orange and black garbage cans to be distributed throughout Bearbrook Park and the Strip parks.
- Sponsorship of the Blackburn Hamlet Midget Valley hockey team.
- Sponsorship of Santa Claus visit to three Senior Citizens' homes.

- CONT'D -

28.

- Monetary donation to the Blackburn Hamlet Public Library to purchase new books.
- Monetary donation to a Gloucester resident to attend a Track and Field meet for handicapped athletes in Europe
- Purchase of 2 picnic tables for a local church parish.
- Monetary donation to a local senior citizens' home towards the establishment of a year-round social program.
- Monetary donation to the Blackburn Hamlet Boy Scouts towards expenses at 1977 World Jamboree at Prince Edward Island.
- Sales of balloons at 1977 Blackburn Hamlet Fun Fair. The tank of helium was supplied by the Lions Club and all proceeds were donated to the Blackburn Community Association.

Naturally, in order to be able to make these donations we must run various fund raising activities. We have two planned for the next couple of months. The first is the continuation of our sale of Lions Club Fahrenheit/Celcius thermometers. Please respond generously when a club member knocks on your door.

The second project is more important and is being staged for the dual purpose of raising some money and providing the citizens of the hamlet and surrounding area with an opportunity to renew acquaintances after Summer vacations, and to have some good old-fashioned fun.

I refer to our Bavaria night to be held on Friday, October 21, 1977 at the Emily Carr Middle School. Providing the dancing music will be the area's top Bavarian style band - Herbert Hannemann.

The Frank Nemeth Junior Dance Troupe will also be there to entertain you with traditional Bavarian Folk Dances during breaks in the music and a hot Bavarian Buffet will be served. More details on this project will be found elsewhere in this issue. Please attend and help us to help others. We guarantee you a good time.

The 1977-78 Executive of the Blackburn and District Lions Club is as follows:

- President - Jim McNeill
- Past President - Paul Chenier
- Vice-Presidents - Garth Durrell
- J.P. Gravelle
- Treasurer - Barry Roberts

- Secretary - Paul Levere
- Directors - Ed Gravelle
- Remi Lalonde
- Vince McSheffrey
- Bill Upper

We are always interested in service minded individuals to augment our membership. If interested, please contact one of the above listed individuals.

Thank you for your support in the past. We look forward to your continuing support in the future.

Jim McNeill,
President
824-5976

SPECIAL NOTICE

The Gloucester Police will be at Glen Oxlvie School, Tues., Sept. 27 at 7:30 to return any car decal insignia which may have been lost by some residents of Blackburn Hamlet. For further information call the Gloucester Police.

SPECIAL PROJECTS CHAIRPERSON NEEDED

The executive position which the responsibility of chairing fund-raising projects resides is vacant. The person holding this executive chair co-ordinates the various activities run in the Hamlet to provide services at the same time as raising funds. This person will not look after each individual project, but will simply liaise with the various volunteer convenors who are responsible for the individual.

It is vitally important that someone come forward to help out. The money raised provides grants to sports, social, recreational and special charitable activities which would otherwise be very difficult to run. Please donate some of your time to helping out your community. We will all be better for it!

September 13, 1977.

P.O. / C.P., 8333,
Ottawa, Ontario K1G 3V5

Fellow Volunteers:

This letter is a follow up to the announcement in the September Gloucester Guide of the Volunteer Seminars to be held in October and November.

To not interfere with families on the Thanksgiving weekend, the date of the 1st Seminar "Recruiting and Keeping Volunteers" has been changed to Saturday, Oct. 22, 9:30 a.m. (sharp) to 4:00 p.m., Gloucester High School.

Sarah Zeigler, Sheila Cooper and myself, under the guidance of Ann Erb from the Ontario Ministry of Culture and Recreation, are co-ordinating Seminar 1 "Recruiting and Keeping Volunteers" and Seminar 3 "Publicity and Public Relations".

