

BANAR

SUMMER

1980

BCA DIRECTORS MEETING

SUMMARY OF THE DIRECTORS MEETING - MAY 6, 1980

George Bushell introduced Nelson Williams to the Executive who has agreed to run for Sports Chairman next term. Mr. Williams, because of Gerry Beament's illness has been performing some of the duties of the Sports Portfolio during the last couple of months.

Dispensation Policy Re Volunteers and Sponsors - A Motion was made by John Pollard, seconded by Michelle Ashdown that the BCA does not give membership or registration reductions because a volunteer works in, contributes toward, or in any other manner assists in a program or activity in Blackburn. CARRIED.

Tennis. It is to be noted that Gloucester Township will manage the tennis courts this summer. Monitors have been hired and will be on duty 7 days a week. A flyer advertising a second tennis registration was distributed early in April and the response was very good.

Orient Park Park. Ideas for the Park are still under consideration with the BHCRCC and a flyer to residents south of Innes asking for ideas is planned.

Tauvette Park. The BHCRCC and Township will complete the seeding of the soccer field in this park as well as modify the goal standards to accommodate football.

Pet Control. Andy Macdonald (Civic Affairs) reported that he had submitted the report which was approved by the BCA Executive at the April meeting. Council was in favour of all 5 points. They are as follows:-

- | | |
|----------------------|----------------------|
| 1. Licensing. | 4. "Stoop 'n Scoop". |
| 2. Dogs at Large. | 5. Enforcement. |
| 3. Prohibited Areas. | |

However, Council stated that dogs should be banned from all park areas. Andy Macdonald felt that this was rather harsh and the Directors agreed. Consequently Andy will inform Council of our concern. It was agreed by the Directors that dogs should still be banned from school yards and play structures.

Gwen Pollard (Education) was happy to report that the crosswalk supervisors are working out very well.

The construction of the new school, Ecole Secondaire Francaise De L'Est, will begin shortly on Bearbrook Road across from Valewood Crescent.

Lois Kemp reported that Fun Fair arrangements are all well underway. Don Slack has agreed to organize a "Fun Jog" which will run from 10-11 a.m. through the Hamlet. There will also be a "live" pig for the Auction. Teen Coral plans are going well thanks to Janet Wilkinson.

The baseball tournament will be run as usual, but due to two recent injuries the large soft ball will be used instead of the small one. Furthermore, men will be pitching and helmets will be worn. Umpires will ensure that the competition is run safely.

Phil Chartrand (Membership) stated that we have sold 87 more memberships this year compared to 1979.

Late Registration Policy. After a short discussion, it was agreed by the Directors that residents requesting late registration in a BCA sponsored activity (eg. sports, Day Camp, etc.) would be registered immediately if feasible or if not, allowed to leave their name and number and contacted later if space in the program became available.

Nelson Williams (Sports) informed the Directors that baseball had an excellent registration turn-out - 533 in total for the baseball season.

It has been noticed that larger buses have been running on Route 36. These larger buses have a counting device which is being used to take a survey. Smaller buses will return to the Route as soon as the study is completed.

John Pollard (Youth Activities) reported that the Day Camp councillors and director have been hired for this summer. The fee for Day Camp is \$22 a week for a member and \$28 a week for a non-member.

The Bearbrook Pool will open for the season on June 14, 1980.

The Annual General Meeting will be held on May 27, 1980. A flyer will be distributed throughout the Hamlet to remind the Community of this important date.

YOUR COMMUNITY

3

FROM YOUR PAST PRESIDENT:

Another year has come to a close for the Board of Directors of the Blackburn Community Association. To those Directors who are retiring this year, I would like to extend a sincere "Thank you" for serving our community so well:

COLIN SANGSTER, 1st Vice-President, successfully completed a two-year term in this position where he has, in addition to other duties, been able to reduce our insurance costs by a significant amount. Colin also served as 2nd Vice before assuming his present duties.

MARILYN DILLANE, Secretary for the Association, ably recorded the proceedings of both our General and Board meetings over the past two years in spite of the sometimes lengthy discussions.

PHIL CHARTRAND, Membership, must step down after two years because of a transfer. We will miss Phil as he did a superb job managing the yearly membership drive, attending numerous registrations and meeting with the Newcomer's Club.

GERRY BEAMENT, Sports, has completed two arduous years chairing this portfolio and deserves a change of pace. Sports is one of the largest and most demanding of all Board positions.

CHUCK CONWAY, Special Projects, has, over the last two years, organized two very profitable fertilizer drives, co-ordinated a number of children's plays, in addition to organizing several other special events. He is being transferred this year and must retire from the Board. We wish you success in your new job!

