

# BANAR

SUMMER

1985

## FROM THE B.C.A. PRESIDENT

Since this is the last edition of the BANAR for the summer, and since we have had our annual General Meeting at which the financial statement of the Association was presented, and since a new slate of Directors has been elected, it is appropriate to summarize the activities of the last year.

The B.C.A. has continued to provide a focal point for community activities and as such has permitted an orderly co-ordination of a host of programs.

Meetings with city officials, both elected and bureaucratic have served to keep both them and us aware of events which impinge on the Blackburn area. The N.C.C. has given us assurance that they have postponed activity on extending the parkway through the Hornets Nest playing fields, which will be of assurance to soccer teams. The East Urban Communities continue to press for improved road facilities, but thanks to our Civic Affairs Director and his team both they and area governments are aware of the concerns of the Hamlet vis a vis Innes Road.

The Youth Program has continued to provide a wide range of activities including the summer Day Camp whose vigorous program is well subscribed.

Educational matters have been watched and will be watched and reported upon by the Education Director.

Special Projects and Fun Fair/Day Directors have provided that essential ingredient to community spirit by co-ordinating the Volunteers Dance, Fashion Show and the Fun Fair/Day activities.

Under the management of our Membership Director a larger number of memberships than ever have been taken out. This fact alone gives evidence that there is a continuing interest in having a community association.

Our Maintenance Director has evolved to become also maintenance director for the B.H.C.R.C.C. as well. This change is rewarding evidence that these two organizations have common interests in providing both facilities and programs for the community which must be, from time to time, co-ordinated.

The Sports Director has provided the most time consuming and energy demanding efforts in ensuring that the various sporting programs are run in a business like manner. The provision of a focus for these activities has permitted the pooling of monies through a common banking system which has enabled us to generate added revenue by judicious management of our funds.

The First Vice-President has been a touch-stone to the organization bringing her expertise to many activities and more particularly being the co-ordinate for booking space in schools for many groups which require room to conduct the many events which go on in the community.

Second Vice-President has kept a watchful eye over insurance matters and provided sage advice as to better ways of getting things done. His energy in contacting N.C.C. has been invaluable.

The record of meetings and the reporting of them has been ably handled by our Secretary.

The Treasurer has effected a first class management of financial matters and has ensured that the large sums of money handled by the Association have been responsibly husbanded. In this he was given sterling assistance by Mrs. Joan Ronan, our book-keeper. Thanks Joan.

Finally, but not least, the Publicity Director has continued the excellent production of the BANAR, a paper whose superb professionalism gives a first class forum for community identity and the exchange of ideas.

Many of the people above, are going on to provide service to the community in either the same portfolio or another. They will be joined by new volunteers and thus the vitality of the B.C.A. is ensured.

The Directors have been most ably complimented by the multitude of leaders of various programs whose interest and enthusiasm has ensured that this remains a lovely community in which to live.

And me. I've had the honour to preside over this great group of ladies and gentlemen. Thank you all and every good wish to our successors. God Bless.

BLACKBURN COMMUNITY ASSOCIATION

REPORT AND FINANCIAL STATEMENTS  
DECEMBER 31, 1984

AUDITORS' REPORT

The Members  
Blackburn Community Association

We have examined the balance sheet of the Blackburn Community Association as at December 31, 1984, and the statements of revenue and expense and surplus for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances, except as explained in the following paragraph.

In common with many non-profit organizations, the Association reports amounts for membership fees, committee revenue and tennis fund revenue amounting to \$172,155 which are not susceptible of complete verification by audit procedures. Accordingly, we were unable to determine whether any adjustments might be necessary to revenue, deferred revenue, excess of revenue over expense for the year, or surplus.

In our opinion, except for the effect of any adjustments which might have been required had we been able to satisfy ourselves with respect to the receipts referred to in the preceding paragraph, these financial statements present fairly the financial position of the Association as at December 31, 1984 and the results of its operations for the year then ended in accordance with generally accepted accounting principles, except for the recording of fixed assets as described in note 1 to the financial statements, applied on a basis consistent with that of the preceding year.