A resource person will be doing a session on Leadership styles and how they affect recruiting and keeping volunteers. Why people are motivated to do volunteer work, understanding and accepting volunteers for the part they feel they can play, and ways of recruiting will also be covered. Seminar 3 will have resource people from the news media, the advertising field and hopefully a Public Relations person.

WHAT DO YOU BELIEVE?

Do you believe that a person will usually have to see a notice three times before it really registers?

Do you believe that the motivation to volunteer is self-fulfilment?

Do you believe that some volunteers lack understanding towards others who say no they haven't got time to help them?

Do you believe lack of appreciation is one of the biggest causes of losing volunteers?

These and many more questions will be asked and hopefully we will come up with some answers.

We are asking you to encourage your committee and other volunteers to take advantage of these seminars. Remember this is our opportunity to accept the help and appreciation that Gloucester Municipal Council and Staff are extending to us for our time and effort we have given to Gloucester Township in the past and hopefully in the future.

Enclosed you will find excerpts from the monthly letter of the Royal Bank of Canada, "The Volunteer in our Society", and a list of the seminars.

You can register just by sending your name, address, telephone number and the seminars you wish to attend to the Recreation Department, 1700 Blair Road, Attention: Pierre Barbeau. The co-ordinator will be in contact with further information a couple of weeks before the seminar.

All seminars will be held at the Gloucester High School, Ogilvie Road. See you there.

Yours in community work,

Lois Kemp.

The Volunteer in our Society

The following is excerpts from the "Royal Bank of Canada Monthly Letter".

Civilization apparently is of such a nature that the further we progress in it the more difficult we find it to live together.

We are beginning to think about how deficient life on earth would be if we allowed the mechanization of living to deprive us of the contacts we gain in voluntary association with our neighbours. Major-General Georges P. Vanier, Governor General of Canada from 1959 until his death in 1967, said to a Canadian Welfare Council conference of community leaders from across Canada early in 1962: "as our society grows ever more and more complicated and more personal, the need for voluntary work becomes daily greater, for it is essential that there be preserved a balance between complexity and conscience."

One does not need to have a romantically heightened view of giving oneself away, but only to remember that the contribution made by individuals and groups voluntarily is the real foundation of democratic society, and that it is one of the ways in which, in spite of mechanization and automation, we remain human.

"Society", as it is used in this *Letter*, is the kind of life we live in organized communities, where interests and purposes are common to all. A "social" person does not mean one who enjoys parties, but, as Dr. Samuel Johnson defined "social" in his dictionary of 1755: a person "fit for society."

Besides social, there are personal values in voluntary service. The volunteer enjoys the unique quality of experience that is his when he shares viewpoints and works with others in pursuit of both individual and common goals.

The "why" of working with others is not greatly important. The Talmudic principle is: "A man should perform a righteous deed, even if he does so only for ulterior motives, because he will thus learn to do the right for its own sake."

You may wish for a sense of accomplishment, for the adventure of something new, for a change of pace from the workaday world or for self-expression, or you may simply wish to belong. There is no better way to banish the blues or to counteract the stress of world crises than by engaging in thoughtful work with and for others. The end result is self-fulfilment, which is on a higher plane than self-interest.

There is no stereotyped way of being altruistic. Every person in a free society can help in his individual way to shape it; that is what sets him apart from those in a slave society. He has the opportunity to contribute ideas, opinions, interests and abilities.

It is through action that we become part of the setting around us and participate in the transaction of living. If we wish to develop into fully participating human beings we can do so by locating a social need and offering the help it is in our power to give. "According to one's power" was a favourite saying of Socrates, and it is a saying of great substance. Longfellow put it this way: "Give what you have. To someone, it may be better than you dare to think."

The self-sufficing ingrown person has no validity in modern civilization. It is fundamental in democracy that citizens do not have to agree, but they must take part. No one is solitary in his origin or solitary in his existence.

Just what sort of groups and social institutions will serve as the vehicles for our participation depends upon the cultural conditions involved in our life history and upon the opportunities we seize upon in our life environment. The person is wise who tries to act in a number of different capacities. The people whose names shine brightly in history were versatile, and the stories of their lives tell us how greatly they enjoyed living.

