MARCH

1980

BOX
BOITE 102, TERMINAL A

OTTAWA K1N 8V1, ONTARIO

FROM YOUR PRESIDENTTENNIS

Last month's issue of the BANAR carried the minutes of the BHCRC's 1979 Annual Meeting wherein it was unfortunately implied that the tennis courts operate at a loss (i.e. "... with improved lighting for 1980 and with a change in fee structure, it is hoped that the tennis courts will be a paying proposition"). The courts, except for their first year of operation in 1975, have always shown a surplus of revenue over operating expense, and while this surplus was down somewhat last year because of new construction, disruptions to lighting, and considerable bad weather after the beginning of August, a surplus was produced, nonetheless.

The Tennis Committee of the BCA has always maintained and operated the courts while, at the same time, accumulating a reserve capital fund that amounted to nearly \$19,000 before payment of last year's improvements. While a former Centres Board agreed that the capital cost of the original four courts would be paid through municipal taxes, this same board also hoped that the operation and maintenance of the asset plus any capital additions/improvements would be borne by the users of the facility (i.e. the membership), and in effect that is what has happened. The two new courts and improved lighting have not affected the municipal mill rate whatsoever. The funds for the \$53,341.00 spent on the courts came from the BCA Tennis Committee - \$18,966.00, the Wintario Lottery - \$20,625.00, and an Ontario Government Recreation Grant - \$13,750.00.

The present board of the BHCRC and the executive of the BCA would like to see the original concept continued: fees collected from tennis players (i.e., users) both operate and maintain the facility and contribute to a reserve capital fund to be used for future projects (e.g., resurfacing, improved club house facilities, etc.). Given this policy and ever present inflation, a slight fee increase has been approved for this year: Family membership from \$30 to \$36, Senior from \$15 to \$18, and Junior from \$7.50 to \$9.00. This is still a bargain when you consider that we now have six courts with new lighting, and that a family membership at a similar facility in Orleans, Manotick or elsewhere will cost about \$50 this season.

Even considering Blackburn's reasonable rates, a group comprised of the Tennis Committee, officers from the BCA and BHCRC executives, and staff from Township Recreation, have been meeting to review the overall operation of the courts including the idea of a "pay-as-you-play" policy for those people who still don't think they play often enough to justify the modest annual fee. It is planned to discuss the overall operation of the courts including this policy at the annual meeting of the Tennis Committee to be held early in March (see announcement elsewhere in this BANAR). If you have any ideas, recommendations, or suggestions regarding Tennis in Blackburn, please give me or your Tennis Executive a call and be sure to attend this important meeting. Only through continued dialogue and discussion will the tennis courts serve the needs of all residents of our community.

CIVIC AFFAIRS

Morris Neuman is no longer able to continue as Civic Affairs chairman because of changing job responsibilities and personal commitments. I would like to thank him for the time and effort he gave to the BCA since last June and wish him well in the future.

I would also like to take this opportunity to welcome Andy Macdonald to the chair of Civic Affairs. Andy has agreed to co-ordinate this committee until at least the end of the current executive year in June. Hopefully, he will be able to remain even longer as he has already demonstrated his capability and dedication by ably assisting the Transportation chairman over the last several months. I am confident that he will be a valuable addition to both Civic Affairs and the entire BCA executive.

I must mention as well that Andy has and will continue to get invaluable assistance until the end of his term from Denny Thomas. Denny has already arranged the All Candidates meeting, re-constituted the Cable Vision sub-committee, followed up on sign complaints and written a February BANAR report, among other things. He should make Andy's introduction to Civic Affairs much easier and I would like to thank him as well for volunteering his services.

George Bushell, 824-6524.

MINUTES OF THE BLACKBURN RATEPAYERS - COMMUNITY ASSOCIATION JOINT MEETING

HELD AT GLEN OGILVIE SCHOOL LIBRARY ON JANUARY 29, 1980 AT 8:00 P.M.

President Bushell called the meeting to order at 8:10 p.m. There were approximately 45 in attendance.

The Minutes of the February 27, 1979 Ratepayers Meeting were distributed.

MOTION: Moved by John Pollard, seconded by Phil Chartrand that the Minutes be adopted. CARRIED.

George Bushell explained that the purpose of the meeting was to approve the distribution of an expected per capita grant from Gloucester Township amounting to \$30,500. Copies of the proposed 1980 Grant were distributed.

MOTION: A brief review of each of the programs receiving an allotment followed. MOVED by Chuck Conway, seconded by Colin Sangster that the 1980 Gloucester Recreation Grant be approved. CARRIED.

<u>Program</u>	<u>1980 Grant</u>
<u>BCA</u>	
Boys Football	
Boys Hockey	13,225
Little League	
Girls Fastball	265
Girls Ringette	2,420

Sync. Swimming	0
Swimming Club	1,200
Soccer	1,400
Children's Welcome Centre	100
Disabled Riding	150
Les Chansonniers	250
Scouts	250
Guides	250
Contingency	0
	<u>\$30,500</u>

The Blackburn Ratepayers meeting adjourned at 8:20 p.m.

President Bushell then called the General meeting of the BCA to order and introduced the Blackburn Community Association's Executive.

Minutes of the last General meeting held on May 29, 1979 were distributed.

MOTION: Moved by Joanne Cottingham, seconded by Gwen Pollard that the Minutes be adopted. CARRIED.

George Bushell briefly reviewed the By-laws of the Blackburn Community Association Incorporated. Copies of these By-laws were available to everyone in attendance.

MOTION: Moved by John Pollard and seconded by Mike Roche that By-laws #1 - #6 be approved as the new Constitution of the Blackburn Community Association Incorporated.