MICHELLE ASHDOWN, Publicity, edited the Hamlet's very own magazine during the last two years. She did this in spite of tight deadlines and late submissions. Thanks for a superb job, Michelle! Our Association and community would be a far less enjoyable place to live without this important means of communication.

To those who are returning for another term of office, a special "thank you" is in order for continuing to give of your personal time and skills:

BILL GRAHAM, 2nd Vice-President, was always willing to book a needed school facility even though the given lead time was often too short. Bill also served willingly on several special sub-committees during the last year.

DON GRAY, Treasurer, has managed the Treasury of the BCA in a professional and capable manner and was able to achieve a significant saving in the cost of our 1979 audit. With an annual budget of just under \$200,000, Don's job would be even more difficult if it weren't for the untiring efforts of our Bookkeeper, BILL COLLIER. Thank you too, Bill.

ANDY MACDONALD, Civic Affairs, stepped in this year to fill an unexpected void and did a great job. With such issues as pet control, overhead wires, sidewalk clearing and so forth, Andy has been very busy. I should mention that before Andy assumed the duties of this portfolio, DENNIS THOMAS performed the duties of Civic Affairs (i.e., until he learned of an out-of-town assignment for next year). Even so, Denny still continues to help Andy whenever possible.

ELDON KEMP, Maintenance, continued to serve the community again last year by maintaining our outdoor rinks and playing fields. Eldon has performed this important job for more years than most of us have lived in Blackburn.

GWEN POLLARD, Education, addressed many education-related issues over the last year. The crosswalk supervisor study at the Bearbrook crossing is only one of the several time-consuming projects that she has spear-headed. Next year, Gwen has offered to chair Publicity, and I know she will maintain the tradition of excellence that the community has come to expect from its BANAR editors.

JOHN POLLARD, Youth Activities, has completed two years in this portfolio where he organized one of the best and most financially successful Day Camps to date, attended B.H.C.R.C.C. meetings and, in general, kept in touch with Youth issues in the community. Next year John will serve as 1st Vice-President where his talents will be much appreciated.

MIKE ROCHE, Transportation, has had an especially busy year with such issues as the by-pass, intersectional improvements at Bearbrook and Innes, crosswalk improvements and O/C Transpo. Furthermore, he has chaired the Gloucester Transportation Consultative Committee. Next year Mike will assume the duties of Association President, and as retiring President, I want to extend to him an especially warm welcome. I know he will perform an admirable job and that the continued health and vitality of the BCA is assured.

LOIS KEMP, Fun Fair, will have chaired her 5th Fun Fair by the time this issue reaches you. Each year our local Fair gets better and better, and I am sure that this year it will again surpass all previous records. Keep up the great work, Lois!

In closing, I would also like to thank every worker, volunteer, sponsor, coaches, leaders, BANAR advertisers and BCA members for making my job and those of the Board both possible and enjoyable. Without your contribution there would not be a Blackburn Community Association. I thoroughly enjoyed my years on the BCA Board meeting with and working for you, the residents of Blackburn.

Have a good summer.

George Bushell,
Past President,
Blackburn Community Association.

GLEN OGILVIE SCHOOL LIBRARY ON MAY 27, 1980, AT 8:00 P.M.

President George Bushell called the meeting to order at 8:15 p.m. There were approximately 25 in attendance.

The Minutes of the January 29, 1980 meeting were distributed.

MOTION: Moved by Denny Thomas, seconded by Colin Sangster that the Minutes be adopted as tabled, CARRIED.

Directors' Reports. George Bushell noted now that the Blackburn Community Association is Incorporated, Executive members are now known as Directors. The Directors then gave a brief report.

Colin Sangster, 1st Vice-President, mentioned that because the BCA now ensures with Gloucester Township, our costs have been reduced from about \$2,800 to less than \$500 per annum.

Bill Graham, 2nd Vice-President, noted that the booking for schools for BCA events went well this year and as Chairman of the Nominating Committee, indicated that many residents volunteered to serve on the Board.

Don Gray, Treasurer. Don presented a draft of the 1979 Financial statement. This report will appear in the Summer issue of the BANAR.

Phil Chartrand, Membership. He reported that 87 more memberships have been sold to date this year, compared to the total for all of 1979.

Andy Macdonald, Civic Affairs. Andy reviewed several issues including the new shopping centre, Pet Control in the Hamlet, fencing repairs around the Quarry and Cablevision on Bearbrook.

Gwen Pollard, Education. Gwen informed the meeting that the crosswalk supervisor study on Bearbrook is going well.

Eldon Kemp, Maintenance. Eldon, who could not be present, maintains ball diamonds and outdoor rinks in the Hamlet.

Gerry Beament, Sports. Gerry mentioned that enrollment was up in most activities and that the new football team formed last Fall had a very successful season.