Voluntary work is the source of expansion of our lives. It is characteristic of human beings to seek to extend the range of the setting in which they can carry on their lives effectively.

Women are no longer completely home- and child-centred. They are finding scope for their innovative and creative urges in the community. They participate more fully in social service, where they develop their talents on an equal footing with men.

Whatever we possess in the way of skill, property and joy is enhanced, often without limit, by sharing it with others. Our richest experiences come when we are acting with other people to achieve some common goal. And survival itself depends upon our co-operation with other organisms like ourselves.

If the world seems tame and dull, candor compels us to confess that it is because we are so wrapped up in our own narrow interests that we resist it when other people try to take us into their lives. The instruction to the unhappy rich young man "sell whatsoever thou hast and give to the poor" was not directed toward the welfare of the poor but to the soul of the young man.

The high tide of civilization is heralded by the conscious and rational co-operation of individuals. Only as we shoulder our share of responsibility for planning, for goal-setting, and for working, do we learn the great satisfaction to be had out of directed constructive activity in a world which seems to be filled with chaotic mismanagement.

Men and women have within them truths to communicate, skills to contribute, songs to sing, which demand expression. When their contribution fills a need in someone's life, even for a fleeting minute, it adds to the world's happiness. We must major in the areas wherein we have special qualities, without forgetting the grace notes of understanding, sympathy and humour.

Whatever we do, we should be heartily in earnest in the doing of it. Then we shall find that we have released desirable impulses and qualities which have been repressed by the events of everyday life. One important feature about volunteering for a service is the sense it gives us of rebirth, of controlling our own destiny. This action is not something done of necessity, to earn a living or maintain a status, but something we choose to do as a gesture of free will, as our contribution to society.

Voluntary associations

In voluntary association we find one of the best means of education in the democratic way of life. The increasingly secularist and totalitarian trend of government and civilization warns us that we had better try to generate moral standards, standards of service, and standards of what is appropriate in the good citizen. This setting up of standards can only be done in co-operation with like-minded people.

Voluntary associations are those in which a person is free to participate or not, as he chooses. They are open to persons who share a common interest or purpose. They build their own policy and direct their own activities. They contribute toward the creation of an alert, concerned and responsible public. They may be for learning, teaching or serving.

The importance of voluntary societies in a democracy should need no emphasis in a generation which knows that their suppression is the first move of a dictatorship. They are sometimes discouraged in a democracy in the name of efficiency, but the weakness in this argument is the fact that all-state discharge of caretaking responsibility fails to grapple with the instincts of human nature in its higher forms.

Let us look at some of the functions performed by voluntary associations. A local society is composed of members who manifest their practical interest by contributions of time,

personal service and the raising of money. A member does not get his greatest satisfaction from paying dues or making donations.

Of special importance are the great functions of voluntary associations to experiment and to blaze trails which later may be followed up and perfected by the community and government; to stimulate, to check, to contribute a balance of social power; to co-operate with governmental efforts, to vitalize civic interests, to develop the whole field of community organization and institutional co-operation, and to build up an informed public opinion and guide it into effective channels.

These are not easy tasks. The kinds of challenges are more exacting than ever before, and the resources available are under increasing strain. The standard of the work to be done is higher than was demanded in a previous generation, and volunteers must be prepared to study and adopt new methods which are shown to be better than old methods.

A significant driving motive was voiced by Etienne de Grellet more than a century ago. He wrote:

I shall pass through this world but once. Any good therefore, that I can do, or any kindness that I can show to any human being, let me do it now. Let me not defer or neglect it, for I shall not pass this way again.

Seminars for Volunteers

Seminars for Volunteers were announced in the September Gloucester Guide.

Did you register?

NOTE: Date change of Seminar 1.

Seminar 1 - Recruiting and Keeping Volunteers -
Saturday, October 22, 9:30 a.m. sharp - 4:00 p.m.

Seminar 2 - Conducting Meetings
Wednesday, Oct. 12, 7:30 p.m. - 10:30 p.m.