Moved by John Hollins, seconded by Art Szabo that all references to proxy voting on page 8, section 23 of By-law #1 be deleted. DEFEATED.

Original MOTION CARRIED.

1980 BCA Budget

MOTION: Moved by Don Gray, seconded by Colin Sangster that the 1980 BCA Budget be approved as tabled and previously printed in the February 1980 BANAR. CARRIED.

Pedestrian Crossing Safety Discussion

George Bushell introduced the panel who had agreed to discuss pedestrian crossing at our cross-walks and at the intersection of Innes and Bearbrook. They were as follows:

Chief K. Duncan and Sargent R. Carriere of the Gloucester Police Dept.

Mr. Bob Ridley from Regional Transportation Staff.

Mr. Marshall, Principal, Blackburn Catholic School.

Mr. R. Vachon, Principal, Ecole St. Marie.

Mrs. Gwen Pollard, Education Chairwoman of the BCA.

Mr. Mike Roche, Transportation Chairman of the BCA.

Mike Roche and Gwen Pollard briefly reviewed the efforts of the BCA to improve the safety of pedestrians using the crosswalks or the Innes - Bearbrook intersection in Blackburn. More complete details of these "two" problem areas were published in the February BANAR on pages 3 and 15.

A lengthy discussion then followed between the panel and the people in attendance. Among others, the following ideas were stated:

Crosswalks -

- Change the flood-light colour at the crosswalks from yellow to white.
- Delay the beeper accompanied by a red flashing light at the crosswalks.
- Increase cross-walk lighting at curb-side where pedestrians wait.
- Install push button traffic lights with traditional green, yellow, red and walk lights.
- Increase the time that the lights flash.
- Radar speed control be instituted on Bearbrook Road more frequently.
- Intensive publicity aimed at drivers.
- Install slower speed limit signs near cross-walks.
- Install cross-walks at intersections (Mr. Ridley stated that Regional evidence shows that mid-block locations are actually safer because there are less vehicles turning and interfering with pedestrians).
- Place warning signs well in advance of the cross-walks for vehicles.
- Increase pedestrian education by Police and parents alike.

Although a resolution was passed at a Gloucester Council meeting held on January 7, 1980 which asked Gloucester Police to hire an adult crossing guard for the Bearbrook cross-walk, Chief Duncan informed the meeting no action was underway. Mary Bryden (Township Councillor) who spoke from the floor, stated she would immediately investigate the delay.

Bearbrook/Innes Intersection Problem

Mr. Vachon (Principal of Ecole St. Marie) stated that, since December 19th when the islands were installed, his school patrol children had been subjected to considerably more danger. Mr. Vachon's original request was to have the corner at Bearbrook and Innes "squared-off." With the islands, instead of one dangerous intersection there are now three. It was suggested that inside curbs be constructed and that the south side of Innes traffic lanes be clearly identified. Mr. Ridley indicated that Region hoped to rebuild the intersection this summer and held little hope for change before then. However, Mike Roche will continue the matter with the Regional Transportation Commission.

President Bushell thanked all those present for attending the meeting and asked Regional and Police representatives to seriously consider the recommendations put forward.

MOTION: Moved by Joanne Cottingham, seconded by Chuck Conway that the meeting adjourn. CARRIED.

Cash For Life

Colin Sangster presented the meeting with a series of six By-laws relating to the conduct of the affairs of the Blackburn Community Association which had recently been drafted by legal council. After some discussion and revisions, a motion was made by George Bushell, seconded by Colin Sangster that the six By-laws be submitted to the 29th January 1980 General Meeting of the Blackburn Community Association for approval, CARRIED.

A BCA Sub-committee is still trying to resolve the placement of a new cablevision line on Bearbrook Road.

Township has advised the management of the Commons Shopping Centre to reduce the number of signs along the boulevard in order to conform with Township By-laws.

The NCC have agreed to consider putting a gate in their fence at the end of Tauvette Street to assist the access of cross country skiers to their property.

Plans for an All-Candidates meeting will be made. It is hoped to have the meeting about one week before the election. A flyer will be distributed giving details.

Bearbrook-Innes Road Intersection -

Gwen Pollard (Education) expressed the concern of many residents that the recently completed changes to this intersection which permit cars to make right hand turns without stopping are preventing children from crossing safely. After considerable discussion it was agreed that a problem existed and that the Association should request Gloucester Council to seek improvements re:

- (1) the erection of stop signs to replace the yield signs at the two new islands;
- (2) more prominent curbs to prevent cars from leaving the traffic lane when making right turns;
- (3) better definition of the traffic lanes on the south side of Innes Road.

Crosswalks. A Motion by Gwen Pollard, seconded by Mike Roche was made that the Association request Township to provide adult crossing guards until the end of June as an interim measure while a study is conducted by Region to find a permanent solution to the crossing problem. CARRIED.

Lois Kemp (Fun Fair) reported that planning for the 1980 Fun Fair was underway. This year there will be a special emphasis on teen activities if volunteers can be found to organize such events.

Cultural Grants Program. As reported at the last meeting the Township has set up a program of Cultural Grants to provide for activities meeting the established criteria for the program. It was reported that Chuck Conway, Special Projects, would co-ordinate the presentation to Township of all suitable projects seeking assistance on behalf of the BCA.

By-pass Study. Mike Roche (Transportation) reported that he attended the Gloucester Council meeting on December 12, 1979 at which time the council was briefed by the "study team". Mike reported that sentiment at council seemed to support the Community's recommendation for a wide by-pass. Briefing of Regional Council comes later while in the meantime Planning Board will be briefed on January 9, 1980.

