THE INTERNATIONAL YEAR
OF THE CHILD

JUNE

1979

BOX
BOÎTE 102, TERMINAL A

• OTTAWA K1N 8V1, ONTARIO

The 1978-79 B.C.A. Executive year has come to a close. Three members have retired this year and I would like to thank them for serving the community well during their term of office.

Al Haggerty has been 1st Vice-President for the last two terms and in addition to his regular duties, he has been responsible for our insurance policy, has co-ordinated the incorporation of the Association, and has served as Chairman of a sub-committee investigating vandalism in Blackburn.

Mel Stewart has been Treasurer for 3 years. Given the size and diversity of the B.C.A. budget, (\$180,000) this was both a responsible and demanding job.

Barry Parsons, who has served as Chairman of the Civic Affairs Committee during the last year, was forced to resign because of a transfer. While this was Barry's first year, he quickly became involved with such items as deteriorating chimneys, quarry blasting, cablevision lines, and all-candidates meetings.

Although the three retiring members will certainly be missed, the community is very fortunate in that three other people volunteered to serve on the executive and were elected at our annual meeting on May 29th. Bill Graham will serve as 2nd Vice-President, Don Gray as Treasurer and Morris Neuman as Civic Affairs Chairman. On behalf of the association I would like to welcome them to the executive and trust that their stay of office will be both rewarding and productive.

I would also like to extend a sincere vote of thanks to those members who have agreed to return for another year. They have spent much time and attended many meetings during the course of this year in order to fulfill the duties of their respective offices in a capable way.

Colin Sangster, 2nd Vice-President was always willing to book a needed school facility even though the given lead time was often too short. Next year Colin will be moving to 1st Vice-President where his experience should be most useful.

Marilyn Dilane, Secretary, managed to record the proceedings of our general and executive meetings in spite of our sometimes rambling discussions.

Phil Chartrand, Membership, was able to increase B.C.A. membership this year although he had to travel a great deal (perhaps his wife deserves a little credit as well).

Eldon Kemp, Maintenance, kept our outdoor rinks operating in spite of the fact that one changehouse was burned and one heavily damaged by vandals.

Gerry Beament, Sports, did an excellent job co-ordinating our recreation and sports program this year, in spite of the fact that this portfolio is really too large for one person to handle.

Gwen Pollard, Education, addressed many related issues this year while at the same time lending a "helping hand" to the Editor of the BANAR.

John Pollard, Youth, not only looked after his own portfolio, but attended B.H.C.R.C.C. meetings and sat on several special sub-committees during the course of the year.

Chuck Conway, Special Projects, with the help of many community minded residents was able to stage several successful social events and fund raising projects.

Mike Roche, Transportation, kept occupied with such issues as the Innes Road By-pass, Pedestrian Crosswalks and with his OC Transpo Route 36 study. The last item was responsible for our largest general meeting of the year.

*Lois Kemp again co-ordinated the highly successful AND fun-filled Blackburn Fun Fair; and she still managed to find enough time to play a great season of Ringette.

Michelle Ashdown, Publicity, produced and edited ten great issues of our own local magazine, the BANAR. She did this in spite of tight deadlines and late submissions (even from the executive itself, I must admit).

While Bill Collier, Bookkeeper, does not occupy an official executive position, his effort is quite considerable and without it the job of Treasurer would be almost impossible given the size of the B.C.A. treasury.

In addition to the B.C.A.'s regular involvement in programs and issues as represented by the above mentioned positions, your association supported the construction of the new Bearbrook Wading Pool this year (\$7,500) and will, during the course of the next year, provide financial support for several play structures and other recreational facilities planned for Blackburn.

Finally, I would like to thank you, the association membership for your support and involvement during the past year and hope that with your continuing interest we will be able to once again serve your needs next year. Have a good summer!

George Bushell
President
Blackburn Community Association

* Lois Kemp remains as Fun Fair Chairperson until
September 1979 when a new chairperson will be named.

George Bushell advised the Executive that he and Eldon Kemp will be meeting with the BHCRC on May 3, 1979 to discuss outdoor rink costs. At the same time they will develop a proposed maintenance plan for Blackburn's playing fields.