## EDUCATION

It is with sadness I inform you of the death of Marcel Limoges a caretaker at Glen Ogilvie School. He is fondly remembered by students, staff and community groups. He spent many an evening and weekend helping set up for all our meetings and recreational activities. Our sympathy is extended to his family.

TOP SECRET!

On a happier note I am pleased to announce the winner of the B.C.A. Leadership trophy at Good Shepherd School is Fiona Smith. Congratulations Fiona for a superb job. The next BANAR will name all children (from other schools) winning the trophy. (At BANAR deadline they had not yet been chosen)

If I can help you with any educational problems, please feel free to call.

## FROM YOUR ALDERMAN

### BLACKBURN HAMLET

A Ward in the November 12th 1985 Elections

Ontario Municipal Board recently handed down its decision on wards in the City of Gloucester. The Board members did not accept the recommendation of Council to have a combined Blackburn-Orléans ward with three aldermen elected to Council. Instead they split the area into two wards - Blackburn with one representative and Orléans with two representatives. While I appreciate the fact that the Hamlet is set aside like an island in the Greenbelt I don't see any real advantage in it becoming the smallest ward with only one representative on Council. Some members of Council were quoted in a report by the Citizen: "interest by all aldermen in Blackburn problems would likely diminish". I don't accept that as completely valid - Blackburn Hamlet is a vibrant, healthy community whose demands have not been unreasonable. Such a community will send an effective member to sit on the Council and I can assure you Blackburn hamlet will continue to attract my interest and support.

I made a presentation at the Ontario Municipal Board hearing - I suggested three wards with two members each plus the Mayor and two Regional Councillors elected at large. This would have given a better mix of ward representatives and at-large representatives as well as ensuring that those who sit on the Regional Council have a total municipal perspective and correlated accountability.

The members of the Board decided that the process of election to the Region was beyond their mandate and should be dealt with by way of a recommendation by the Minister of Municipal Affairs and Housing to the Cabinet. Provincial policy statements have been calling for direct election to regional councils and underscoring the importance of accountability. The Province has approved such an arrangement for Nepean plus the added feature that regional councillors also sit on the local council. A similar arrangement for the City of Gloucester would provide additional support for a small ward such as Blackburn Hamlet.

Gloucester Council has passed a resolution requesting the Minister of Municipal Affairs & Housing to consider its By-Law (based on the highest percentage achieved in the elections) and make a recommendation to the Cabinet. We will await the decision and consistency in application of policy by the Queen's Park authority. Failing this the respective legislation provides for the matter to be determined by resolution of the Council of the area municipality. This is a last resort and has potential for many undesirable situations - one example would be representatives going to the Region who did not publicly seek such a mandate and therefore can hardly be held accountable. I expect that the Province will carry out its responsibility and make the necessary changes to the Regional Municipality of Ottawa-Carleton Act.

## Heart Fund

Many thanks to all of the people who froze in February collecting for the Heart Fund. February is a cold, windy, dismal month. As a canvasser, I have wondered why I volunteered. The ink in your ball point pen freezes. You freeze, But, when you return home (after spending only about 1 hour) and warm up with a hot drink, a very warm feeling spreads over you. You count the money. Is it enough? YES!!

About 100 of your neighbours froze. About 15 people organized the 100. As a result the people of Blackburn Hamlet donated almost \$9,300.00 this year. This is fantastic considering some people are not home when the canvasser called and many give at the office.

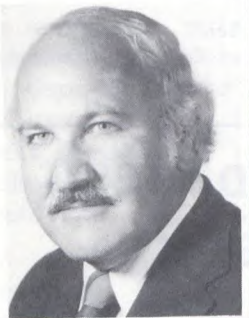

Once again, I thank all of the captains, canvassers and contributors. The people of Blackburn Hamlet have again shown their spirit of generosity, compassion and a willingness to volunteer. Without you the Heart Fund Campaign could not have been a success.

Thank you  
Gloria Dawn Warkentin-Coulter  
Area Chairman

P.S.