John Pollard (Youth Activities) presented the study related to the acquisition of a sound system by the BCA. It was agreed that the study provided a very valuable assessment of the various systems available. However, the Executive agreed that a sound system should not be purchased but that appropriate rental costs be provided in the budget of each activity which would require the use of such equipment.

Proposed 1980 Recreation Grant Distribution - Motion: Moved by George Bushell, seconded by Gerry Beament that the proposed distribution of the 1980 Recreation Grant be presented to the Ratepayers at the 29th January meeting. CARRIED.

The Proposed 1980 Budget will be presented to the membership at the General Meeting on January 29, 1980 as well.

EDITORIAL

Qu'est-ce qui empêche une communauté d'être chaleureuse et vivante? D'après moi, il peut y avoir deux raisons. La première, c'est le désintéressement complet des membres d'une communauté de se rencontrer pour mieux se connaître; la deuxième, c'est le manque de personnes intéressées à organiser des rencontres, soirées ou autres activités. D'après moi, je crois que la première raison ne s'applique pas ici à St-Claude à cause de l'intérêt formidable démontré par les paroissiens à l'occasion de la soirée de la Fête de l'Amour qui eut lieu samedi, le 26 janvier dernier. Dans l'espace de deux semaines, plus de cent couples s'empressaient de se procurer des billets pour assister à cette soirée. C'est donc évident que l'intérêt est là! Il ne reste plus qu'aux membres des différents comités de la Pastorale de travailler en équipe et d'une façon plus active afin de multiplier et même ranimer le Carnaval, les soupers de fêtes au lard, les rencontres parents-instituteurs, l'école communautaire, les vins et fromage, etc...

LES ELECTIONS

Il y aura bientôt des élections dans la paroisse pour élire des membres pour les comités d'administration et finances, liturgie, activités sociales et le Conseil Pastoral. Ces élections ont lieu à la suite d'une messe (habituellement, celle de 10:00 heures). Pour aider les intéressés à choisir dans quel comité ils désirent participer, les présidents des différents comités vont décrire bientôt aux messes les fonctions, objectifs, rôles et responsabilités de leur comité respectif. Si vous voulez avoir du plaisir, vous divertir, rencontrer les paroissiens et contribuer d'une façon positive au bon fonctionnement des activités, voilà la chance de donner votre nom.

FETE DE L'AMOUR

Samedi, le 26 janvier, à 19:30 heures, plus de 200 personnes se rassemblaient dans le gymnase de l'école Ste-Marie pour célébrer la Fête de l'Amour. La soirée débutait par une messe célébrée par Monseigneur l'Archevêque J. Aurèle Plourde.

- Cinq couples de la paroisse étaient à l'honneur et représentaient les couples heureux de St-Claude. A la table d'honneur étaient assis les couples suivants:
 - * Denis et Ginette Lafontaine, mariés le 29 septembre 1979;
 - * Jacques et Claudette Vermette, mariés le 27 juin 1970;
 - * Adélarde et Adéla Bellavance, mariés le 21 août 1965;
 - * Jack et Jacqueline McGuinty, mariés le 20 octobre 1954; et
 - * monsieur et madame René Larose qui fêteront avec leurs sept enfants, le 8 avril prochain, leur quarante cinquième anniversaire de mariage.
- Ces cinq couples reçurent comme cadeau-souvenir une croix à la tête de laquelle se trouvaient deux anneaux, symboles de leurs alliances. Ces croix furent bénites par monseigneur l'Archevêque.
- A la suite de cette messe, les Chansonniers présentèrent un pot pourri de chansons et de danses à une auditoire enthousiasmée.
- Un buffet chinois, suivi d'un gâteau décoré spécialement pour la fête de l'amour clôturèrent la soirée qui se terminait vers deux heures du matin.

Donc, un très beau succès et un gros merci au comité d'activités sociales, c'est-à-dire, Pierrette Bergeron, Claire Fournier, Stella Halpin, Mariette Montemeglio et Claude Ranger. Merci aussi à ceux qui ont contribué au succès de cette soirée en assistant le comité: Garry et Liliane Locke, Jean-Charles et Thérèse Marie Perrier, Gérard et Nicole Montemeglio, Bernard Fournier et Pierre Bergeron.

ECOLE GARNEAU

Le surpeuplement à l'école secondaire Garneau a causé des changements majeurs et déplaisants dans les horaires au deuxième semestre. Sans consulter les élèves, les professeurs et la direction de l'école ont proposé un nouvel horaire. Voici un horaire typique des élèves de la 11e, 12e et 13e années: 8:55 à 9:00, classe foyer (hymne national ou prière); 9:05 à 10:10, premier cours; 10:15 à 11:30, deuxième cours; 11:40 à 12:55, troisième cours; 1:00 à 1:35, le dîner; 1:35, reprise des cours jusqu'à 2:45. A cause de cet horaire, la période d'activités (sports, réunion) a été discontinuée et remise à la fin des classes (2:45). Il y a deux désavantages à cet horaire. Premièrement, la période de cours est longue (quatre heures de suite) ce qui demande un effort constant et soutenu; deuxièmement les comités qui auparavant se réunissaient durant la période d'activité ou la pause se tiennent maintenant après les classes. Ceux qui participent à ces comités sont donc obligés de prendre l'autobus à 4:00 heures. Le seul avantage à cet horaire est que les élèves ne mangent plus par terre. La vraie solution n'est pas un nouvel horaire, mais plutôt la construction d'une nouvelle école secondaire. Alors, pourquoi un si grand délai dans cette décision importante?

● ALL CANDIDATES MEETING

The Blackburn Community Association is happy to have been able to organize another All-Candidates Meeting in the Hamlet. We hope you found it informative. Our thanks to Mr. Art Szabo for chairing the meeting and to the Carleton School Board for co-operation in making the facilities at Glen Ogilvie School available.