John Pollard, Youth Activities. Last year's Day Camp was very successful, both financially and otherwise. This summer's camp promises to be another winner.

Chuck Conway, Special Projects. Chuck organized 2 children's plays, which is always rewarding, the fertilizer drive and the Volunteer Appreciation Dance.

Mike Roche, Transportation. Mike reported that the two open houses regarding the By-pass were very well attended by the Community. He is continuing to work for crosswalk improvements and changes at the Bearbrook/Innes intersection.

Lois Kemp, Fun Fair. The Fun Fair baseball tournament began last weekend. Finals will be played this weekend. The CKOY baseball team will play the Championship team this Sunday, June 1st, Tauvette Park, 6:30 p.m. All other Fun Fair arrangements are all well underway. June 7th - Fun Fair Day promises to be another huge success.

Michelle Ashdown, Publicity. Michelle, who was unable to attend, is in charge of issuing 9 issues of the BANAR each year. A big job.

Amendment to By-law No. 1 (re the membership year). Copies of this By-law concerning the membership year were distributed.

MOTION: Moved by John Pollard, seconded by Phil Chartrand that the corrected By-law regarding clarification of the membership year be approved. CARRIED.

Nomination and Election of 1980/81 Board of Directors.

CONTINUED

Bill Graham (Chairman of the Nominating Committee)

Sports -	Nelson Williams
Education -	Sheila Dubois
Youth Activities -	Ken Greenlaw
Special Projects -	
Transportation -	Terry Melski
Fun Fair -	(The 1981 Chairman will be chosen
Publicity -	Gwen Pollard in the Fall)

LETTERS TO THE EDITOR

Dear Editor:

During the past year, two of my children have been confronted by a male individual indecently exposing himself. This occurred on two separate occasions near the same location in Blackburn Hamlet.

After discussing these occurrences with other Hamlet residents, it seems that other similar incidents have occurred from time to time, but not all have been reported to the Police. When I reported the incidents involving my children, the Police advised me that anyone involved in an occurrence of this nature should definitely report it. If all incidents were reported a pattern of behaviour may evolve, thus allowing the Police to identify suspects and, hopefully, solve this situation.

I am writing to the BANAR so that other residents of the Hamlet who are concerned about the safety of their children and themselves might become aware of their responsibility to report all incidents and thus assist the Police. The Gloucester Police can only act, if they receive information.

Yours sincerely,

Name Witheld

With the summer holidays now here, we felt this letter was timely in that more children will be out on the streets. Help keep our community safe by reporting any suspicious occurrences to the Gloucester Police - 822-2916.

Editor.

JOB WELL DONE

For the past two years, Michelle Ashdown has been responsible for the finished product of the BANAR. Michelle has spent many hours

- talking on the phone
- arranging and rearranging pages
- cutting and pasting and re-cutting
- rushing to make a deadline
- consulting with the graphic artists and typist
- cajoling, pleading and begging for early submissions
- managing a budget & making bank deposits
- bookkeeping and attending BCA meetings.

This has all been done to bring you the professional BANAR you hold in your hand. This bulletin informs you about your community - is the voice of your community. We owe Michelle a special THANK YOU for the numerous VOLUNTEER hours spent on the BANAR. I only hope I can follow her example and produce the BANAR in the same efficient manner.

A SUPER JOB MICHELLE!

Gwen Pollard.

MOTION: Moved by Colin Sangster, seconded by Don Gray that the above slate of officers be nominated to the positions as shown.

The President asked if there were any other nominations but none were forthcoming.

MOTION: Moved by Phil Chartrand, seconded by John Pollard that the nominations be closed. CARRIED.

MOTION: Lois Kemp moved a vote of thanks to George Bushell and the retiring BCA Directors for their work throughout the year, seconded by Dick Cottingham. CARRIED.

Market Value Assessment. Mr. Brian Moore from the Provincial Assessment Department joined our meeting to discuss the new assessment method that may be introduced in Gloucester Township next year (subject to approval by Council). This assessment method began in 1970 in Ontario. Mr. Moore stated among other things, taxes would probably remain constant or decrease in Blackburn for the newer homes which are built on a residential sized lot (eg. 50' X 100'). However, older homes on a few acres of land would probably see their taxes increase.

President Bushell thanked Mr. Moore for attending our meeting. George then thanked all those present for attending.

MOTION: Moved by Andy Macdonald, seconded by Gwen Pollard that the meeting adjourn. CARRIED.

The President declared the meeting adjourned at 10:05 p.m.

LOTTERY: We need your assistance in selling tickets for 'The Gloucester House Lottery'. For every 50 tickets you sell or have sold, you will be given a chance to WIN a Southern trip for two, complements of ABACUS TRAVEL and SUNFLIGHT TOURS, or one of two panasonic colour televisions.