Al Haggerty and George Bushell have had a meeting with Mr. Jim Hunter of Plante and Anderson and Mr. Ted Allen of Gloucester Township. They are presently drawing up an insurance policy for all eight recreational areas in the Township. The coverage will be equivalent to ours and at a considerably lower rate. This policy should be available within two months.

A MOTION was then made by Al Haggerty, seconded by John Pollard that we renew our present policy to July 31, 1979. CARRIED. At that time the new insurance policy will be ready.

There are still four positions to be filled on our Executive for the coming year. They are 2nd Vice-President, Treasurer, Sports and Civic Affairs. Any interested person are asked to contact Colin Sangster.

A MOTION was made by MeI Stewart, seconded by John Pollard that the Ammended Budget for 1979 be presented to the membership at the General Meeting on May 29, 1979. CARRIED.

Barry Parsons (Civic Affairs) reported that a meeting was held last week re Quarry Blasting with Dr. Klugman, Ontario Ministry of Natural Resources, Ontario Ministry of Labour, Ontario Ministry of Enviroment, Francon Quarry and the Sub-Committee. Monitoring equipment was discussed but felt to be too expensive. Francon will be arranging another meeting in the near future and would like the Committees to tour the site.

An All-Candidates meeting will be held on May 15, 1979. A flyer will be distributed in the Hamlet by the Cubs.

With regard to Phase 2 of the shopping centre, construction will begin this summer with completion in January 1980.

Gwen Pollard (Education) reported that the Public Meeting on April 25, 1979 at Glen Ogilvie School went well with a good turn out from our Community.

It was agreed by the Executive that no baseball team would be entered this year. The Executive members are all so involved with other Fun Fair ball teams that the BCA cannot enter one of its own.

Eldon Kemp (Maintenance) reported that total rink costs for this year in the Hamlet were \$5,754.10.

Summer maintenance and repairs are presently underway. Tauvette Park's soccer fields need to be drained and repaired. The baseball diamonds in the area are in pretty good condition, although Eldon plans to apply stone dust to most of the diamonds.

Gwen Pollard has volunteered to assist Michelle Ashdown in the editing of the BANAR next year.

Gerry Beament (Sports) informed the Executive that registration for all summer activities are on par with last year.

Many, many thanks are extended to JoAnne Cottingham and Ev Grover for such a wonderful job done on the Volunteer Appreciation Dance held on April 28, 1979.

A MOTION by Al Haggerty, seconded by Michelle Ashdown was made that in future, anyone conducting an event for the BCA present their plans to the Executive. Such plans to include clean-up. CARRIED.

Transportatjon: On June 20, 1979, at Glen Ogilvie School in the Gym a Public Participation Meeting will be held re the Innes Road By-Pass. A display will be set up, along with open discussion, a presentation, and a question period.

The disco equipment was sold for \$1,500.00.

A MOTION was made by John Pollard, seconded by Eldon Kemp that the Youth Co-ordinator investigate the purchase or lease of a sound system for the BCA and report back to the Executive. CARRIED.

Al Haggerty informed the Executive that Sargeant Bowles and Mr. Tom Carrier of Gloucester Police will address our Annual Meeting on May 29, 1979 re Vandalism.

Al Haggerty announced that Dick Cottingham and Peter Stevens volunteered to attend Gloucester Community Police Committee meetings on behalf of Blackburn and thanked them for coming forth. He also thanked the retiring representatives, Dave and Denis Pugh-Robert, for the time and effort they gave to the Community.

Al Haggerty will arrange a meeting re Incorporation before the June Executive meeting. This meeting is to include the lawyer who drew up the incorporation papers and all interested Executive members.

SUMMARY OF THE BCA EXECUTIVE MEETING - JUNE 5, 1979.

George Bushell advised the Executive that he and Eldon Kemp had presented a plan outlining needed improvements to the Tauvette Soccer fields and to the Ste. Marie ball diamond. Basketball hoops for the Lacrosse Box at Bearbrook Park were approved by the BHCRC and should be installed shortly. A Wintario grant totalling \$20,000 was received allowing the tennis courts plans to proceed. Red Maple Park has been completed and a play structure for Keystone Park has been approved.

Enrollment for summer camp has started and John Pollard (Youth Activities) reported that several children have signed up.