Seminar 3 - Publicity and Public Relations,
Saturday, Oct. 29, 9:30 a.m. - 4:00 p.m.

Seminar 4 - Volunteer Training
Wednesday, Nov. 9, 7:30 p.m. - 10:30 p.m.

Seminar 5 - Techniques of Problem Solving in a Volunteer Organization

Saturday, Nov. 12, 9:30 a.m. - 4:30 p.m.

Seminar 6 - Incorporation Procedures for Volunteer Organizations

Wednesday, Nov. 23, 7:30 p.m. - 10:30 p.m.

Seminar 7 - Budgeting, Accounting and Bookkeeping in a Volunteer Organization

Wednesday, Nov. 30, 7:30 p.m. - 10:30 p.m.

All seminars are free and a complimentary lunch will be provided for the Saturday sessions.

Seminars will be held at the Gloucester High School, Ogilvie Road. To register, send your name, address and telephone number and seminars you wish to attend to the Gloucester Recreation Department, 1700 Blair Road, Ottawa - Attention: Pierre Barbeau.

Information Gloucester

741-0770

Gloucester Community Centre, Lower Level,
Beacon Hill North Shopping Centre, Ogilvie Rd.

Information Gloucester is undergoing a self appraisal at the present time. They feel that the majority of residents in Gloucester Township are not aware of their purpose or perhaps even their existence, and wish the BANAR to pass along some relevant information.

Information Gloucester is an organization run entirely by volunteers. The Centre is located in the Beacon Hill shopping centre and is staffed by 20 or 30 volunteers under the leadership of a 12-member Board of Directors. It had a budget in 1976 of \$6,000. made up of grants and donations from the township, the Ministry of Culture and Information and local community associations. They handled 7500 calls last year, answering questions on anything from the name of the local MP to the location of a good camping area.

Information Gloucester uses three methods to serve the residents of Gloucester Township. Most contacts with the public come through telephoned requests for information. They will attempt to answer any question you might have with a minimum referral to other agencies. Furthermore, they have a 24-hour telephone tape on which you may leave your question if noone is on duty.

Their second approach has been through a weekly television program entitled Information Gloucester. This program runs live for a half-hour at 6 p.m. each Monday on the community cablevision channel and is repeated each Thursday at 9:30 p.m. The program aims to keep people in Gloucester Township informed of coming events in their area. Besides this method of outreach, they also send monthly newsletters to each community publication in the

area.

The third area of involvement for Information Gloucester is relatively new and deals with immediate, individual social problems. In this regard they often help Gloucester residents seek legal or financial help in emergency situations.

This article is meant to increase your awareness of Information Gloucester. If you have any further questions, or need their services, please call them at 741-0770.

Information Gloucester is gearing up for another busy Fall. The Community Information and Referral Centre offers its services free to residents of Gloucester, providing information on all aspects of social, recreational and community services in the township. Other services offered include registries of day car givers, music teachers, babysitters and students looking for odd jobs. If you want information concerning leisure time activities, recreational groups, registration dates, location of facilities, etc., give us a call at 741-0770. If your organization is planning an activity, let us know so that we can let others know. Minutes of Council, Planning Board and G.C.R.C. meetings are kept at the Centre. Come in and browse through our free pamphlets and schedules.

We're in the Gloucester Community Centre, 2339 Ogilvie Road. Hours are Monday to Friday, 9:00 to 11:30 a.m. and 1:00 to 3:30 p.m.

The Children's Welcome Centre will re-open September 6th. This drop-in babysitting service for children 18 months and up is located in the Gloucester Community Centre. Hours of operation are 9:00 a.m. to noon and 1:00 to 4:00 p.m. The charge is \$1.00 per hour and space may be booked through Information Gloucester, 741-0770.

The Children's Welcome Centre and Information Gloucester will be holding a joint flea market at the Gloucester Community Centre on October 29th. All donations will be gratefully received as both organizations must raise money in the Community in order to operate.