Please Note: When you agree to sell 'Gloucester House Lottery' tickets, you agree to be responsible for the return of the ticket stubs. All ticket stubs must be returned to the Gloucester Fund Raising Group, P. O. Box 8333, Ottawa, Ontario, K1G 3V5.

Our instant-win tickets give you a chance to win an \$85,000.00 Costain home in Orleans, plus better than 1 chance in 10 of winning instant cash of \$2, \$5, \$10, \$20, \$50, or \$100.

For information, call Susan Watson at 741-1350, Local 57.

DOOR TO DOOR CANVASS: During the summer months, volunteer students will be assisting with the door-to-door canvass in Gloucester. They will be delivering fliers to each home before making individual calls. Each student will have a 'Gloucester Fund Raising' identification badge and receipt book. All donations are valid for income purposes, so be sure to get a receipt. For more information, call 741-1350, Local 57.

If you are over 15 and unemployed for the summer, we need you! Earn a little extra money and assist a volunteer organization whose aim is to raise money for the Orleans Recreation Complex.

Job Opportunity

The Blackburn Community Association is seeking an individual to perform the duties of Canteen Manager during the 1980-81 operating season. The job will require a responsible adult(s) available daily for the period mid September '80 to mid April '81. (Two adults could be hired to share the work load.) The duties involved include:

- a) Preparation of the canteen prior to operation
- b) Daily management of the canteen including opening, instruction of volunteer staff, and cash collection.
- c) Purchase, receipt, and slowage of canteen stock.
- d) Record keeping of purchases and sales.
- e) Co-ordination with Gloucester Township and the volunteer staff co-ordinator on staff requirements.
- f) Canteen cleanliness.

It is anticipated that the job will involve between 10 and 15 hours per week including some daytime duties. The BCA is offering \$50.00 per week for a suitable applicant(s). Inquiries as to specific duties and applications are to be forwarded to:

How to save by insulating

If heat is lost too rapidly by conduction through a wall, floor or ceiling, you will feel cold. This will affect heating costs, since you will be inclined to raise the temperature in order to feel comfortable. Good insulation gives you more even comfort in your home at lower temperatures.

SCHOOL BUSES
- ONE YEARS GRACE -

If residents do not push for changes in crossings on Southpark, Innes, Bearbrook and Ridgeburn Gate, they will be left with NO improvements and NO SCHOOL BUSES. Due to safety factors, the Transportation Office of the Board of Education has agreed to leave school buses on for ONE more year only. However, it was made clear at a meeting between residents, trustees, transportation officials and BCA executive members that it was up to ratepayers to ensure that safety measures be implemented. It would appear from the response the BCA received, a stop light, and not crosswalks, would be preferred at Innes and Navan Roads. The BCA has advised Regional Government of this change and studies are being conducted. It was the strong feeling of residents in this area that they did not wish to repeat the mistake made on the other side of the Hamlet by using crosswalks. In the area of Ridgeburn Gate, a request will be made to Council for sidewalks so children walking to Glen Ogilvie will not have to walk on the roadway at this point.

If you are unhappy with the traffic patterns and crossings in the Hamlet, make your feelings known to Regional officials, Township officials; i.e., your elected representatives, including your trustees. Remember once again -- it is up to YOU -- we have been given one more year to effect proper safety measures.

CROSSWALK

The crosswalk on Bearbrook is no longer supervised by adults. Do you care? With school buses coming off next year - DO YOU CARE? Since Township officials agreed to adult crossing supervisors in March several factors have come to light:

- a) Some children and ADULTS are not using the crossing properly.
- b) Motorists are still failing to stop for the flashing lights.
- c) Traffic is increasing on Bearbrook and Innes Roads with the new shopping plaza.
- d) On May 23rd a child on a bicycle, trying to beat a car, was hit on Bearbrook at Centrepark - no injury.

In addition, Regional Traffic have advised us they are going to put a delay on the buzzer (hopefully by the time you read this, it will be installed) on Bearbrook Road.

We will monitor the crosswalk, along with the one at Southpark, over the summer, and the BCA will continue to push for improvement. A report will be made to Township Council in the near future re the last 15 weeks with a crossing supervisor. The BCA is doing its part to effect improvements in the Southpark, Innes, Bearbrook area -- are you doing yours? What can you do? Call your elected officials!

SENIOR MEN'S SOFTBALL

Men's Softball requires bodies. Please call Dave MacIsaac, 824-4185.

We play every Sunday morning at Tuvette Park.

fun fair '80

Blackburn did it again! Fun Fair '80 was a day of fun, fun, fun for all who participated.