Mike Roche (Transportation) reminded the Executive of the Bypass Participation Night, on Wednesday, June 20, 1979. The display will be set up in the Glen Ogilvie Gym and can be viewed from 7:00 p.m. Mr. John Southern will make a presentation at 8:00 p.m. followed by open discussion and questions.

Chuck Conway (Special Projects) reported that the fertilizer drive made a profit of \$3,010.00. The idea of an Octoberfest for the Fall was suggested by Chuck and unanimously approved by the Executive. Anyone interested in organizing this event, please get in touch with Chuck Conway - 824-3631.

Fun Fair Day was a tremendous success. Lois Kemp stated that this year it has been her policy not to thank people but congratulate them on jobs well done. Profit for the Fun Fair will be approximately \$9,000.00 including a dance profit of about \$1,200.00.

George Bushell extended thanks to Mel Stewart, Al Haggerty and Barry Parsons who are leaving our Executive this year and welcomed Bill Graham, Morris Neuman and Don Gray who are joining the Executive. He also expressed his appreciation to those members who are returning for another term of office.

Questions from the floor were then invited. In response to a query as to when play structure equipment would be installed at keystone Park, the President replied that this was discussed at the last BHCRC meeting and the park should be completed this summer.

An inquiry from the floor was concerned with the lack of unscheduled play ground time. This will be looked into by the BCA Executive and/or the BHCRC.

Barry Parsons (Civic Affairs) was then called upon to explain the latest on the chimney dispute. He informed the meeting that a letter had been received from Ottawa Gas recommending that they would put new liners in the damaged chimneys for a price of \$163.00. Payment over 24 months, interest free. This offer was discussed by our Executive and felt to be disappointing. A further letter has been written to Ottawa Gas informing them of this. Barry is also going to contact Constain.

Quarry Blasting: Barry stated that a meeting was held with Dr. Klugman, Ontario Ministry of Natural Resources, Ontario Ministry of Labour, Ontario Ministry of Environment, Francon Quarry and the Sub-Committee. Monitoring equipment was discussed but felt to be too expensive. Francon will be arranging another meeting in the near future and would like the Committees to tour the site.

President Bushell thanked the BCA 1978-79 Executive and also welcomed the new Executive for 1979-80. George then thanked all those present for attending the meeting. He also stressed how important it is for people to come forward to help on Committees that they have an interest in.

MOTION: Moved by JoAnne Cottingham, seconded by Colin Sangster that the meeting adjourn, CARRIED.

The President declared the meeting adjourned at 10:37 p.m.

Another Ringette season has come to a close after giving our girls many exciting moments, months of fun, improvement in skills and enhancement of physical fitness. Many volunteers have been involved at the local and township level, without which we could not run such a comprehensive program. I especially want to thank the Executive - Cy Kemp, Deputy Area Director, Joanne Cavers, Coaching Director and Ken Kemp, Equipment Manager and all the coaches and managers of Blackburn teams.

I want to congratulate all our teams for a fine season. The Tweens Green won their Championship and the Petites Green and Belles Green I won the Consolation Championships while the remaining teams all did themselves proud in the league games and playoffs.

I should also mention that Blackburn girls participated on all the Gloucester Devil teams which performed very well this season. Gloucester teams won two bronze and one silver medal at the Provincials and the Debs did very well at the Nationals. Also we had our most successful season ever at the various tournaments across the Province. At the Gloucester 4th Annual Inter Provincial Ringette Tournament, Gloucester won the Petite and Junior Divisions and was runner-up in the Deb Division. I want to thank all those parents and individuals who helped run the tournament and who billeted girls from other cities. I especially want to thank Floyd and Rena Kay who were a great help to Blackburn and Gloucester Ringette.

Next year we hope to increase our turnout of girls and we are planning improvements to enhance ringette as a viable and fun sport. Registration will be in early September and GRA is expected to put on a public relations drive to promote the sport.

I am finishing my term as Area Director and I wish my successor all the best. I've enjoyed my relationship with BRA and know we have a solid base to grow from.

CANADIAN CANCER SOCIETY

Many thanks to all the Team Captains, Canvassers and donors, who gave so freely of their time and money to ensure that the Canadian Cancer Society Campaign for 1979 be a success. I am pleased to report that the Gloucester-Cumberland Unit reached its objective of \$50,000. Of this amount, \$6,943.42 was donated by the residents of the Blackburn Hamlet area.