We are always looking for volunteers. You may leave your name with me for next year. (824-8914)

## LIBRARY

### LIBRARY EXPANSION BLOCKED

The Blackburn Hamlet Branch of Gloucester Public Library has been in the Common Shopping Centre since 1980. In that period, its collection and use by the public have grown considerably, and the need for more space is evident.

In June, 1984, Gloucester Public Library Board requested Gloucester Council's approval to expand the branch into the adjoining vacant space in the shopping centre. Council refused the Board's request.

The Board has now learned that the space in question has been let to another party, and is no longer available for the library.

### EXPANSION DE LA BIBLIOTHÈQUE REJETÉE

Depuis 1980, la succursale Blackburn Hamlet de la Bibliothèque publique de Gloucester se trouve dans le centre d'achats "The Common". Pendant cette période, la collection et l'usage de la succursale ont augmenté tellement que le besoin de plus d'espace est devenu évident.

En juin 1984, la Commission de la Bibliothèque publique de Gloucester a décidé de faire agrandir la succursale en louant l'espace vide à côté. La Commission a cherché l'approbation du Conseil de Gloucester. Celui-ci n'a pas trouvé bon d'approuver l'expansion de la succursale.

La Commission de la Bibliothèque vient d'apprendre qu'une autre partie tient cet espace, qui n'est plus disponible à la Bibliothèque publique.

## SCOUTING IN BLACKBURN HAMLET

The graduation ceremonies between the Beaver, Cub and Scout levels have begun. While the Leap-up from the Cub to Scout level is planned for June 4, the Swim-up from Beavers to Cubs were held by colonies and packs in May.

Beavers preparing to swim up the the Wolf Cub level.

At the Swim-up ceremonies, junior Beavers form two lines, symbolizing river banks. The graduating Beavers stand at the front of the river banks; their Beaver Leader then explains to them the significance of the journey they are about to take, and thanks them for their participation in the colony. The graduating Beavers then "swim up" between the river banks to greet a horseshoe ring of Cubs and the Cub Leader. The boys' parents stand behind their sons; the Beavers open and close their eyes, symbolizing the flash of lightning that changes them into Wolf Cubs; the parents remove the Beaver vest and the transformation is complete. What were graduating Beavers have now become freshmen Cubs, or Chums, as Boy Scout lingo would have it. The Cub Leader welcomes these Chums to the pack, presents each with a special white scarf and shakes their hands. The Chums are then integrated into the Cub horseshoe, and join their fellow Cubs in the Grand Howl.

Beavers at the Beaver Camp.

The First Annual Beaver Camp was held at Camp Opemikon on May 10, 11 and 12. Participation in this event was phenomenal, with Beavers coming from every colony. At the camp, colonies arranged their own activities, and sometimes all the colonies would join in an event together.

Beavers at the Beaver Camp.

On Friday night, a basic orientation of the camp was explained, the Beavers were settled in their cabins and then all gathered to watch Scouting films from the National Film Board. The boys finally dropped off to sleep that night at about 9:30; not without, of course, the usual giggling and flashing of flashlights. The first Beaver was up at 5:30 the next morning! After an 8:00 breakfast, the colonies pursued their own agenda. A typical agenda consisted of a hike through an orchard to O'Brian's Lake, making crafts on the picnic tables in the Cub Field, eating lunch and joining other colonies in playing with parachutes. A bonfire was held at night, along with singing and roasting marshmallows. The weather was caught in the fun mood of the weekend, providing sunshine and "shorts and t-shirts" temperatures. Enthused with the success of this year's camp, the first venture of its kind involving boys from all colonies, the Beavers are eagerly awaiting next year's Beaver Camp.

A third May Beaver activity was the triannual Beaver Picnic, held Saturday May 25 at the Governor General's Residence Grounds, Rideau Hall, Sussex Drive. An opening

SCOUTING IN BLACKBURN HAMLET (continued)

ceremony was held at 10:30. Crafts and games were set up at five different stations. At fifteen minute intervals, after activities were completed, the Beavers rotated to their next station. Each colony prepared its own lunch, gathering with all the other colonies afterwards for a sing-song and the closing ceremonies.