It is impossible to mention everyone individually who was responsible for making the day so successful, but I would like to thank the celebrities who took time out of their busy lives to join us for the Canoe Race; also CKOY's ball team for the fun game they played against the Teachtotallers, "A" champions, at the end of the Fair ball tournament. We also owe a hearty thank you to John Cains and the others at CKOY for the radio coverage they gave our fair.

There are two community groups I feel should get honourable mention and they are the Westpark Connection and Associates and the Woodhill Wombats.

The Westpark Connection is something else again. Ed Major and Wayne Lyttle were Fair directors in charge of Fair Features. Janet Erdig and Pat Ulrich convened the Craft Department. The quality and quantity of crafts were unbelievable. Lydia Benne convened the King and Queen contest and Jim Hood, Bill Collier and Associates organized that tremendous Parade. There was a Westpark Connection bed entered and last, but not least, Wayne supplied the Fred Guy moving trucks; his men and their wives helped the Venturers move the tables and chairs from the school to the saloon, to the arena, and back to the school Sunday morning. He also got the loan of the float for the stage. They even had enough 'get up and go' left to go to the dance. If there was an award for street or group participation, there is no doubt who would get it this year so, on behalf of all the Fair goers, let us take our hats off to the Westpark Connection and Associates for many of the events so well done.

Woodhill Wombats - Steam engine float.

Woodhill Wombats finally won a trophy! They have been trying for two years to beat the Blackburn Homesteaders in ball (I couldn't resist the opportunity!). They sure came up with a winner with their Steam engine float. They were also winners with the way they ran the Fun Saloon. They always had a smile on their faces, even at the end of the day after serving over 2,000 bottles of ----. They were late but I understand they made the dance too.

Tobi Benne

Dana Jardine

The business community was terrific with their support this year. All the auction articles were donated which brought in \$1,600 for the Fair. It is very difficult not to give special mention to some of the donors, but where do you start and stop? Everyone who donated before the June BANAR deadline got an ad in the June BANAR; the balance are listed this month. If anyone can come up with a better way of thanking all these people, please speak up; but, just remember one thing, \$10.00 to a new privately-owned small business often is felt more by the donor than a \$200.00 donation from the profits of a big corporation. Let's not overlook the spirit that the donations are given in -- money value isn't everything.

Gord - Eldon - Don Budd - Dave - Randy - Murray

There are two facets of the Fair that should have some feedback from the people involved and they are the two competitive events: the Ball Tournament and the Bed Race. Len Bourdeau is having a meeting for anyone interested in the Fun Fair Ball Tournament on Thursday, July 3, 1980 at Blackburn Public Library at 8:00 p.m. This is your chance to put your ideas forward where they will do some good ... don't wait until next May, after the fact.

Ball Tournament Trophy

Teach Tottlers - "A" Champions

There has been feedback about the games and prizes for the past couple of years so this year we tried to get a handle on some of them. The Fish Pond gave out 750 - 25¢ prizes, 770 - 20¢ prizes and 975 - 15¢ prizes, making a total of 2,495 prizes. Each 'fish' cost 15¢ - 1 ticket. The other games had prizes ranging in price from 6¢ to \$1.00. It stands to reason, if you give the winners a 60-cent prize, everybody can't be a winner or the game would soon go broke, but our reasoning was that kids like to receive something, so we got the 6, 10 and 15-cent prizes for the kids who were part-winners. The price of the games were also kept at 15¢ as it was felt the kids just like to play the games; they don't expect to be winners every time and raising the price to 20¢ would just cut back the number of games they can play. If anyone has any ideas on how the games can be improved, please get in touch with me at 824-2903.

Dennis Donnelly, Treasurer, reports: "Fun Fair breaks \$20,000 Gross Income which will net a return to the community in excess of \$10,000". A financial report will be published in the October BANAR.

I would like to take this opportunity to thank you for allowing me to chair the Fun Fair for the past three years as it has been very rewarding to be involved in its growth and its success. There were approximately 1,200 people involved in putting the Fair together and they had fun doing it. Let us never lose sight of the first priority of the Fun Fair which is FUN. The spirit and fun that is generated by Fun Fair can never be bought with money, so let's keep the things we benefit by the money raised, a by-product of the Fair. Thanks again!

Lois Kemp.

Since Emily Carr opened its doors in 1973, the school has had an instrumental music program. The middle school concept or junior high school fosters the Arts Program and tries to develop basic skills and interests in these areas to better prepare students for secondary school curriculum.

Students entering Grade 6 or 7 at Emily Carr have the option to learn basic wind instruments of the band. They follow this program through for two or three years and if they decide to continue at the high school, do so at the Grade 9 enriched or Grade 10 level. Emily Carr feeds Cairine Wilson, as well as Gloucester High. Most of the instrumental students do continue at the secondary level and it is interesting to note that very few students choose instrumental music at this point unless they have previously taken it at the elementary or middle school level!

