President's message

It has been another busy couple of months for the BCA this fall with all kinds of events. From the Discovery Café to the Seniors Breakfast, Friendsgiving and countless events for Blackburn Hamlets youth – there is always something going on for residents of all ages!

As 2026 winds down, we're looking forward to a busy holiday season. We're expecting another visit from Santa on December 5th at the Community Hall at the annual Pancake Breakfast. Seating is limited so make sure to book a spot for you and the family!

The lighting of the community Christmas tree will take place on December 12th at Aspira Bearbrook, a great spot to bring out the family for a little Christmas spirit!

On another note, every year, the BCA hosts a day to appreciate our amazing volunteers and their families to thank them for spending their valuable time putting on countless events, watering gardens and flooding rinks! And while all the volunteers are essential to helping the BCA, this year, we took a minute to recognize Lisa Margeson and Mélanie Mathieu as our co-volunteers of the year. Lisa is not just the treasurer of the BCA, but also a hands-on participant at many of the events run by the BCA. In the last few years, Mélanie has taken the youth director role to new heights with countless events, contests and activities.

To close out, and as we cruise through the holiday season, keep your eyes on the winter events schedule. We've got another Hockey day in the Hamlet coming up in January, some fascinating Discovery Café topics, Seniors Breakfasts, youth events and so much more.

Jeff Miller, *BCA President*

Don Kelly,
BCA Director and Coordinator

This year, the BCA's annual lighting of the Community Christmas Tree will be held on December 12 at the Aspira Retirement Residence, located at 2645 Innes Road. The event will start at 5pm and we will light the tree at 5:30. The entire area will be lit up with colourful lights and festive decorations. We are also exploring adding some pizzaz to our event with a marching band. Stay tuned!

Celebrating Our 2026 BCA Garden Watering Crew

Miriam Hampson, BCA Beautification Director

As the gardening season has come to an end, the BCA would like to take a moment to recognize the 24 dedicated volunteers who made up our 2026 BCA Garden Watering Crew.

This year marks the 6th season of the BCA's garden project, and once again, our volunteers have gone above and beyond to keep all four of Blackburn Hamlet's community gardens looking welcoming and beautiful from May through October.

The work of the Watering Crew goes far beyond simply watering flowers. Volunteers lugged and hauled water, trimmed grass, pulled weeds, deadheaded flowers, cut back overgrowth and tended to the many little details that kept these gardens healthy, tidy and looking their very best throughout the hot summer months.

The results speak for themselves. These gardens add colour and character to Blackburn Hamlet and provide a warm welcome to residents, neighbours and visitors every time they enter our community.

What makes this project especially meaningful is that it is powered entirely by people in our neighbourhood who choose to give their time. Life is busy! There is no shortage of things competing for our attention, which makes the commitment of these volunteers all the more appreciated.

To our 24 Watering Crew volunteers: **thank you**. Your time, energy and willingness to pitch in have made a real difference to the look and feel of Blackburn Hamlet. Your efforts may often happen quietly and behind the scenes, but they certainly do not go unnoticed.

Here's to 6 years of growing beauty, community spirit and pride in our beautiful Blackburn Hamlet — and to the volunteers who make it possible.

Glen Ogilvie Gift of Giving 2026: ITEMS NEEDED!

The Parent Council at Glen Ogilvie is looking for donations to help make this year's Gift of Giving a success! If you have small, unopened gift items gathering dust in your house, this is the perfect opportunity to gently re-gift them for a great cause!

What's Gift of Giving?
On the 1st Friday of December, every student at Glen O. has a chance to look through a trove of donated gift items and choose two presents for special adults in their lives, at a suggested donation of $1/gift. Items are donated by the community, sorted by the parent council and displayed and wrapped by volunteers. Proceeds are donated to the Dragon Fund as well as our local food bank.

What Kind of Items Do You Need?
We are in need of new, unopened gift items for adults, especially sports items and games. Donations should be small and sturdy enough for a child to bring home in a backpack. This is a re-gifting effort: please do not purchase new items to donate!