The Beavers weren't the only active Boy Scouts last month. The Cubs are looking forward to their June 7 to 9 camp at Camp Opemikon. This camp will have an Indian Theme, and will include such activities as swimming, nature rambles, fire building and a glass-blowing demonstration. Cub Colin Willey of B pack, Blackburn's Kub Kar Rally winner, participated in the National Capital Region Kub Kar Rally and placed second.

Both Scout troops attended the '85 Canadian Jamboree preparation camp at Opemikon. This trip showed the need for tent repairs and for the honing of some camping skills; an uncovered tin of cocoa and a roll of paper towels were among the items abandoned to Mother Nature's whimsy overnight. "A" troop had a bicycle trip to Kemptville on April 26 and 28, as part of the work needed to obtain the Gold Badge. The boys had "a whale of a time" and remember the experience as a valuable one. "A" troop also held a cooking camp at Fitzroy Harbour on May 10 - 13; parental assistance was particularly appreciated. "B" troop is planning to attend the Alert 6 camp at Camp Opemikon, a patrol competition to see who can camp the best. Some of the criteria involved are cleanliness of site, food storage, garbage and waste water disposal, fuel arrangements and how visible tent lines are in the dark. On May 31, John Stuart, Christopher Webb and their parents will attend the Chief Scout and Queen's Venturer Award ceremony at Laurentian High School. Blackburn's Venturers joined Venturers from all over Ottawa at a camp at Opemikon on May 18, 19 and 20. The Venturers also helped out at the First Aid station at the Beaver Picnic.

## GLOUCESTER POLICE

For the past 8 years, Mrs. Moira Proulx of Eastvale Drive Gloucester, has been the co-ordinator of the babysitting training course which has the approval of the Canada Safety Council. This course was given at the Colonel By High School, twice a year. It is estimated that 480 young people successfully completed the course. Staff Sergeant Rick Carrière has lectured to each one of these courses during the 8 years that they were offered, on safety concerns that were pertinent and topical to the young students. Monday evening April 15, 1985, the last lecture was conducted by S/Sgt. Carrière.

## To Blackburn Homeowners:

Many homeowners in Blackburn Hamlet are in a position of requiring their roofs re-shingled. The following queries should be considered when hiring a roofer.

### Ask for references:

References expose the history of a roofing company. Experience and quality workmanship will insure a dry home.

### Ask about guarantees:

Roofing guarantees on workmanship range from 1 to 5 years. Be convinced that the guarantee will be honoured by an established company.

### Ask if the old shingles should be removed:

Most roofs in Blackburn Hamlet are badly curled and bubbled therefore it is recommended they be removed. If not, they restrict the new shingles from sealing properly.

### Ask about different grades of shingles:

Most manufacturers offer two grades of shingles. In most cases guarantees are for 10-15 years.

### Ask how they intend to dispose of the old shingles:

Beware of the garbage box!!

It may block your laneway for up to one week even though the actual job only took just a few days to complete. Also if the box is not properly supported it may leave permanent damage.

A roof that leaks and is not detected promptly will deteriorate the plywood sheathing and eventually the framing of your home as well as destroy your insulation and the drywall of the ceiling. Therefore, it is very important that the job be done properly.

Another senior guide, Fiona Smith is preparing to receive her All Round Cord in the fall.

We bade a fond farewell to our Guider-in-charge, Liz Barbeau and her guide daughter, Sarah. We shall miss you.

## BLACKBURN DISTRICT NEWS

By the time you read this all the packs and companies will be finished their activities, until September. I imagine there were many tired feet and bodies after the big parade on June 2nd. Seventy-five years in Guiding is a milestone for us. We thank one and all who have helped us reach this stage and look forward to another 75 years.

We would like to say "Thank You" to all the people who helped get us through the year. The people who tested the girls for their badges, those parents who drove girls to special outings and all those leaders who worked so hard to make things go smoothly.

We wish you a good summer from the Blackburn District.

Mrs. Linda Schmidt P.R.