"Mike and the Grass"

When Mike was three he wanted a sandbox and his father said, "There goes the yard. We'll have kids over here day and night and they'll throw sand into the flower beds and cats will make a mess in it and it'll kill the grass for sure."

And Mike's mother said, "It'll come back."

When Mike was five, he wanted a jungle gym set with swings that would take his breath away and bars to take him to the summit and his father said, "Good grief. I've seen those things in backyards and do you know what they look like? Mud holes in a pasture. Kids digging their gym shoes in the ground. It'll kill the grass."

And Mike's mother said, "It'll come back."

Between breaths when Daddy was blowing up the plastic swimming pool he warned, "You know what they're going to do to this place? They're going to condemn it and use it for a missile site. I hope you know what you're doing. They'll track water everywhere and you'll have a million water fights and you won't be able to take out the garbage without stepping in mud up to your neck and when we take this down we'll have the only brown lawn on the block."

"It'll come back," smiled Mike's mother.

When Mike was 12, he volunteered his yard for a campout. As they hoisted the tents and drove in the spikes his father stood at the window and observed, "Why don't I just put the grass seed out in cereal bowls for the birds and save myself the trouble of spreading it around? You know for a fact that those tents and all those big feet are going to trample down every single blade of grass, don't you? Don't bother to answer," he said. "I know what your're going to say, 'It'll come back!'"

The basketball hoop on the side of the garage attracted more crowds than the winter Olympics. And a small patch of lawn that started out with a barren spot the size of a garbage can lid soon grew to encompass the entire side yard. Just when it looked like the new seed might take root, the winter came and the sled runners beat it into ridges and Mike's father shook his head and said, "I never asked for much in this life... only a patch of grass."

And his wife smiled and said, "It'll come back."

The lawn this fall was beautiful. It was green and alive and rolled out like a sponge carpet along the drive where gym shoes had trod..along the garage where bicycles used to fall...and around the flower beds where little boys used to dig with iced teaspoons.

But Mike's father never saw it. He anxiously looked beyond the yard and asked with a catch in his voice, "He will come back, won't he?"

During May, the combined efforts of the Land and Sea Scouts were put to use by the N.C.C. in planting some 500 Pine and Spruce trees along the Ski Trails adjacent to Bearbrook Road.

May also brought about the Annual Going-up Ceremony when the Scout Troops received new Scouts from the five Cub Packs.

The Venturers participated in a canoe trip on the Matawaska River in May and by all reports it was an excellent trip.

The Blackburn Beaver Colonies finally got dry weather for their annual Bar-B-Q. This event was rained out twice and eventually took place at the Hornets Nest on May 17, with 160 Beavers attending. Watch for additional appearances of "Le Grand Castor" during 1979.

On May 16, ten Sea Scouts received their Chief Scouts' Award from Skipper L. Grover. This award, the highest Scouting award in Canada, was presented to J. Cote, C. Cooke, B. Ditto, D. LeBlanc, C. Skyfield, C. Lever, P. Morrell, C. Szabo, J. Sadler and A. D'Aoust.

All sections of the 1st Blackburn Group, Beavers, Cubs, Land and Sea Scouts and Venturers participated in the Fun Fair. This annual event gives the boys a chance "to do their bit" for the community.

The Annual Blackburn Camp Weekend at Camp Opemikon was held on June 8, 9 and 10. This was a combined activity for the Cubs, Scouts and Venturers. Approximately 200 boys attended.

Eighteen Sea Scouts and Leaders will be attending the Manitoba Jamboree in July of this year. The boys have raised considerable funds towards their trip through the delivery of flyers, the sale of Christmas Cakes and Hot Cross Buns. Many thanks to those who supported their fund raising.

The annual registration for all sections is currently underway. A registration form was included in last months BANAR. Only those registered prior to the end of June will be assured of a place within our group. Additional registrations will be taken in September but space cannot be guaranteed. Please register quickly to avoid being placed on a waiting list.