Suggested gift ideas include:

- Books: novels, cookbooks, up-to-date hobby guides
- Accessories: hats, scarves, belts, ties, purses, sportswear, jewellery
- Small decorative items: artwork, picture frames, seasonal ornaments, garden decorations
- Home goods: kitchen accessories, mugs, BBQ items, sports accessories, tools, electronics, outdoor gear.
- Gift Wrap: small and medium sized gift bags, tissue paper, bows

Please DO NOT donate:

- Opened items
- Items with inappropriate words or images for small children
- Anything perishable
- Large or delicate gifts
- Anything dirty, broken or stained

Donations can be dropped off any time in the marked bin outside the front door of 46 Bearbrook Road, or during school hours in the main office at the school.

If you have any questions, please email the parent council at sc-glenogilvieps@ocdsb.ca.

A Christmas Concert Coming Near You!

On November 22, 2026, volunteer singers, musicians and members of the Youth Group from the Good Shepherd Parish will perform live at the church, 3092 Innes Road, starting at 7pm. The doors will open at 6:45pm.

The show is a parish fundraiser to benefit the Knights of Columbus, who will use the proceeds to finance two of their programs, and support the local food banks.

- The first program is called "Food for Families" and is used to help some of those families that have difficulty making ends meet in the Christmas period.
- The second program is called "Coats for Kids," and in a similar fashion, helps to provide coats for children of those families that are either new to Canada and don't have winter coats, or for those families that are struggling to afford them.

In addition, if the donations are large enough to cover the two programs, extra money collected will be donated to the local food banks in Blackburn Hamlet and Orléans.

Following the performance, there will be a small reception with lite refreshments. Please come and listen to our local performers and take the opportunity to support some good causes.

If you are unable to attend, you can still donate money either by dropping a cheque at the Good Shepherd Parish Church, to the order of "Good Shepherd Parish," and indicating "Christmas Concert" in the memo field, or you can donate through the parish website, using pllenty: https://goodshepherdparish.pllenty.com/. Please choose "Assistance to the Needy" in the Step 1 tab.

Volunteer Appreciation Day 2026

Don Kelly & Brent Lawrie, Event Coordinators

On Saturday, September 19, 2026, the BCA held their annual Volunteer Appreciation celebration in the Red Barn at the Just Food Community Farm. This annual celebration is held as a community thanks to the vast number of volunteers who contribute their valuable time and efforts to help our large number of events run smoothly.

Our guests were entertained by the energized music from the Orleans School of Rock and treated to a wide selection of food from Meatings Barbeque, including smoked wings, pork ribs and seasonal veggies.

One of the highlights of the event was the presentations to our two Volunteer of the Year award winners, Lisa Margeson and Mélanie Mathieu. Both Lisa's & Mélanie's names are engraved on the Volunteer of the Year plaque, on display in the BCA Showcase of Excellence at the arena.

Lisa has been a member of the BCA since 2018 and has been an active member with many roles, including Membership Director. Over the past 8 years, due to her solid financial background, she has been the BCA Treasurer and has admirably improved our accounting practices while effectively steering our finances in a positive manner.

Mélanie joined the BCA board in 2024 as our new Youth Director. Over the past two years, she has organized an amazing number of contests and events for kids and youth of all ages that regularly see over 50 participants. Mélanie's enthusiastic engagement with our youth community has been instrumental with our youth having fun, making new friends and connecting with our community.

Congratulations to Lisa Margeson and Mélanie Mathieu for their well-deserved awards! And also, a special thanks to those many volunteers who heighten the values of our community.

Our Volunteers of the Year, Lisa Margeson (left) and Mélanie Mathieu. Thank you both for your incredible dedication to our community.