● SKIING AND THE NCC

In order to prevent vehicle traffic into the NCC Nursery, the NCC built a fence near the end of Tauvette Road. Unfortunately, the fence also prevented skiers from entering the area. The problem was brought to the attention of Mr. N. McLaren, Manager of the Nursery, and skiers will note that the NCC thoughtfully responded by building a gate in the fence that will allow skiers entry during the winter and will be secured during the rest of the year to prevent trail bikes, etc. from damaging the nursery. Our thanks to Mr. McLaren and the NCC for their help to Hamlet residents.

● CABLEVISION WIRES ALONG BEARBROOK ROAD

Residents along Bearbrook Road have expressed concern about the proposed plan by Skyline Cablevision to erect an aerial trunk line on the hydro poles to the west of Bearbrook Road. The plan was announced to residents in the summer of 1977. Following that announcement, a survey that was agreed to by the BCA, Bell Canada, CRTC and Skyline Cablevision, indicated that the majority of residents directly concerned preferred a front-lot buried cable. In early January, Skyline conducted an independent survey that the BCA feels was improperly designed and stressed only one side of the situation.

The BCA supports the concept of buried services in the Hamlet whenever it is practical and believes that community services should work with area residents to attempt to reach mutually agreeable solutions. In an attempt to resolve the problem, the BCA has written to Skyline Cablevision expressing concern and a Sub-Committee of Civic Affairs has been formed to investigate the problem and offer solutions. For further details, contact Ken Findlay at 824-7858 or Fern Godbout at 824-4564.

● PATHWAY AND SIDEWALK SNOW CLEARING

Hamlet residents have in the past requested that pathways to and from area schools be cleared to enable small children and other residents to more easily use the paths. A Fall 1979 meeting of the Gloucester Recreation Centres Committee discussed the matter; however, no resolution on the matter was forwarded to Township. The BCA has

contacted the GRCC requesting that Township be asked to clear the pathways. BCA has also requested that the sidewalks on both sides of Innes between Beddoe and Bearbrook be cleared, as well as other sidewalks in the Hamlet.

"THE COMMONS" AND SIGNS

Residents have complained that various signs have been erected in front of The Commons giving the area an unsightly appearance. The situation was brought to the attention of the Township by BCA. Mr. Duncan, from Township, contacted the Commons manager and the result has been an improved appearance that we hope will benefit the Hamlet and the Commons merchants.

BLACKBURN SHOPPING CENTER

A progress report from our new shopping center shows that the proposed opening date is May 1980. As of this date stores planning to locate in the center include:

CENTURY 21/KEMPER REALTY LTD.)	
VAIL'S CLEANERS)	Planning to open in March
LYN NOVAK FLOWERS AND GIFTS)	
BLACKBURN DRUGMART)	April opening
IGA)	May opening

We will keep you informed on the progress in future editions of the BANAR.

OTTAWA AND RIDEAU RIVER CORRIDORS

A preliminary review by BCA of the Ottawa and Rideau River Corridor Report produced by the staff of the Planning Department of Regional Municipality of Ottawa-Carleton, indicates that it is a well thoughtout document that covers many aspects of conservation in the Ottawa-Rideau River area. The BCA is pleased to note that the study proposes that the federal land in the Green Creek area be developed as a regional scale park. More information on the study may be obtained by contacting:

Complaints have been received from residents concerning dogs running loose and fowling park areas and school grounds. Following the complaints, the BCA reviewed dog control by-laws with Gloucester Township in order to inform residents on the matter. Basically, there are two by-laws: dogs must be licenced; and dogs must be under the control of their owners at all times. In addition, there are areas such as parks where it is posted that no dogs are allowed. The problem with the by-laws and the control of dogs is that enforcement is the responsibility of Gloucester Police and the police have many other duties that take a higher priority. Therefore, enforcement is often difficult. The BCA believes the situation warrants a review with possible recommendations to Township. A Civic Affairs Sub-Committee has been formed to investigate the problem. For further information, call Pat MacDonald at 824-6687.

FROM THE EDITOR: ●

Each spring two poems cross the editor's desk expressing concern over dog control in our area. Since they seem to cover both sides of the issue, perhaps we should give them some thought:

Ode to Whom It May Concern

I walk through the parklands
My head on high
I'm admiring the trees
And the clear blue sky.

Its a beautiful world —
Then suddenly I slip
And I'm on my back
In a pile of — — — —.

It doesn't matter,
I'm old and gray,
I'll put clothes in the washer
Right away.

But what of the children
Who continue to play
Their hands in their mouth
In the usual way!

And you wonder
At the end of day
Why the children won't eat
And don't want to play.

In a day or two
There's a fever high
And you wonder "what?"
And will they die?

In winter the cold
Keeps the bugs in check
But summer when heat
Incubates like heck —

Think as you walk your dog in the park
Or let him out to run after dark
Someones life you may hold in your hands
So think a minute before your plans.

If he must do his job on parkway land
Follow along with a pail in hand
And let our children
And old folk like me
Enjoy the parks
And walk and run free.

(Answer to the Ode to Whom It May Concern)**WHAT'S "OWED" TO WHOM**

The next time you walk parklands
With your head up high,
Don't complain to me
If you step in a dog-pie.

But rather, stop to ponder
In your very sudden rage,
That many of God's creatures
Share our present age.

And from the code they live by
We could all learn a lot
If we could only quell our egos
And our human tempers hot.

Now consider that Mankind
In this modern day and age,
Still insists on keeping creatures
Behind bars and cage.

And thinks that the universe
Is his, and his alone,
To do with what he wants to
And that he never need atone.