EDUCATION

As the school year comes to a close, I'd like to express my appreciation to the following: our Carleton Trustees Ed Campbell and Louise McIntosh for taking the time to submit articles to the BANAR; to area principals Mr. W. Crowder, Dr. R. Whittle and Mr. C. Stratton for their support and co-operation in keeping the community and myself informed through newsletters, phone calls, Open Houses etc; to my committee for support, suggestions and assistance with our public meeting and throughout the year. Also to the parents who attended meetings and showed interest to call with suggestions and problems.

Next year, I hope to take a close look at the safety of our school buses, along with the school patrol program. If over the summer anyone has a concern or question I hope you will contact me at 824-8122.

Have a happy safe summer with your children and we'll see you for school

and Heather Mace to Toronto. Good luck in your new groups. Many thanks to our Pack Leader, Andrea MacDonald for all her help.

195th BROWNIE PACK

On April 30th we held Fathers night; the girls put on some good skits, and sang songs for entertainment.

Congratulations to the whole pack for earning their Singers Badge and thank you Mrs. Gill Greenham for testing them.

On Thursday, May 10th, our Pack went to visit the Childrens Hospital. We were given a guided tour and learned about the running of a large hospital. We ended the trip by going up to the Neo Natal Unit and really enjoyed seeing the tiny newborn babies.

Good luck to all the girls who have moved up into Guides.

A big thank you to all the parents who have supported us throughout this past year and a Happy Summer to all.

179th BROWNIE PACK

The 179th Brownie Pack has been very busy the past two months. In April we took our Golden Hand girls to the 23rd Guide Company where we were graciously received by the Guides and Leaders and the girls were able to see how a Guide Unit operated.

The Golden hand girls planned a barbeque which was held May 23rd. We cooked hot dogs and roasted marshmallows over an open fire. We all had an exceptionally nice time.

Our annual Mother and Daughter banquet was held May 28th. Everyone worked hard to contribute to the success of this yearly event. Many badges were presented and the following girls received their Golden Bar;- Carrie Oke, Kelly Naunton, Wendy MacAvoy, Phillippa Smith, Tara Groves, Pamela Benoit and Lorrie Miller.

The following girls were accepted into Guides;- Adrienne Slyfield, Shannon Lafontaine, Donna McKnight, Kathy Sperberg, Cindy Bambrick, Jennifer Burchell, Leanne Vasudev, Kim Vankoughnett, Erin Claussen and Pamela Geci.

Chrissie Newgard received her Golden Hand and Leanne Vasudev and Erin Claussen earned their World Friendship Badge. All the girls were presented with their IYC Badges which were well deserved.

Thank you Mrs. Gibbons and Mrs. Swanson and all the mothers for attending and making our banquet a success. A special thank you to Guide - Donna Bierko, who has been a great help to us throughout the year. Thank you to all the parents who have assisted us during the year.

We are regretfully losing three of our leaders, Mrs. Donna Vasudev-Brown Owl, Mrs. Joanne Mulligan and Mrs. Carol Vankoughnett. We are sorry to see them go and wish them all the best in their future endeavors.

Have a nice summer girls! See you in the Fall.

14th SENECA RANGER UNIT

We are losing two of our Rangers who have been with our Movement since Brownie Days. -- Julie Greenham and Sara Stymiest. We would like to thank them for their help as junior leaders and wish them much luck with their future careers.

G.S.C. SUMMER SCHOOL PROGRAMS - FIGURE SKATING, NATIONAL SKATING TEST, AND POWER SKATING PROGRAMS

The Gloucester Skating Club is in the process of organizing the above programs. We have skating for everyone.

NATIONAL SKATING TEST program is Canada-wide and designed for the beginner, learning the basics of skating. This session starts July 3 and ends August 9th. Instruction is given twice a week - Tuesdays and Thursdays - for six weeks, 15 minutes by a G.S.C. Professional and another 15 minutes by a qualified Coach, leaving time to practice. Skaters may attend for the full six weeks - \$50, or three weeks - \$30.

Skating is such a basic need, not only for figure skating, but Ringette, Hockey and just plain fun and enjoyment. Why not learn the right way - by qualified professionals. After all, skating is their business.

After the basics comes FIGURE SKATING. Seven high calibre Professionals are on staff with the G.S.C. They are able to meet the individual needs of each skater, from the learn to skate to the gold level.