DISCOVERY CAFÉ NEWS

Barbara Whittaker,
BCA Director/Discover Café Co-organizer

Discovery Café lectures take place at 7 PM at the Blackburn Community Hall, 190 Glen Park Drive, on the fourth Thursday of the month (September to November and January to May). Admission is free, people of all ages are invited and refreshments will be served.

The 2026-2027 season of Discovery Café kicked off with Activate Healing Clinic Osteopath Oleg Bagrin talking about chronic pain causes, symptoms and management. His colleague Dr. Stephani Dunk also walked us through the hows and whys of intermittent fasting, one of the many approaches that were mentioned.

In October, the popular Dr. Christopher Skinner returned to give us an update on the latest information about strokes. He discussed the types of strokes, their impact, reducing risk factors, tools for personal risk assessment and medications used to prevent and treat strokes.

If you missed either of the sessions, the audio recording with the PowerPoint presentation of each will be available on the BCA's YouTube channel.

Please join us for the upcoming sessions.

November 26, 2026 – Flying High – Canada's Future Low Altitude Economy – Dr. Jeremy Laliberte, Professor and Associate Chair of Lab Operations, Mechanical and Aerospace Engineering, Carleton University
Canada has historically been a leading aerospace country, with one of the largest traditional aerospace sectors relative to population. However, change is coming in the form of advanced air mobility (AAM), representing one of the most disruptive shifts in the global aerospace sector since the introduction of the jet engine. AAM includes well-known technologies such as military and recreational drones, as well as less prominent advances such as pilotless air taxis, wide-scale use of autonomous delivery drones, novel vertical take-off and landing aircraft, and electrically powered aircraft, among others. Dr. Jeremy Laliberté, from Carleton's Advanced Aircraft Design Laboratory, will share recent advances in this emerging field and discuss the impact on Canada's traditional aerospace sector and the broader Canadian economy as low-altitude advanced air mobility technologies take flight.

January 28, 2027 – The Role of Renewable Energy in the Energy Mix – Dr. David Holmes
This session will focus on the various forms of renewable energy and their present and future contributions to our overall energy use in Canada and elsewhere.

If you have any suggestions for topics or speakers, please email barbara@blackburnhamlet.ca. We look forward to seeing you!

Public Awareness: Rabies in Ottawa

Rabies is a deadly virus that can infect all mammals including humans. Once an animal or a person is sick, there is no cure, it is 100% fatal. The only treatments available are to prevent the virus from infecting the animal in the first place (vaccines and also, for people, antibodies injections) which needs to be done prior the exposure or right after the contact.

The biggest risk currently in Ottawa is bats. About 2-3% of the bat population in Ontario are infected. In 2024 a little boy died of rabies from a bat exposure (no bite was found) here in Ontario.

There is also currently a raccoon rabies epidemic in southern Quebec, less than 3 hours away from Ottawa, with 295 Rabies cases confirmed in animals in 2026, including 3 cats.

This month, we had a situation where a bat came into the house of one of our clients and came in contact with one of their indoor cat. Even indoor-only pets are still considered at risk. Any exposure to a bat (even if there was no known contact) should be reported to Ottawa Public Health to ensure all the precautions are taken for the safety of the family exposed.

This is the reason why, in Ontario, all cats, dogs and ferrets (and farm animals) are required to be vaccinated and kept up to date on their rabies vaccination. It is for both yours and your pet's safety.

We are accepting new clients and new patients. Tell your friends!

Seniors Breakfast Get-togethers (Halibut House)

Our monthly breakfast on September 2nd was attended by 38 people. $128.50 plus many grocery items were collected for the Life Centre Food Bank. We sang Happy Birthday to those with birthdays that month and made a few announcements regarding upcoming events.

Our October 7 breakfast also had 38 participants, and Garth Hampson led in the singing of Happy Birthday to those with birthdays in October (including his wife, Eleanor, to whom he sang an additional lovely old love song). A few announcements were made about past and upcoming events. We collected $118 plus groceries for the Life Centre Food Bank. Also, at the breakfast, sadly, we announced the recent passing of one of our regular seniors, Bill Thurlow.