For the crimes against society
That he constantly commits,
Scarcely thinking of his neighbours
That he calmly blows to bits.

And if you think it's a crime to defecate
Then remember this one too —
That the mud and slime in our rivers and lakes
Is nothing but human poo . . .

But heaven! that's OK you say,
It's flushed right out of view,
While parklands are visibly covered
With gallons of canine dew.

Now, some say dogs are messy
Some say dogs are dumb —
But they'll never pee in the bucket
That their next drink's coming from.

ENTHUSIASM AND SUPPORT FOR ALL FAIR ACTIVITIES EXCEPT SOMETHING FOR THE TEENS, WHY? WHO IS RESPONSIBLE?

After last year's Fair there was a lot of healthy feedback on how the Fair could be improved re: Softball Tournament, Bed Races, Parade, General Store and last but not least, the lack of games and activities for the 12 and over (as some of the young people put it, "The Fair was a rip off").

There was a meeting January 31, 1980 so people could air their ideas and make suggestions for improving the Fair. It was terrific hearing some new ideas for the General Store, Bed Races, Softball Tournament, and Parade -- but where, oh where, were all those young people and their parents who were so vocal about what a rip off it was last year for the teens?

In case no one out there had any ideas, the meeting decided to have a brainstorming session and are deciding to put the following ideas forward. The theme for the Fair will be "Western"; the lacrosse box turned into a Corral with a Saloon (pop and chips to be sold) where the young people can sit around, talk and listen to music groups (if they come forward) and play games geared to the 12 and over, such as flycasting (equipment: 3 tires, 3 fishing rods with weights on the end of the line instead of hooks); basketball (2 portable basketball backstops and hoops and 4 basketballs); street hockey (goal, 6 hockey balls and 2 sticks); milk bottles (a set of wooden milk bottles and 9 softballs); nail driving (4 blocks, nails, 4 hammers); crown and anchor (wheel and table); hoop game (hoop and blocks); darts (back board, darts, balloons).

The meeting felt the ideas were good but because everyone at the meeting had come to volunteer their time and effort for other activities, the ideas are still only ideas. SO, back to square one:

NEEDED: - Someone or group to organize and man Corral Saloon (or whatever you want to call it).
 - Someone or groups to run each game.
 (Each game is worth 1/4 share, Saloon 1 share).

Here's the ball, you decide if it's worth catching and doing something with it.

BED RACES -

Wayne is forming a Bed Race Committee. The duties of this Committee will be to decide policy and rules for the Bed Race. If you were involved in the Bed Race and feel it can be improved, or you would like to be part of the Committee, give Wayne a call -- he'd like to hear from you. It has been suggested the rules be published in the May BANAR. This means an April 1st deadline.

SOFTBALL TOURNAMENTS - Len Bourdeau, 824-5586

The Softball Tournament has been very successful, but because of its success and popularity, problems have arisen. We are suggesting a Committee be formed to try to come up with some solutions. The Fair Board doesn't want the streets, schools or other groups discouraged from forming make-up teams and yet they don't want to

discourage the keen competition that has been growing over the three years.

PARADE - Alder Crescent

Alder Crescent volunteered to organize the Parade this year. Cairine Wilson's band is entering the Parade and they are going to play at the Fair also.

CRAFTS - Bonnie Stevens, 824-6396

Pat Ulrich and Janet Erdeg attended the meeting and shared some tremendous ideas: divide the crafts into boutiques, kitchen, jewellery, bathroom, wall hangings, etc.; a boutique for the children's crafts made by children. There could also be a teen boutique. If you and a few friends or neighbours have an idea for a boutique, get in touch with Bonnie.

BOOKS - Gwen Bambury, 824-3595

Gwen is doing the Book Department again. You can drop your books off at Gwen's, 89 Bearbrook Road.

TOYS - Blackburn Co-op. Preschool

The Blackburn Co-op Preschool has again volunteered to do the Toy Department and the Magician Show.

PLANT DEPARTMENT - Now is the time to start your plants for the Fun Fair. A co-ordinator for the Plant Department is needed also.

WHITE ELEPHANT - If you are moving, or Spring cleaning, please don't throw away anything that could go for the White Elephant, Book or Toy Departments. We have a storage place available if you want to donate anything now. Call Bonnie, 824-6396 or Lois, 824-2903.

You will find a listing of all activities and their share value at the end of this article. Hockey, Ringette, Softball, Football, Little League, Lacrosse, Soccer -- why not come out and earn a share or two each -- you can divide it among the teams. It's more fun than selling raffle tickets, chocolate bars, etc.

FUN FAIR GOSSIP by Tex

I hear WOODHILL WOMBATS are entering a float in the Parade. KELDON KILLERS are planning to start spring training in March. WOODVIEW CRESCENT won't allow anyone to move on to their street unless they are good ball players. The HOME-STEADERS will soon have a junior ball team; their right fielder had twin boys and the coach had a girl last Fall. They've got the infield now - outfield to come.

Advantages of Leasing

- **No Capital Outlay**
- **Fixed Payments for term of Lease**
- **Tax Advantages (under certain circumstances)**
- **Does not disturb other borrowing power**
- **No worry concerning trade-in**
- **Availability of moving into a new car at the end of the Lease**
- **We lease new and previously owned vehicles**

Example:

1980 Citation 2-Door Coupe
 \$151 per month (tax and licence extra)
 2.5 litre Engine
 4 Speed Standard Transmission
 Rear Defroster - AM radio
 42 months - 60,000 kms.
 EPA Ratings - 27 mpg City, 46 mpg Highway

BLOCK PARENT

ALLTRANS EXPRESS LIMITED
FIRST BLOCK PARENT COMPANY

It is with great pleasure that I have the opportunity to welcome Alltrans Express Limited of 1792 Queensdale into the Block Parent Program. The office employees have generously offered the use of their premises as a "Block Parent Home". Their business is located quite close to three schools, Blossom Park Public School, St. Bernadette Separate School, and St. Bernard Separate School.

