JUNE 3

PLAN NOW FOR A

HARD TIMES AT FUN FAIR '78

Lois Kemp — Fun Fair '78 Chairman

Harry King — Fun Fair '78 Co-chairman

FAIR '78

FUN is what Fun Fair '78 is all about and the theme will be HARDTIMES.

The week prior to Fun Fair day there will be evening events, and activities at the schools such as tug-of-war, skateboard competitions, earthball competition, makeup team softball tournament, short plays and variety night. The only qualification to making up a team to enter any of the events is you all have to have something in common. (e.g. - live on the same street, all coaches, guide leaders, teachers of a school, belong to same church, etc. Being all male or all

female will not qualify. A maximum number of teams for each event will be registered. Watch for the next flyer for further information.

To carry the **HARDTIME** theme as far as possible we really have a bargain for the opportunists. You buy a book of coupons in advance of the fair - a value of \$4.25 for only \$3.00 and you save 5¢ on each thing you do.

EVERYONE LOVES A PARADE

One of the big highlights of the day will be the parade — Bands, majorettes, clowns, antique vehicles, horses, floats, decorated bicycles, etc.,

BUT

the success of this highlight depends on you. John Dawson and his committee will organize it but they need contact names for people with vehicles, horses, majorettes, clown suits, wagons, bands, etc. We are asking schools, organized groups, unorganized groups, businesses, streets, areas, etc., to enter floats. The floats can be large or small hand, tractor or car drawn. Whether the floats will be judged or not has not been decided yet.

Any ideas about decorating the parade route to the arena? Who knows anything about getting those plastic flags car dealers use?

CRAFTS DEPARTMENT

If we get the co-operation from you the crafts department will be something you shouldn't miss. We are asking everyone who does a craft (metal or woodwork, painting, macramé, puppets, beadwork, mobiles, rug hooking, crocheting, knitting, leatherwork, needlepoint, etc., large or small) to donate an article (we will accept more than one if you twist our arm). Please attach a suggested price as we don't want to over or under charge.

There are no organized groups this year doing crafts but we are confident that you will come through.

DEMONSTRATIONS

Young and old enjoy watching people demonstrate how they do their crafts.

Do we have any volunteers who would enjoy sharing with us the how-to of their craft. It will be your decision what time and how long!

Call Iris Prentice - 824-3641 or Diane Watson - 824-3732.

HANDMADE QUILT

Ann Elliott has generously offered to sew the blocks for a handmade quilt, but she will need help to quilt. We will let you know where and when in the next flyer.

TOYS, BOOKS, WHITE ELEPHANT — please save articles for these departments in the General Store. Drop off at depots listed below.

DROP-OFF DEPOTS

Diane is setting up a network of drop-off depots throughout Blackburn for your convenience in dropping off articles. They will be sorted and given to the different departments concerned. If you would like to help by offering your place as a depot, please call Diane 824-3732.

MEN:

We hope you will support this project and add variety to the crafts department.

PRIZE TABLE

We are going back to the prize table this year.

The craft groups of past years are taking on the responsibility of it. When you win at some of the games you will be able to take a prize from the booth or a coupon. The coupons can then be turned in at the prize table. Each prize will be worth a certain number of coupons.

Mary Burke 824-5192 has two groups making prizes now. If anyone feels they want to start a group on their street or among their friends, or make things on their own, call Mary and she will provide you with material, patterns, ideas (she will also accept ideas).

The groups are making stuffed animals, mobiles, puppets, etc.

WANTED: Fur material (coat linings, fur seat covers, felt, velvet. Call Mary 824-5192.

PLANTS

If you are one of those lucky people with a green thumb how about sharing some of your talent with the rest of us. I am sure your plants need to be cut back a bit and it would be a shame to throw out those slips. Why not root them and let us try our luck with them. (We will even promise to talk to them if it will help). The plant department has the potential of being an interesting department to visit especially if we had someone giving tips about growing plants etc. Any takers? Call Diane 824-3732.