This SCHOOL starts June 18 and runs to August 15, with two separate test days - July 18 and 19 and August 14 and 15. Skaters may be accommodated for the entire eight weeks or part thereof.

POWER SKATING - The G.S.C. has operated a terrific Advanced Power Skating program since 1976. In the past the school has been attended by the Gloucester Rangers, Gloucester Competitive Ringette girls, Nepean Raiders and last year we had a candidate for the Toronto Maple Leafs work out.

GET INTO CONDITION FOR THOSE IMPORTANT TRYOUTS. WOULDN'T YOU LIKE TO HEAR THE COACH SAY, "there's a worker", or "hasn't his/her skating improved since last year."

The place - POTVIN ARENA - date - August 13 to 31, 1979. Read the following form for more information.

More detailed information on any one of these programs may be obtained by calling the Gloucester Skating Club's office - 744-0681.

POWER SKATING

The Gloucester Skating Club is planning an advanced power skating course to be held August 13-31 at Potvin Arena. Three categories are proposed: Power I (\$50 registration) from 4:15 to 5:15 p.m. for eight and nine-year-olds; Power 2 (\$50 registration) from 5:30 to 6:30 p.m. for 10 and 11 year-olds; and Power 3 (\$55 registration) from 6:45 to 8:00 p.m. for those 12 years of age and over. Registration will be limited to 40 persons per classification.

The program, open to boys and girls, is for conditioning and improvement of basic skating skills. Decision of the professional, who will place registrants in a group, is final.

Applications, using the form provided here, should be mailed to the Gloucester Skating Club, P.O. Box 8042, Alta Vista Post Office, Ottawa, Ontario. Full fees must accompany the application. All participants are subject to the rules of the Club. The Gloucester Skating Club, Professional staff and employees shall not be held responsible for any accident, injury, damage, or loss of personal property, however caused, whether on or off the premises and shall be released from any and all claims. For further information please contact the Gloucester Skating Club at 744-0681.

SPORTS

It has been a year since John Fargy passed the mantle of Sports Co-ordinator to me and left for Toronto laughing all the way. John's example has been a difficult one to attain and in many areas a large void has been left by his departure. On balance the year has been successful. In almost all areas we have had success in the programs we have wanted. This is due entirely to the enthusiasm and dedication of the many volunteers who have given unsparingly of their time and talent to the Youth of Blackburn Hamlet. This talent is not unending and for 1979-80 more volunteers will be necessary to fill the void caused by moves and other changes. Of the activities themselves, I have the following comments:

- Junior Badminton - The program run by Flo Hamel and her assistants was particularly successful. The group expanded beyond all expectations to become the largest junior program in the Ottawa-Carleton region.
- Basketball - Basketball was not the success it could have been because volunteers to run the program were conspicuous by their absence. Hopefully someone will come forward to assist this fall.
- Football - John Rowe did a bang-up job last year and is keen to go again. This fall the group will expand to three teams and will cover a broader age span.
- Hockey - Grant Tayler and John Phillips have both done an excellent job with their respective groups and while John will not be with us next year, we anticipate a continuation of the fine programmes into next year.
- Ringette - 1978-79 saw two good competitive leagues. The girls co-ordinated by Terry Heaslip and the ladies by Lois Kemp.
- Softball/Baseball - All of the groups are well underway for the summer. Cy Kemp did yeoman service in getting the girls organized for which he has my sincere thanks. Eric Bowie and Nelson Williams have a first-rate little league program on the rails and Ken Davies, as is his custom, is a powerhouse with the girl's competitive fastball. Ken, in addition, is lining up a mixed group of players for a summer league which will be a welcome addition to the balanced program. Jane Corrigan and her stalwarts in the Ladies League are on their way to the best season ever if early returns on numbers are any indicator.

There are so many more that I should thank individually, however, I trust no one will be slighted if I don't carry on too far in the Banar. You all have my sincere thanks for your effort.

1979-80 can be as good and from my advanced information to date will be. Any success in this area is, however, not easy nor can it be taken for granted. Don't wait until you are asked to become involved. Let any of the sport convenors know of your interest and a home for your talent will be found. It is always much better to have too many than too few adults involved. Talent is not the most critical criteria, time and interest are the factors we seek. We can always develop the skills later.

Gerry Beament - Sports Co-ordinator