The breakfasts take place between 8:30 and 9am on the first Wednesday of each month at Halibut House, 2672 Innes Road. Seniors (55+) are welcome to join us on the following dates:

- November 4
- December 2
- January 6
- February 3

To help our friends at the restaurant prepare and as the breakfasts have become quite popular and as seating is limited, it is very important to call/text Shirley at 613-841-7691 or email seniors@blackburnhamlet.ca to register by the Monday preceding each breakfast.

Seniors Walk & Talk Outings

The Walk & Talk events resumed after the summer break with a lovely fall walk on October 14 at one of the Mer Bleue trails, followed by a walk within Blackburn Hamlet on October 28. We started at the crosswalk of Bearbrook Road and Isaiah Scharfe Park, and there were 2 & 3 km circuits.

Future Walks will take place at the same location in Blackburn at 1:00 pm on the following dates:

- November 18
- December 9

September 13

A picnic took place at the Just Foods location, 2391 Pepin Court, for Blackburn Seniors and their families which was held on Grandparents Day.

Food and beverages were provided, and there were loot bags for the kids. We had games, a scavenger hunt, face painting, and draws a number of prizes. Special thanks to the Blackburn Hamlet Community Association for covering the cost of this special event and to Tammy Bedard and the Aspira Bearbrook Retirement Home for the wonderful large basket gifted as a door prize. Thanks also to the very industrious, capable and creative members of the Seniors Action Committee along with some of their family members for an extraordinary job of making this wonderful event happen.

A guided visit with sampling of several exquisite wine creations and lunch at Vézeau Vineyard & Strawberry Patch took place, including lunch with Roman-style pizza and strawberry dessert. Nine attended and expressed how much they enjoyed this event and hope we do it again next year.

October 10

Committee, along with the fantastic assistance of three student volunteers and Lynn Lefevre of the BCA. Many hands made light work as a few others helped set-up/take-down, carve the turkey, decorate and more.

We had turkey with all the trimmings and various other dishes and desserts. Three tables tied for the trivia quiz answering all 20 questions, so we had a tie-breaker and awarded the winners with gift certificates from Dollarama. We also had 3 door prizes, donated by one of the members of the Seniors Action Committee, Marion. We also gave out treat bags and little gifts to the kids and $38.00 and groceries were donated to the Life Centre Food Bank.

October 30 (Eve of All Hallows' Eve)

Lunch held at Portugalos Restaurant, 110 Bearbrook Road, was attended by several seniors wearing Hallowe'en costumes/colours or attended as their non-scary selves.

The Neighbourhood Watch Program Review

Don Kelly, BCA Safety

In 2027, the Ottawa Police Service (OPS) will be structured under a new District Deployment Model, transitioning from a centralized structure to a localized, community-centered approach.

This represents a strategic shift grounded in community safety and well-being principles. In conjunction with this new policing model, the OPS is conducting a fundamental review of the Neighbourhood Watch Program (NWP) with an aim to strengthen the program to better meet the unique needs of each district and its communities.

One of the key goals of the NWP review is to foster a closer working relationship with other OPS programs, such as Community Intake Relationship Specialists, Crime and Research Analysts, Neighbourhood Resource Teams and Community Police Officers. Another important component of the review will be upgrading the NWP materials & its website to reflect current crime prevention & community safety strategies.

The OPS review of the NWP is led by Abid Jan (Director of Community Safety and Well-Being) and A/Staff Sergeant Chabine Tucker (Staff Sergeant for Community Safety Services). Supporting the initial phase of the review process with input of best practices & lessons learned from the Neighbourhood Watch experiences in their areas are Sean Crossan & Don Kelly, the Neighbourhood Watch Coordinators of the Cardinal Creek & Blackburn Hamlet Community Associations.

A detailed report of the NWP Review is expected in 2027.

Don Kelly (centre) and fellow members of the Neighbourhood Watch Program review team.