A New Twist

SHORT PLAYS AND VARIETY NIGHT

Get together and enter the short play competition. Write your own play if you are so inclined. The plays should run around 15 minutes. Between plays there will be a variety of amateur acts. As with everything else the success depends on you, all we are doing is providing the opportunity for this to happen. You have to come forward and put on the show. Winners will perform at the Fun Fair. There will be a restriction on the number of plays and acts so register early. As you were reading this did you say to yourself the sounds like fun, I wonder if they need someone to set up the evening? The answer is yes. Will you and a couple of your friends volunteer? Just call Lois 824-2903.

BLACKBURN FUN FAIR '78

- is for the Blackburn people
- put on by the Blackburn people
- success or failure depends on the Blackburn people.

In other words we the fair committee are only acting as co-ordinators.

What we co-ordinate is up to you — no teams, no events; no floats, small parade; no crafts, no profit; no people, no fair.

We feel we have come up with an exciting package from your ideas and recommendations from past fair committees.

We are now throwing the ball into your court and we hope you will pick it up so we can have a rip roarin' time at Fun Fair '78.

A new system of sharing the profits has been formulated this year. The schools, scouting, guiding, churches, sports groups, etc., have been asked to take on the responsibility of some of the activities and in return they will share in the profits. We want to make it clear all the money is put into one pot then divided between the BCA and the participating group (\$10 to the BCA and \$1 to the group). For example, if the net revenue is \$6,000 the BCA will get \$2,000 and each of 20 organizations helping will get \$200. We realize there could be a few bugs in this system but as the saying goes "nothing ventured, nothing gained".

The C.G.S. team (can you guess who they are?) have volunteered to run the Bavarian Gardens. The one thing they have in common is they have lots of ambition and ideas. It sounds as if the gardens are a must to visit if you enjoy music, food and refreshments.

There is still room on the Fun Fair '78 committee for people who would enjoy planning. We are always open for new ideas. If you think something should be changed, don't be shy, tell us how you think it can be changed for the better. We promise to listen and probably try your idea.

Remembering names is not one of my better qualities so please, if you have told me or someone else that you would like to work on the fair and I haven't called, please give me a second chance and call either Harry 824-4542 or Lois 824-2903 or 874-1298.

Next month for the benefit of the new residents of our fair community we will give a short resumé of the past seven fairs which in spite of rain, heat and Hurricane Hazel, have all been very successful.

Also next month we will be telling you about more goodies in the Fun Fair '78 bag — antique auction, bed races, pie throwing, nail-driving, King & Queen.

**YOUR WISH IS
OUR COMMAND**

THE BLACKBURN COMMUNITY ASSOCIATION BADGE

designed by

Alan B. Beddoe

The meaning of the devices in this design are as follows:

The black wavy diagonal stripe edged with white is a symbol for a stream of running water, the word "Burn" being an Old Country term for a brook or stream. Naturally, this "Burn" is black in colour, for Blackburn.

The hornets or wasps (bees) as well as the black wavy stripe are derived from the Arms of Blackburn, Lancashire, England.

The Bees are an emblem of skill, perseverance and industriousness and may, in our badge, be regarded as an indication of the ambition of the members of the Blackburn Community Club to express these qualities not only as participants in sports but as spectator-supporters.

The name "Hornets" seems appropriate for the senior team, while the junior or midget group might be called the Blackburn Wasps - a smaller but equally effective counterpart of the bigger "Hornets"

Colours: red, white and black.

Mrs. Alan Brookman Beddoe, the widow of the man responsible for redesigning the Royal Arms of Canada, recently unveiled a hatchment in honour of her husband at St. Bartholomew's Church. The hatchment is a diamond-shaped board or canvas displaying the Armorial Bearings (coat of arms). This custom, to mark the deceased, began in Britain during the 1600's. Mr. Beddoe was the founder and first president of the Heraldry Society of Canada and is remembered by his colleagues as "the greatest heraldist of the country."

KEEP A LOOK OUT FOR FUN FAIR '78 NEWS IN THE "BANAR".
 Committee names, phone numbers and depots will be published in the March Banar.

P.S. — Pam and Diane think it would be great to have a moustache competition. Why not? If you are interested just phone Kemper's office and register, 824-7770.