The Guiders of Blackburn District would like to express their thanks and appreciation to Mrs. Joanne Mulligan, District Commissioner and to Mrs. Donna Vasudev, Deputy District Commissioner, as they come to the end of their terms, for three years of dedication and support. The jobs you have had are very time consuming, at times, trying and, too often, thankless but very necessary and important to successful guiding in our community. Thank-you ladies, may you have a well-deserved rest and in the fall we have this great job, very little work involved.....

Our thanks, also to Mrs. Gill Greenham, Division Commissioner and Mrs. Barbara Nanavati, Deputy Division Commissioner for "getting the messages through" and taking such good care of us all.

And...last, but not least, our love and best wishes to Jane Veinot from all her friends - Brownies, Guides, Pathfinders, Guiders, past and present, who have enjoyed her warm smile and helping hand over the years. We're going to miss you, Jane. Lucky old Clarence Creek!!

## 195th Girl Guides

Once again our guiding year has come to an end. Our last meetings have been extremely busy as we tried to finish of badges and challenges for our final presentation.

June 1st we again ran a game for the Fun Day - thanks to all those girls who helped. June 2nd several of us attended the Ottawa Area 75th Anniversary Parade. Did you ever realize so many people were involved in Guiding? - actually its probably two or even three times as many as we saw that day.

June 3rd was our company closing banquet. What an exciting night it was!! Five of our senior girls were presented with their All Round Cords. Congratulations to Tanya Faure, Anna Fulton, Karen Greenham, Dana Jardine and Nicole Tremblay!! Following the Cord Ceremony we had a special ceremony for these same five girls as they are now going on to Pathfinders. Blue and green candles were lit to symbolize the transition from Guides to Pathfinders and the company sang "Go Well and Safely" to them. We certainly are going to miss you girls!! Good luck and thank you for all that you have done for the 195th Company.

A special thank you to the Pathfinders and leaders, Mrs. Firma French and Mrs. Fran Jardine for helping with our ceremony. Thank you, also to Mrs. Carol Faure, her hostess girls and Mrs. Trixie Clow who did such a good job of organizing and serving at our banquet.

Finally, as we say goodbye, on behalf of Mrs. June Miller and myself, I would like to express our good wishes to the 195th Company. We have greatly enjoyed our association with leaders and girls, past and present. Good luck and many happy times to Mrs. Trixie Clow, to all the 195th girls next year and to Mrs. Carol Faure, whatever her decision maybe.

Have a great time all those attending Doe Lake, Woolsey and Heritage Camps this summer

Pam Robin

## 179th Brownie Pack

Brownies has come to a close for another year and it was a really busy one. We finished off our year with a barbeque at Snowy Owl's house with hamburgers, hotdogs, kool-aid, popsicles and donut holes. The girls were presented with their badges and Kelly Walsh and Alison Turnau were presented with Girl Guide mugs for their winning cookie posters. Thanks must go to Snowy Owl's husband for cooking our dinners; it tasted great, and her two sons who volunteered to play games with the girls - thanks Paul and Sean. I'd like to take this opportunity to thank Nancy Turnau, Sue Walsh and Kathy Greenlaw who volunteered their time to be leaders with me. Sometimes it was hectic but without their help and support Brownies would not have been so great. Thanks for all the good times we had. I wish everyone a safe and happy summer and I hope to see you in the fall.

## Blackburn Hamlet PRE-SCHOOL

Another successful school year has come to an end. The highlight of the final month of school was a trip to catch tadpoles and a nature walk guided by Mrs. Madill. Numerous trees and plants were subjects of discussion, as well as many small animals. The children passed an exciting half-hour catching tadpoles by the dozens, although the majority of the catch was returned to its home water. Only a few tadpoles returned to the pre-school to become the object of much discussion and wonderment. Thanks for helping out, Jackie.

The last day of school was again a hit as "Wet'n Wild Day." Huge bubbles, sand castles complete with moats and foot painting were the order of the day. Wet'n Wild Day also marked the end of my association with the pre-school, and I would like to thank the teachers for the past four years of enjoyment experienced by my children.

A few vacancies still exist in the afternoon programmes for the 1985-86 school season. Please call the registrar, Mrs. Hedy Burton, at 824-1057, for further information.

## CANADIAN CANCER SOCIETY