Mr. John B. Black is the present music teacher at Emily Carr. A former Supervisor and Music Consultant for the Carleton Board, Mr. Black came to Emily Carr in 1976 after Board Policy restricted long term consultant services at the Administration Level.

The instrumental program has steadily grown over the past few years and has reached 125 members this year, 20% of the total school population. Mr. Black hopes the program will level off at this point so that his other music program (Music Arts) will still effectively reach those music students not in the instrumental program.

This year's band comprises 60 students, 45 of which play in regular concerts. Performances this year have included afternoon concerts at John Young Elementary School in Glen Cairn and Henry Munro Middle School. Evening concerts were held at the Gloucester High Spring Concert and Glen Ogilvie School. The Band played at the Special Arts Night in May at Emily Carr. Recently Cable TV recorded a 15-minute segment of a band performance for the program 9-2-4 to be aired on Channel 12 on June 8, 9, 15 and 16. A newly-formed Graduation Band which includes Grade 7 and selected beginners will play at this year's Graduation Exercises at Gloucester High on Tuesday, June 24.

Those wishing to enrol in the Band program will be encouraged and welcomed by Mr. Black. Mr. Black should be congratulated for encouraging students and providing excellent basic instruction at the middle school level.

BLACKBURN BENGALS MINOR FOOTBALL

The Blackburn Bengals will be entering their seventh year of competition in the Ottawa-Carleton Minor Football Association with the opening of training camps in August. The Bantam team, ages 14 and 15, will open their training camp and registration on Monday, August 11 at 6:30 p.m. at Emily Carr Middle School on Innes Road in Blackburn Hamlet.

The Peewees (ages 12 and 13) and the Mosquitos (age 11 and under) will be opening their training camps and registration at the same location one week later, August 18 at 6:30 p.m. (Maximum age in each category is as of November 15, 1980).

Boys and girls living in Blackburn Hamlet, the Orleans area including Convent Glen North and South, Queenswood Heights and Village are invited to try out. All equipment except footwear is supplied and the \$6.00 tryout fee includes a Bengals T-shirt.

The Bengals also have a cheerleading squad for each team (corresponding ages) and interested girls should contact Mrs. Jean Seeney (824-1478).

Anyone wishing further information should contact any of the following: John Rowe, Convenor (824-6665), Ken Geiger, Bantams (824-0709), Pat Vasudev, PeeWees (824-7522), Pete Nowlan, Mosquitos (824-2959).

RECREATION PROGRAM FOR CHILDREN WITH SPECIAL NEEDS

The Gloucester Association for Children with Special Needs operates a bilingual program for children, ages 5 - 12, with varying degrees of learning disabilities. It consists of gym activities, arts and crafts and water play. Under the supervision of our Co-ordinator, Susan Martin, we have a dedicated, enthusiastic team of teenage volunteers. Each child is matched with one of these volunteers who works on a one-to-one approach.

We aim to increase the child's self confidence and motor development, all in an atmosphere of fun.

For more information, or if you would like to volunteer, call:

Betty Stephens at 824-3473

SUMMER

Gloucester Township has been offering entertainment in the parks over the past few years.

Through the month of July the "Some Enchanted Evenings" program will come your way to bring you a great variety of performers. Spectacular shows will be given in all major parks of the Township. In the Blackburn area, you will have a performance every Thursday evening. We will alternate between Bearbrook and Diceman park.

Below are the scheduled performances for your area:

<u>July 17 - Bearbrook Park</u>	- July 3
Apex Jazz Band	Mumbelle & Glumbelle (mime)
<u>July 24 - Diceman Park</u>	
Irish Dancers	<u>July 10 - Diceman Park</u>
<u>July 31 - Diceman</u>	Wiz Bryant (folk singer)
Jim McGreavy Band	

SOCER SCHOOL

Gloucester Soccer School will be held weekly, June 23 to August 8, 1980. The School will use the Earl Armstrong Arena, Trillium Park and Gloucester High School. The school is held for youths between ages 8 and 18, and will be divided into 3 levels: Basic for the beginner to 3 years experience; Intermediate and Advanced at a cost of \$40.00.

In addition, a Goalkeeper's Program, July 7 - 11 and 14 - 18.

For further information, call Glenn Shirtliffe, Director, at 824-5638.