The office is open from 8:00 am to 8:00 pm and there is always someone present during these hours to assist a child in distress. The Block Parent sign is removed after office hours.

It is a great boost to the community when a business such as Alltrans Express limited will take the time to care about the young people of their community.

As quoted by an Alltrans employee that although they work all day they know that there are Block Parents where their children live so they wanted to provide the same service to the children of Blossom Park.

Anyone requiring further information may contact either Heather Carmody, Chairperson at 731-5796 or Cst. George Savage at 822-2916, Gloucester Police.

Children's Day Camp

COUNSELLORS

Applications are now being accepted for the position of Day Camp Counsellors.

Applicants must be a minimum of 15 years, a resident of the Hamlet and be available from July 7 to August 15, 1980.

Deadline for applications is March 22 and should be mailed to:

Mr. John Pollard, Chairman,
Youth Activities,
19 Alder Crescent,
Ottawa, K1B4X5.

Interviews for all applicants are not guaranteed, but all will receive a written reply.

John Pollard.

BLACKBURN RAMBLING SQUARES

(Sponsored by BCA)

The Blackburn Rambling Squares are back in full swing after the new year. Besides our regular weekly dancing, many club members enjoyed the January 5 New Year's Party at the Holiday Inn. Towards the end of January EOSARDA (Eastern Ontario Square and Round Dance Association) held the first of several New Dancers Nights. This was well attended.

The Blackburn Rambling Squares meet every Thursday night at Blackburn Public School. The New Dancers Class begins at 7:30 pm and we welcome newcomers at any time. Square dancing is friendship set to music.

For information, call 824-7869 or 824-7940 after 6 pm.

Valerie Hamilton.

Blackburn Hamlet PRE-SCHOOL

This is a co-operative Nursery School run and supported by the parent body. We offer a 2 half day programme (Tuesday and Thursday mornings or afternoons), and a 3 half day programme (Monday, Wednesday and Friday mornings or afternoons).

Children must be 3 years old as of December 31, 1980 in order to attend the school.

Families interested in enrolling their child for the 1980-81 school year can call the following people for information:

Those interested in the 2 day programme a.m. or p.m. call Sharon Irwin, 824-6964,

for the 3 day programme a.m. or p.m. call Maureen Poag, 824-6881.

How to save by insulating

If heat is lost too rapidly by conduction through a wall, floor or ceiling, you will feel cold. This will affect heating costs, since you will be inclined to raise the temperature in order to feel comfortable. Good insulation gives you more even comfort in your home at lower temperatures.

TEXACO CANADA
INC.

Special on C.M.H.C. approved Attic Insulation

Ten percent reduction on all orders received prior to May 31, 1980

BLACKBURN LADIES SOFTBALL REGISTRATION

All women, 21 years of age and over, are welcome, regardless of experience. The league consists of 5 teams, who play against each other once a week. Games are played on Mondays or Wednesdays from approximately 6:00 - 8:30 pm and each team usually has one practice per week as well. The season runs from early May to mid or late August.

If you are interested, please fill in the form below and bring it with you to Glen Ogilvie Public School on Saturday, March 8 from 10:00 am to noon. If you cannot come yourself, please have someone register for you. The fee is \$12.00 for Association members and \$15.00 for non-members.

CURRENT ACTIVITIES IN THE
CARLETON BOARD OF EDUCATION
... by Ed Campbell - Trustee

This time of the year boards of education tend to be very busy. With the distractions of the holidays behind them the schools are in full swing, the administrations of the boards are preparing budgets and looking at the next school year. The Carleton Board of Education is no different and we are looking at a period complicated by continuing accommodation problems, and as well 1980 brings us into contract negotiations once again.

In the last issue of the BANAR, Mrs. Pollard noted that no change was to be proposed for the attendance pattern for Cairine Wilson Secondary School. It is felt that the school can accommodate the students next school year without any change in the operations. We are reluctant to make changes, particularly in view of the study undertaken by Eric Runacres, the Commissioner appointed by the Minister of Education.

The Minister of Education decided that there would be no change in the Ottawa and Carleton Boards of Education boundaries, but did appoint Mr. Runacres to review the accommodation problem, to report to her by February 29. She rejected the francophone board and created more problems than she solved by adding francophone panels or components of trustees to each board. In the past, we may not have always seen eye to eye on our board, but we were able to resolve our difficulties together. She has now clearly delineated the French and the English. In the long term her efforts will prove a disservice to both groups, as well adding costs and administrative difficulties.

On the subject of cost, we are in the budgetary process, which is complicated by probable changes in board structure, but more particularly by the decline in enrolment which we are facing and the deficit which we encountered in 1979 and which will be a first charge to be dealt with in 1980. Declining enrolment has an effect on our grants, although the costs of running the system do not decrease to any degree.

We are facing a noticeable decline in 1980 - 1981, although there will be growth in some areas. Economic conditions are such that even areas such as Convent Glen will slow down. We are attempting to develop guidelines for dealing with this problem, as the future will likely result in school consolidations and thus inevitable closures in some areas. While the impact may be less in our board than in others, we have to face the reality that times have changed and that we will not be able to expand in the relatively easy fashion as in the past.

I will endeavour to report to you the outcome of the budgetary process and, as well, the results of the Runacres Report, if the Minister acts on it.

The month of March has been officially declared 'Diabetes Month' and it is at that time each year that volunteers go out in the community to help the Association raise money toward research, education and discovery.