There will be a fitness program offered in the Gloucester Community Centre beginning September 18th. Classes will be held at 9:15 a.m. and 10:00 a.m. on Monday, Wednesday and Friday for five weeks. Registration Sept. 15th from 9:30 to 11:30 a.m. in the Community Centre.

THE TM PROGRAM

Man Does Not Live By Stress Alone...
If you are wondering whether the above two letters (TM) stand for an international corporation manufacturing cars, electric bottles or colour televisions - stop wondering. None of that!

TM simply stands for Transcendental Meditation. The TM program is recognized as the most practical and effective means of dissolving and eliminating the stresses, strains and tensions that accompany modern life and promoting full development of the human potential. Dr. Hans Selye, noted world authority on stress, says that the "Transcendental Meditation technique so relaxes the human central nervous system that it can live with stress better, that it doesn't suffer from stress, without losing all its useful effects. The TM technique prepares the nervous system for all activity. TM produces a healthy, rested state of mind and body and stimulates creative intelligence".

It would probably be good to clear up any misconceptions you may have about what TM is and is not. The Transcendental Meditation technique is not a religion, philosophy, diet or "pretzel" pasture. It is not a technique of concentration and contemplation. No belief is necessary to learn TM or to experience the immediate benefits.

Total skeptics are as successful as anyone else. TM is easier to learn than to spell. What is TM then? The TM technique is a simple, natural, effortless mental technique practised for 20 minutes, twice a day, that allows the mind and body to gain a very deep and profound state of rest (deeper than deep sleep) coupled with heightened mental alertness.

In this deep state of restful alertness we naturally dissolve the deep rooted stresses and strains in the body and mind, rejuvenate our systems and experience a state of ease and order directly opposite to the

tension, anxiety and disorder of the stress response. The effects of this powerful experience are felt throughout the rest of the day.

Some landmark research done in 1970 by Dr. R.K. Wallace showed that within the first few minutes of practising TM, the metabolic rate (as measured by oxygen consumption) decreased to a state of rest twice as deep as sleep. When this research was published in Scientific American, it touched off a wave of interest in the TM program. Now more than 350 scientific research studies have been completed in universities around the world. These studies document the individual benefits: improved mental and physical health, decreased nervousness and anxiety, increased creativity and intelligence, faster reaction time, improved clarity of perception, more wide angle vision with increased ability to concentrate and focus sharply, improved resistance to illness, increased productivity and job performance, improved academic performance and increased learning ability, more fulfilling interpersonal relationships.

Social scientists have recently demonstrated that meditators improve the quality of life in their communities and cities. A study completed in 1975 compared 12 cities in the U.S. that had 1% of their population practising TM to 12 control cities that were matched for size, location, industries population density etc. Using the FBI crime statistics, it was found that the 1% cities had relative decrease in the crime rate of 15%. This same effect has now been documented in over 800 cities in the world that have 1% practising TM (for example, Vancouver, Victoria, Calgary and San Francisco).

The International Meditation Society which is a federal chartered non-profit and educational organization, with charitable status, that teaches the TM programs, has an Ideal Society Campaign to improve the quality of life in our community. If you are interested in learning more about the TM program, there will be a free public information session held on

Tuesday, September 27th at 8:00 pm
in the Gloucester Community Centre
Lower Level, Beacon Hill Plaza

For further information call Ray Farmilo at 234-0802.

IS IT SAFE FOR A TWELVE YEAR OLD TO PLAY IN BEARBROOK PARK?

During this summer there has been a gang of youngsters led by a 28 year old, who have been terrorizing our children. Our children have been threatened, harassed, and even assaulted causing bodily harm, by this gang. Eventhough the police know these individuals and in some instances charges have been laid, the "system" has enabled these individuals to carry on with their sick actions. If someone in your family suffered from this gang (even if your child was only threatened) please advise the police, if you haven't already.

In order to clean up Bearbrook Park, we require your co-operation, in order to work with the police, and the Recreation Department of the Township which is responsible for our Parks. Please advise any member of your Executive Committee of any incidents that have occurred, and the names of the individual gang members involved.