ORIENT PARK

The Blackburn Hamlet Community Recreation Centres Committee is at the present time considering the future development of Orient Park. The Committee wishes to have as much input as is possible from the residents of the area surrounding Orient Park on the type of development for the park. In particular, the Committee is concerned with residents' views on equipment and facilities which the residents would like placed in the park and the location of these facilities, if any, in the park. Those residents of the Orient Park area wishing to provide the Committee with their views on the development of the park should provide these views in writing prior to the 15th day of August, 1980. It would be appreciated if those persons interested in providing views would write to:

MARKET VALUE ASSESSMENT

On the average, property taxes in Blackburn Hamlet will be slightly lower under the market value assessment system, now before Gloucester Council for possible implementation next year. This was the message from Brian Moore of the Regional Assessment Office at the May 27th BCA Annual General Meeting. However, he pointed out that some properties will experience higher assessed values -- those with large lots, very large houses, etc.

In a one-hour presentation and discussion, he explained that all properties in Gloucester township have been under continuous analysis as to market value for the last 10 years. As properties are sold, the sale price (market value) is registered and this is noted by the regional assessment appraisers. The average of transaction prices over similar houses (with allowances for such items as playrooms, pools, air conditioners, double garages, etc. adjusted for quality) for a period determines the market value.

During the conversion, provincial law requires that tax revenues from each of the six assessment categories (residential housing is one category) under the new market value scheme cannot exceed the revenues from the existing scheme. Thus, within each category, total residential taxes under the new system cannot exceed that under the present regime.

Mr. Moore noted that normal maintenance expenses, repairs, etc. would not increase a house value for tax valuation, whereas deferral of such expenses could reduce its value.

Gloucester Township Council has not yet approved the conversion to the new system. While the tax rolls are already updated, no specific information on any property can be released until the Township Council approves the conversion. Mr. Moore stated that ample time (i.e., 2 or more months) will be allowed for individual property owners to investigate and discuss their assessments if the conversion proceeds this next year. A 3-stage appeal process, ending at the Ontario Municipal Board, is also open to those dissatisfied with their assessments.

DOG CONTROL

A draft by-law has been prepared by Township Council which embodies all of the recommendations of the earlier BCA submission to Council. A letter has been written, suggesting that the existing proposal that dogs be banned from all parklands was unduly harsh, and that all that is required is a prohibition from school yards and narrowly-defined play areas. Exemptions for the blind were also suggested.

DID YOU KNOW that the 195th Guide Company have a sister company in England? They are the 3rd New Milton Guide Company. New Milton is situated in Southern England in the New Forest. (Look for it on a map!) Several of the girls are writing to our girls here in Blackburn. We are lucky enough to be able to have the following report from them -

3RD NEW MILTON GUIDE COMPANY:

The 3rd New Milton Guides meet on Monday evenings from 6:30 to 8:00 p.m. at our Guide H. Q. near the centre of New Milton. At present, we have 23 guides and 2 guiders. Numbers are down at the moment which seems to be the general trend. We have 4 Patrols - Bullfinches, Kingfishers, Robins and Swallows. We are one of 3 Companies in New Milton serving a community of approximately 18,000 people along with 4 Brownie Packs and 1 Ranger Unit.

During this last year the 3rd New Milton Company has been steadily achieving much Eight Point work and the Guides have gained a large variety of Interest Badges including Accident Prevention, Be Prepared, Collector, Cyclist, Gymnast, Homemaker and Writer. During the light evenings we had several cook-outs with each Patrol building and cooking on their own fire. Bangers and beans seem to be the most popular item on the menu with toasted marshmallows to follow!

In June we joined with the other Companies in our Division and enjoyed an afternoon of activities at Foxlease, our local training centre at Lyndhurst. We did lots of interesting things including struggling over an obstacle course, knotting, fire lighting, and walking (or rather falling off) tins.

October was a busy month for us. We did a 10 mile sponsored walk, doing 20 laps of our local recreation ground, picking up litter as we went. We also had a Jumble Sale and altogether we raised over 150 P. for our funds.

For our Open Evening we invited Parents and Friends to come and see an exhibition of some of the work the Guides had been doing during the previous months, four Guides gained their Hostess Badge by serving coffee and biscuits to our guests. We were presented with a splendid Shield by one of our parents to be used as an Inter Company Challenge Prize in our District. Our Lieutenant had made us a Company Mascot which she brought along to the meeting. He is a 3-foot tall toy rabbit and he wears a Guide tie and promise badge. We have called him Gerry and he is taken home each week by a member of the Patrol which has gained the most points during the meeting for such things as behaviour, badges gained, inspection of uniform and games won.

On October 29 we had a Hallowe'en Party with the 1st New Milton Company. The Guides came dressed as witches and ghosts and there was a prize for the best costume. There was also a vegetable lamp competition and lots of games in the dark. Everybody brought 'spooky' food and amongst the delicacies were bats' wing sandwiches, dracula's fried fingers (sausages) and cobweb cakes, all washed down with gallons of bat's blood (cider and lemonade).

We attended church in February for Thinking Day, and at our celebrations afterwards we had chosen Canada as the country we would send our thoughts to. We thought particularly of our Sister Company in Ottawa, and the

few Guides lucky enough to have pen pals there thought especially of them.