During last year's National Appeal Campaign Blackburn Hamlet area residents gave most generously of their time as canvassers, while those who were canvassed contributed to our appeal for funds. We hope that our appeal this year both for canvassers, and for people to contribute to our need, will exceed last year's success.

If any members of the Canadian Diabetes Association, resident in the Hamlet, along with members of the general population thereof, would like to answer this appeal for volunteer canvassers, I would appreciate a telephone call at 824-5568. Canvass kits are available to anyone who would like to represent this Association during this time of our National Appeal.

Rita Rosenfeld

VOLUNTEER

VOLUNTEERS TO WORK WITH CHILDREN

There is a constant and widespread need for volunteers to work with children in the Ottawa-Carleton community.

The Central Volunteer Bureau, 85 Plymouth Street, which recruits volunteers for about 200 agencies in the area, says the children have a variety of physical, emotional and mental difficulties, and are of all ages. Many of them require individual attention, for which they depend on voluntary help. There is a need for volunteers giving anywhere from two to six hours or more a week.

In general, volunteer classroom assistants are required throughout the regional school systems to help with students with special learning and emotional problems.

There are also several special schools for mentally retarded children requiring volunteers to work daily on a one to one basis with their pupils. Volunteers are also needed to assist in swimming and riding programs as well as in gym programs. Day care centres, and pre-school programs are also looking for volunteers.

Details on these and many other requests may be obtained from the Central Volunteer Bureau by telephoning 236-3658.

A happy St. Pat's!

Join our circle!

WE DECIDED TO POSTPONE OUR CHARITY BENEFIT UNTIL LATE APRIL OR EARLY MAY. WILL KEEP YOU INFORMED OF OUR PLANS.

PERHAPS OUR
CUSTOMERS CALL US

'THE
GOOD GUYS'

BECAUSE WE SETTLE CLAIMS
"GOOD AND FAST"

Thank goodness we only have a small number of claims so there must be another reason why our customers call us "The Good Guys".

Maybe it's because of the enjoyment we have in giving truly personalized attention and professional service.

It might be because we guarantee delivery dates on shipments over 5000 pounds in short and long distance moves.

Maybe it's because we pack and store your goods with tender care.

And we believe in settling claims good and fast.

But whatever your reason, we want you to call us "The Good Guys" too!

The following is a letter received from the Children's Hospital of Eastern Ontario: Tea and Sale Donation 1978.

"On behalf of the Children's Hospital of Eastern Ontario, I would like to express my sincere appreciation for your most generous donation of \$500.00 which was used to purchase a Burton Adjustable Spotlight with Floor Stand for our Neonatal Unit.

We apologize for the incredible delay in getting back to you concerning this matter. However, innumerable requisitional and administrative delays were instrumental in our failure to follow up on your kind gift. The equipment is now in and functioning in a superb manner. The Neonatal Unit joins me in thanking you and your Girl Guides for their thoughtfulness and consideration for the children of our community. The light is a tremendous help in the surgical field and is also used for better illumination during examinations.

If you would like, we would be only too happy to install a plaque of acknowledgement on the lamp. The following wording has been suggested: Donated by Blackburn Hamlet Girl Guide Troop.

Should you and your guides like a tour of the hospital, please don't hesitate to contact us at 523-2860.

Once again, thank you for your most marvelous gift and I hope that you and the members of your troop have a safe, healthy and very happy new year.
(sgd.) H. H. Popham, President."

After discussing the above in both District councils it was decided that the plaque should read: Donated by the Girl Guides of Canada, Blackburn Hamlet.

DID YOU KNOW that on Cookie Day in 1979 Ottawa Area finished 13th out of 13 areas in the province? Come on, we can do better than that! Cookie Day is coming soon!

AREA 70TH ANNIVERSARY CELEBRATIONS:

There is to be a big parade from Lansdowne Park to Parliament Hill on Sunday, May 4. There will be helium filled balloons to carry as well as the flags of our member countries. For sure this will be a day to remember.

DISTRICT NEWS

Blackburn - Already we have heard that one or two of our leaders are being transferred later this year. We shall indeed be sorry to see any of our leaders leave. If anyone is interested in joining the Guiding Family you are most welcome to come and join us and observe the fun we have. If you would like to arrange a time, place, etc., please call Gill Greenham at 824-3810.

Glen Ogilvie District

46th Brownie Pack: Seven Tweenies were enrolled on December 4, 1979. Parents attended and goodies were served along with lemonade.

Our Christmas Party was held on December 11. Singing of Christmas Carols and then 3 delicious cakes were served. Fun was had by all.

Fly-up was held on January 15, 1980 and seven of our Brownies have gone up to the 46th Guide Pack.

23rd Pack: The Brownies made totem poles and are talking about Indians such as the Algonquin and Iroquois. We had a successful Christmas Party. Catherine Turner.

Blackburn District

Skatethon 1980. 195th Guide Company

THANK YOU to Mrs. Greenham for delivering the cards. We couldn't have done it without her. - To the sponsors for their generous support. - To the parents who came with us and helped us. - To the weatherman for the lovely day. - To the bus drivers who drove us from the coliseum to the ice. - To the Kinsmen who organized us and helped us down the stairs and stamped our cards. - To the yellow trucks which were life savers. We love yellow trucks! - To McDonalds who supplied the hot chocolate. We had a great time!! Two of our group, Rachel and Kelsey did the 40 kilometres. Rachel McCarthy, Kelsey Robin, Heather MacLean, Wendy Young, Lynne Mitchell.

GUIDE AND BROWNIE NEWS Continued

195th Company: On January 21 the 195th Company went to the Gloucester Fire Station and had a great tour. Thank you firefighters for all the fun we had. We had to write a test for the Fire Safety Badge. We all got our Fire Safety Badge and everyone liked it. Thank you to the mothers and fathers for driving the Guides to the fire station. Marni Foster, Patricia Griffin and Uzina Mirza.

186 Pathfinders Winter Camp: On the weekend of January 11-13, we attended a winter camp in Centennial Lodge at Camp Woolsey. Getting all our packs down to the lodge was hilarious murder. Everyone fell at least three times, including the food going over the bridge over top the little creek.

Some of the activities included a hike, observing trees, a cook-out in the snow, stalking using the proper signs and maps, campfire and a tropical Christmas using popcorn to make leis which we ended up eating.

In the morning we all were as cold as little snowmen but we soon woke up with a very good breakfast.

I'm sure we all enjoyed it very much. Lisa Smith.

EFFECTIVE PARENTHOOD

DATES: March 25 and 26, 1980

HOUSE PLANTS

by

Lyn Novak

Give as much light to your house plants as possible during the winter months. Spray-mist them occasionally, to combat the dry winter air.

POINSETTIAS

Keep your poinsettias out of drafts in a bright spot. Water only when leaves start drooping slightly, then soak it. Florist quality poinsettias should thus keep their colour for two months or longer. When colours fade, water sparingly, just to keep it alive. In spring; flood it, cut back to 2 inches from base and condition it by putting it outdoors in shade during the day for a week before planting it outside in a preferably sunny location, after frost danger. Plant in soil with or without its pot. Forget it till July. Then pinch back each growth (these cuttings can be rooted in soil). Water, and fertilize "stock" and cuttings until September, when you should dig up "stock" and plant in fresh soil in the same size of pot as the original was (trim roots if necessary). It must receive a minimum of 14 hours of total darkness daily for eight weeks before the leaves turn red. Often this is possible only by locking it in a closet each evening without opening the closet for even a few minutes.

CYCLAMEN

Keep cyclamen in a bright, cool place if possible. After flowering, pinch off the flower with its stem and reduce watering to zero by June. Keep tubers dry in the pot in basement until September, when you'll notice new growth. Repot, water and fertilize, keep in cool-bright place. Lots of flowers will follow. Cyclamen likes being watered from bottom by standing in water until top of soil gets moist.

KALANCHOE

Kalanchoe is a succulent. Lots of light; little water. Cut back after flowering. Stem or leaf-cuttings should be rooted in sandy soil (not water). Grow it outdoors in summer.

CHRYSANTHEMUMS

Keep chrysanthemums alive till spring, cut back and plant outdoors but it may not reflower. Indoors it definitely won't.

AZALEAS

Azaleas need cool, bright, but humid place. Keep outside during the day in spring and summer, but shade it from the sun when in bloom. Should flower again in fall or winter. Repot yearly in sand, peatmoss, lime-free soil. Two to three inch tip cuttings taken in spring will root readily.

Ladies Runner-up - G. Beck

Men's Doubles - B. Darlington/D. Hamel
Ladies Doubles - F. Hamel/P. Aung Thin
Mixed Doubles - S. Walker/D. Hamel

Thank You

Special thanks to the boys who built, maintained and supervised the outdoor rinks this year.

It can never be said that Blackburn doesn't train their share of outdoor rink attendants. Every year approximately 10 boys learn the 'know how' of building and maintaining an outdoor rink. This year's crew is as follows:

Bearbrook Rink - Tom Keyes, Manager,
824-5252

Kevin Casey
Graham Jones
Tom Allen
Dave Cooper.

Blackburn Rink - David Kemp, Manager,
824-2903

Wayne Daly
Robert Daly
James Legault
Tom Muldoon.

You've done a great job this year, boys.

Eldon Kemp

IS YOUR CHIMNEY A SLEEPING FIRE BOMB?

Burning wood and solid fuels in a fireplace or furnace deposits creosote and soot in the flue which can explode into a roaring fire. In 1977, North Americans had 40,000 chimney fires. Chimneys should be cleaned yearly.

PROTECT YOUR LOVED ONES - NOW

Expert cleaning guaranteed by costumed chimney sweeps using advanced technology. Smoke alarms installed.

GLOUCESTER SOCCER ASSOCIATION - 1980 REGISTRATION

824-8203 (after 6:30 P.M. and weekends)

The spring registration for the 1980 competitive and house league seasons will be held on March 8, 1980 at Glen Ogilvie School, 46 Centrepark Drive, from 9:30 A.M. to 12:30 P.M.

At the fall registration it was indicated that anyone registering in the spring would not be guaranteed placement on a team. While we have not limited registration in the past, the availability of suitable playing surfaces for 1980 is acute, (e.g., the two Tauvette Park pitches received badly needed regrading late in 1979 and will not be available for 1980). Field growth is not keeping up with the 20 to 25% annual registration increase. Maximum numbers of teams by age group and area have been established. Those who registered at the fall registration have been accommodated; those registering on March 8 will be placed to the best of our abilities. If you are unable to register your son/daughter on March 8 in person, please have a neighbour or friend register for you - the waiver portion of the registration form can be completed at a later date. No late registrations will be accepted.

Registration fee is \$14.00 per player. Please make cheques payable to the Gloucester Soccer Association. All players must be born no later than December 31, 1973. All registrations must be accompanied by proof of age.

Players should be contacted by approximately May 20. The house league schedule should commence in late May and will extend throughout the summer to September 13.

The success of the league, which in 1979 included 1,300 Gloucester boys and girls, depends on dedicated volunteers. Many parents and interested citizens have given their time and energies over the ten year history of the Association. We never have too much help. If you can help the Association in any way, please indicate so at the time of registration. As in the past, coaching and refereeing clinics will be presented.