March saw the entire Company attending lectures for the First Aid Badge. On the night of the exam, the lights went out in the side room where the exam was to be held so in the end we all had to cram into the tiny kitchen, where we played memory games while the examiner saw one guide at a time in the main hall!

The highlight of our year was our visit to London in April, the Rangers and the 1st New Milton Guides helped us to fill our coach along with a visiting Guide from New Zealand and a parent. We had a super day out and saw many of the 'sights' including Buckingham Palace and the Tower of London. We had a trip down the River Thames and a ride on an Underground train. We also visited Commonwealth Guide Headquarters and were shown round the offices where there are presents from Guides all over the world.

We are at the moment learning Flower Arranging and several of the younger Guides are planning for their Hostess Badge.

Janet Reed, Guide Captain
Hampshire, England.

Thank You

A belated thank you to all who gave their time and effort on behalf of our recent Fertilizer Sale. Special thanks to Dave Scrim, Ed Jardine, Dave Cooper, Bob Searle, Hoddy Corrigan, Pete Edwards, Graham Marr and all those who helped with the delivery

GLoucester Ringette SchoolAUGUST 25 - 29, 1980POTVIN ARENA

This School will emphasize individual skill development such as skating, passing and shooting. Ringette films and blackboard classroom sessions as well as an outdoor program of conditioning will complete the program.

The School will begin at 9:00 a.m. and end at 5:00 p.m. with at least 2 hours of on-ice training per day. The School is to be limited to 90 participants with first consideration given to Petites, Tweens and Juniors; i.e., girls born after 1964.

The fee for the School is \$40.00 per registrant.

Information and application forms are available from:

Brian Near
62 Rebecca Crescent
Ottawa, Ontario.

Home: 746-3784
Office: 997-7040

Many thanks to all Team Captains, Canvas-sers, and donors who gave so freely of their time and money to ensure that the Canadian Cancer Society Campaign for 1980 be a success. I am pleased to report that the Gloucester-Cumberland Unit reached its objective of \$55,000. Of this amount \$7,671.05 was donated by the residents of Blackburn Hamlet area.

Mabel Jensen,
Area Co-ordinator.

IS YOUR CHIMNEY A SLEEPING FIRE BOMB?

Burning wood and solid fuels in a fireplace or furnace deposits creosote and soot in the flue which can explode into a roaring fire. In 1977, North Americans had 40,000 chimney fires. Chimneys should be cleaned yearly.

PROTECT YOUR LOVED ONES-NOW

Expert cleaning guaranteed by costumed chimney sweeps using advanced technology. Smoke alarms installed.

AUDITORS' REPORT

To the Members of the
Blackburn Community Association:

We have examined the combined balance sheet of the Blackburn Community Association as at December 31, 1979 and the statements of general fund revenue, expenditure and accumulated net revenue and Fun Fair revenue, expenditure and accumulated net revenue for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances except as explained in the following paragraph.

In common with many non-profit organizations, the Association reports amounts for membership fees, committee revenues and fun fair revenues which are not susceptible of complete verification by audit procedures. Accordingly, our verification of revenue from these sources was limited to a test comparison of recorded receipts against bank deposits.

In our opinion, except for any adjustments which might have been required had revenues been susceptible of complete audit verification, these financial statements present fairly the financial position of the Association as at December 31, 1979, and the results of its operations for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Ottawa, Canada,
May 23, 1980.

BLACKBURN COMMUNITY ASSOCIATION

STATEMENT OF GENERAL FUND REVENUE, EXPENDITURE AND ACCUMULATED NET REVENUE

YEAR ENDED DECEMBER 31, 1979

	<u>1979</u>	<u>1978</u>
Revenue:		
Municipal recreation grant	\$29,512	\$28,562
Membership fees	7,832	7,338
Interest income	4,816	2,623
Insurance proceeds (note 4)		14,462
Transfer from reserve (note 4)	4,516	
	46,676	52,985
Expenditure:		
Net expenditure - committee operations (Schedule A)	33,233	22,995
Administration	3,962	5,685
Publicity	2,369	3,221
Civic affairs	33	52
Education	11	43
Transportation	100	
Transfer to reserve (note 4)		14,462
	39,708	46,458
Excess of revenue over expenditure for the year	6,968	6,527
Accumulated net revenue, beginning of year	14,094	7,567
Accumulated net revenue, end of year	\$21,062	\$14,094

4. Reserve for Capital Project

Reconstruction of a building destroyed by fire in 1978 was completed during the year. An amount of \$4,516, being the excess of insurance proceeds received over the reconstruction costs incurred, was transferred from the "reserve for capital project" to "general fund revenue" during the year.
